Risha Agarwal : Dedicating my first YB post to the girl who taught me how to exaggerate 182838822 times in any situation and still be cute about it 🤪 Atidum, blue elephant, Pudita, thank you for teaching me what being a truly pure soul is like, thank you for being kind, forgiving, compassionate, talented, beautiful inside and out, everything at once. From watching SRK movies at 9 am, to Phoebe ke bhai ka dost, to *peeche mudke mat dekh*, to pizza exp and Tabasco, to banging my door 1829299292 times and to failed room painting ideas, thanks for every beautiful memory. No matter how much I haggo in life which I do a LOTLOTLOTLOT, I want you to know any little amount of kindness in me is inspired by you and I hope we always stay in touch. Keep dancing and meme-ing and exaggerating. Pls stay forever and I wanna say I'm sorry but gonna keep that for a personal senti mail 💖💖💖💖💖💖💖💖💖💖 ily and I miss you a looooooot!!!!

Animesh Singhal : It was great sharing the stage in two performances of AIDS 2020 with you! The way you used to crib over warmup sessions but still encourage Neeraj to penalize me and Luv for the same was really draining XD. Thanks for being a patient instructor :D. Dance karte rehna aur kabhi same city mein ho toh dance video banane ke liye yaad zarur karna :P

Aditya Kasture : From mentoring you for your first Insync performance to seeing you become one of the best dancers in the institute, you really have grown tremendously Mudita! Although we lost touch in the later half of your 4 yrs, there wasnt even a single performance/video of yours, after which I didnt turn to someone beside me saying "Mudita BHHT acha naachne lagi hai". It has been a pleasure knowing you and I hope the sweet girl continues to kill it in whichever field she finally ends up! <3

Aniket Prajapati : North trip was awesome, itne immediate plans maine kabhi nahi banaye. And it was because of your attention that snehith drove safely xD You balanced the IC team very well and worked really hard for your department. I remember the day you had fever but still sat till all interviews were done. Your dance ♥

Rishika Gupta : Helllloooo exaggeration queen ☺ You have this wonderful superpower of leaving a tincture of your personality on people whomsoever you interact with. Knowingly/unknowingly they learn one of the infinitely many adorable traits of yours. The entire wing has started exaggerating. All thanks to you!! 🙌♀ Thanks for waking me up for all the classes no matter how many times I slept again and also bearing the beizzati I do everytime. 😭 1st year MAC was one of the best times I have spent with you. Stay the fun loving girl you are, always! 💖💖 P.S. Get over Juju. He's married now. 🙄

Kireeti Akkunuri : Right from our interactions when you were an IC to our time spent in sustainability, I am really glad I got to know you as a person. You're literally one of the sweetest. Stay the same and all the best! :)

Viraj Singh Parihar : Do you remember when we sat in H15 mess at the end of 1st year doing some convener work? Probably it was the first time when we genuinely talked. I just wished at that time ki tu hamesha dost rahe. Thank You💖 for staying around from that moment till date. Thanks for hearing me out everytime. Thanks for always insisting me to share my problems with you. You are just one of very few to whom I talk about everything be it bandi, dost, work, BT, family, money, and gossips too :P. Yaad haina ek baar tuje kitna daanta tha, when you stopped talking, I hope phir se aisa kabhi na ho. Tu hamesha bolti haina "Viraj, don't touch me, door reh mujse, mere pas mat aa" see ab kitna dur rahenge, alag alag cities mai, pata nahi kab milenge. Jab kabhi meri yaad aaye to ye padhlana "Oye Mudita, Chuhiya jaisa face banana". Love You ❤️💖🥹

Sahil Pahal : You are what you eat, Mudita Rana is well on her way to becoming a spicy momo. idk much about dancing but you're my favourite dancer forever. exceptionally hardworking but slightly overconfident, hands down one of the best. My master in the dark arts of RG. you owe me ice-cream aur iss baar gaadi tu chalayegi. Juuhi ko pareshaan mat kara kar plz. Gossip karne milta hu jaldi, dw :)) P.S. please thoda spicy khaana seekh le aur roya kam kar.

Harshwardhan Mourya : Hey Mudita, We've met only 2 or 3 times but st those times, I've always felt that you're a nice person. Those track making sessions were like watching a show from VIP seats. You're a great dancer and mixing bhi seekh hi logo tum :P

Swapnil Agashe : Yoooooooooooo Muditaaaaaaaaa, Topper bolu ya Spammer? This will forever be a dilemma for me. Jaha ek emoji se kaam chalta jata hai, you use 10 emojis. Even I have picked this skill from you 🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔 I regret ki maine teri enough RG nahi ki :p You have been a great friend throughout these 4 years. It is always fun talking to you and tujhe pareshan karke kaafi satisfaction milta hai 😂 and I plan to continue it forever. And btw, Itna accha dance kaise karte hai? Itne acche notes kaise banate hai? Maggie kab khilaegi?

