Civil Engineering

Bhishma Dedhia : Garvit sir <3 4 saal wing mein kaafi maze kiye hai. Tere aur Premu ke jhagde kaafi entertaining hote the tbh and bahut yaad ayenge aage. Maine kaafi pain diye hai tujhe and I am sorry agar bura laga ho toh. You and Surinder were best neighbours ever. Tera transformation is fitness goals. Aage jaakar bahut machana and build an even more ripped physique. Keep in touch!

Kirtesh Ajay Gadiya : Hey my transportation buddy! We will be together in this field for long time. Keep transporting people, goods and other stuff! All the best for future! Always there for help!

Shailendra Kumar Soni : insti wale kya algo laga ke roommate choose karte hai, pata nhi, personality ekdam opposite, bhai first year k first day p jab apna aamna saamana hua teri sakl se laga tu ekdam sincere padhaku hai but pure first year m ye galatphahmi door ho gayi. kuch acchi aadate sikhi tujhse i hope tune bhi kuch sikha hi hoga. aur bhai tu jo kaam karta hai pure dedication se karta hai anayatha wo dhara ka dhara rah jata hai. bas yahi dedication rakhna jindagi m aur har muskil ko thod marod k rakh dena Hulk. Bhagwan tera kalyaan kare.