Arush Gupta : Hi Mudita : D We did have loads of fun during ELIT in the 2nd year summers. I remember this one time that we were annoying everyone else with a laptop charger (other people be like - how does one do that?). Those few moments of our shenanigans were some nice times during ELIT :)

Dhwaj Singhal : Man, I can never forget the trauma we've been through, taking that one course we took. Even though we haven't talked much over the years, you seem like a super cool and a really genuine person, and i'm glad i had your company (and sanjeet and kireeti's ofc) to whine and complain as we stumbled through that nasty ass course. Thanks for helping me pass lol, stay in touch, and take care!

Puneet Kaur : Hiii motuuuu ♡♡ Love those weird AF funny si cute si emojis and those audio messages 🤔🤔 you're one of the sweetest yet kutti people I've met. bhukkhad #1 xD Thanks for teaching me since ages 🤔🤔 idk kya hota tere bina mera. please buy notebooks instead of writing in every direction on every page. I LOVE how you're so so hard-working even if it's because you're a total dumbo xD you're a very kind person ♡ I've seen you keep your issues aside to help someone because the time called for it. Sarthak Sharma : Hey Bahadurrr! thanks a lot for being the sweetest person in the team, I'm indebted to you for those last moment tuitions before every exam. I can't imagine passing my 5th and 6th sem courses without your help. Goa trip was fun and I'm better at UNO than you (can't say not to this xD). Thanks a lot for being a good listener in my lows. I'll cherish our PO sessions with random Youtube browsing (not so random but Ssssshh). Also, I'll say this for the millionth time JB sucks :D Keep up your cheerful and positive attitude, I'm sure tu apne hardwork se har jagah macha degi. You still owe me a cake and a visit to Juhi! please fulfill your promise asap. Stay in touch bro !

Prem Agrawal : 🌻 It was an amazing tenure with you as best co. and Goa trip was the best part of it. Gonna miss all the PO meets, playing mafia/ heads-up, treats etc. Last treat is most memorable of all 😂 rulane ke liye sorry but wo nhi hota to "one of the closest friend" kaise bnte. Thank you so much for listening too much of things I had to tell throughout the summers and helping me out and keeping me sane during placement semester. I hope we will continue to keep a check on each other like we did in summers 😊 Keep dancing and being so kind. Lots of love (for Juhi not u)💛💛 PS: You don't give good nicknames, they are result of all random galiya u give, toknycly 😂

Rohan Potdar : Yo Mudita! Oops. Yo Chubs/ Golu Molu/MUDITA SACHIN RANA/ cuteso, the list is endless. Wassuppo? It is true that no one shares a greater love for not only memes and pups, but also TikToks (tapori😂), Netflix sitcoms and movies(wc for Blockers), food(pics to make me j), gossip(bitching) and much more. Never thought the list was actually this huge, honestly there's not a single day gone without your text :) IC tenure toh I keep reminiscing, playing HeadsUp (u cheat 😂) & Mafia nights(ur damn good at it), treats mein dancing and drunk pics 😂 (& pls u don't have capacity in the first place :P). I hope you get to use my Sunday coupon soon (it expires uk?). I do regret not meeting you dudeee. Mila karo madam. I know I fight on silly things but you have to deal w it, cuz uk mera RR toh kam nai hoga 😊. I'll never forget how you stuck with me during placements and ik you'll always have my back. I'll be waiting for your Juhi pics (inka appointment kab milega??), food pics, baby-voice dog vids😂, gaaliya(basically everything). Apoorv Kishore : Yo Mudita, sometimes we meet such people in life jo ki anjaane mein bohot kuch de jaate hain seekhne ko and you have been one of those people for me. I have seen you give up a lot of your comfort, your time and your efforts for other people when you could easily say no to them starting from the AIDS of my tenure to this year's Inter IIT. You can't guess how much respect I have for that. Me and Vaibhav never appreciated you for putting in so much hardwork in Inter-IIT, working alone and even when you were not well sometimes. you underestimate your dancing skills, your growth has been exponential, I wish we could collab more ... lets do that sometime for a good dance vid.... no goodbyes :P

Pranil Jain : Insti ke liye toh tu Chhichhore ki Shraddha Kapoor thi par Physics ne humari dosti kara di :p. Mann toh yahan bhi bezatti karne ka hai par sach sun le. Kya mast bandi hai bey tu. Humble, down to earth and ever helpful <3 . Jyada close toh nahi hain par jab bhi baat karte hain, aisa lagta hai kitne saalon se jaante hain. Intern updates se lekar Placements tak, and how can I forget gift selections and charging cable :P, Thank you for being there every time I needed your help. Keep Shining topper PP. I hope one day we will execute all our planned treats and you will continue my english correction subscription forever. Always there for you.

Himanshu Bohra : Hey momo, tu meri prime mocking partner rahegi hamesa. Mil liya kar and LDR baatein karni ho to always in

Mrunmayi Mungekar : Hey first year lab buddy! It is so fun to tag you in all those fb posts coz those first year labs were damn memorable...PH and CH ka rona :P Always fun to joke around with you and complain about stuff too ofcourse! To forever S2 ki dosti!

Jovina Vaswani : If I had a dollar, every time I have cried in front of you, I would have been gone for un unfunded MS. Whom am I gonna fight with and swear at just because I am bored. Who is gonna listen attentively at my novel theories and attentive thoughts? Most importantly who will adopt me and rank me up to family level, after going through the above mentioned things. I need my blue crayon, always♥.

It was so nice to play badminton with you and the first time was NSO trials. Mass transfer ki class me tere aur mere jokes abhi bhi yaad hai mujhe 😂😂. It is so fun teasing you and having funny chats with you. Alsoo I saw you during kalaghoda 🙏. You are very sweet and kind. Thanks for all the chocolates and sweets 🍬. And for helping me during the intern and placement season. I wish you a great success. ♥

Tanya Gupta : I love how we cross between classes every morning. Your smile definitely brightens up my day. ♥ You are really sweet and soft-spoken and I regret not having ever danced on the same stage with you. All the best for your future Mudita!

Adarsh Rathi : muditarana22@gmail.com, itni saari sheets and docs share ki hai har week 2 saal tak and intern ke mails, ki ye ab nahi bhulne wala and also your cribbing about me improving the reports to an altogether next level, "arey thik hai na, hum itna hi karenge, extra kaam tu kar lena", the lab sessions were mixed with so much fun and our taunts to each other. Tu waise to bahut roti hai, but bahut macha deti hai, be it dance, acads or intern. tu bahut humble hai and friendly bhi, I like that about you. Well, our lab group picture is still pending cause of you. There was a bet in second year as to who would be my lab partner, I won the bet, for the good or the bad? - Good, my answer is. Saalo se party maang rha hoon tujhse but ek nahi di, though your gift was one of the best I've ever received in my life. Aunty no 1 hai tu and tujhe tease karne ka majaa hi alag tha. I think tere mentor banne pe mein jitna khush hua tha utna toh khudke intern ya placements mein bhi nahi hua tha. I'll spare you from all the philosophy..😂😂 but looking back it were those philosophical messages during my arduous interview process that actually helped me get through. I never thanked you enough for it, majorly cz of your persona which in a way lingered in my interviews as well. Tons of respect there, keep that attitude of yours girl and slay ahead💙 P.S. Anusha Dubey : Mudita ♥ yaar second year se tere sath dance journey amazing rahi hai! We started from doing dance mania together and ended up at Gyra (atleast that's what I think 😊) Doing last year Gyra with you really taught me how to handle things so patiently and let go all the negative things and focus on positive ones. I really wish ki shayad last year ka Inter IIT me nahi karti to I would still have a hold on all __uuu lingo! I will miss and cherish all the amazing moments we have spent together. Anuj Naik : It's 28 min before the deadline for filling the yearbook, and I just couldn't miss this one. 'Koi bhi help chahiye ho to bata dena' - Not a very unusual statement to get from people, but you were always among the few people who meant it. Always so kind, and a small but subtle addition - The only senior who seriously reviewed my second year resume! Best senior, best dancer, best person - I'd be giving them away to you as if they were AIBA awards, without a second thought. Always stay the same! P.S. I always feel bad ki Salsa Night ka video nhi nikal paya, sorry rahega uske liye bohot!

Aditi Gupta : Heeelo Mudita! Are freshies allowed to be here? well, here I am :p So, honest freshie-mistake, i wrote an almost-essay(who knew 700 could be bad number(plij laugh)) for you, telling you how amazing you are and how much i love you! Toh bas a reminder, whenever you see this please go back and check your starred messages (I'd like to believe its a 7-star message :p) Anyway, I'll miss this amazing, charming, sweet, gorgeous person who is almost an angel(yes, notice the almost ;)) a LOT, LOTT , LOTT!!!! And yes, as promised, 12 treats deni hai aapko :p

Anuradha Meena : Hellooo Mudita.... I want to tell you that you are the sweetest, most adorable , lovely and coolest senior I have ever met in Insti. I felt blessed to have you as my mentor . Once you told us that you are inspired by your mentor to be a mentor. Now you are my inspiration 🥹. We all love you a lot 💕💕💕 . We'll miss you a lot Mudita not only because of we love you a lot but also due to your so many pending treats😋😋😋😋. Best wishes for your future and please stay in touch with us🙏. Love you Mudita 💕💕💕

Vijay Ramchandani : Hey Mudita! Yes, truly MAC wouldn't have been as much fun as it was if we hadn't gone together as a group. Thanks for tolerating our shenanigans 😂. Wish we would have caught up more after the first year too but it was great to have known a kind and sweet friend like you. Wish you love and success! ♥

Sarthak Solat : Yooooo muditaaa!!! You are the sweetest person I've ever known. Thank you for always supporting and inspiring me. You are a beautiful dancer and a beautiful person. I regret not doing the freshie performance 😞 But at the same time very very happy that we were a part of the urban performance 😊 I will always look up to you and try to be at least 1% sweet and kind like you are.

Neeraj Sohani : Hey Laddoo! Rarely do we meet people who make us feel happy no matter what state we're in and you are one such person in my life. It's commendable how you manage to be so nice and sweet all the time to everyone, although I know it exhausts you to death. Thanks for teaching me to not take shit from people and also for constantly reminding me that life need not be as complicated as it seems to be. I wish I could meet juhi and eat aunty k haath ka khana once more but nevertheless, keep regularly supplying pictures of these two <3. Stay the ever cheerful, beautiful and refreshing person you are and know that I'll be there for you whenever you need me. I'll miss you Laddoo. Love always, Neerja

Umang Chhawchharia : Mudita!! One of the most caring and helpful person I have ever met. I still remeber how you patiently listened to my rant about that guy :p and how you offered to pay for the food to ease my burden. I loved working with you at NRI and more importantly I love your enthusiasm for desserts :p I am glad we became friends too. And finally meri driving pe aaj tak ek hi kalank lagane wali :(We need to go on another road trip where I can redeem myself :p Do stay in touch dude :)

Aniket Bhatia : Hey Mudita! Both, our first year tut and NSO Baddy, were quite lit and fun (the latter a bit painful too xD). We haven't had a chance to talk properly since then but still, smiling when passing through LA buildings was nice :). Keep smiling and dancing!! All the best!! :D

Patel Harsh : Yo Mudita..! Sports council ke through mile! kaafi maza aaya tere sath kaam krke. IC tenure me bhi kaafi help ki tune uske liye thanks! Apne madrid wale chats yaad rahenge.<3 Let's have some more like that! Stay in touch! Baaki itna sweet and cute kese reh lete ho? :p PS. Hala Madrid!

Abhijith Krishna : Muditaaa.. I've never really gotten to know up close only recently now, but wish I had much earlier. You are one of the sweetest human beings I've known.. I'll always remember how you always sweetly answered my numerous IC doubts, and always supported me through all the dances I've done. And I really wish we had one dance together.. Hopefully someday. I'll always keep fighting with you about JB, and I'm never forgiving you for not introducing me to Juhi. :p

Umang Kumavat : Group me tere aur rathi ke bich me always taane maarne ka competition hota tha...nd me and jovina hum uska maaza uthate😂...you only always noted the readings in lab we used to come as it is without a pen😂...aur haan respect your guts ki you and jovina went to patwardhan alone first time when we didn't made report..i could imagine what he said😂... sorry for that! You are so kind and humble💛... It has been nice to know you...stay in touch😊

Ayush Ankit Singh : After multiple death threats, I need the world to know that I was forced to "pen" this down. Everyone knows how hard working you are. Even tho it means doing other's work while he is also doing it. I also came to know that girls don't get excited about clothes, they get excited about mess food 😊. Even learning the mess menu by heart 🤖! How can someone be this obsessed with food? You eat food. You talk food. You think food. You cry for food. You threaten for food. I don't think I can ever look at food and not think of you. I hope you don't steal your kid's food in the future 🍗🍕🍰

Maitreya Khandagale : Not to sound like a creep but I understood the adjective, drop-dead gorgeous, when I saw you. Again, not to sound like a creep but walking out of the Physics Department and crossing you made many of my days better; so, thank you for existing :)

Karunya Baskar : Hey you! I'm really gonna miss running into you in the corridor. Perhaps we could run into each other again, maybe in another city, maybe another country even. Or just... stay in touch and we'll meet on purpose :D

Bohra Ankit Narendra : Yo Mudita! I first interacted with you during the IC tenure. It was an amazing tenure together. You've always been sweet, helping and caring. Stay the same always. All the Best. Stay in touch!
