If you get the chance to meet freshie self again, what is that one thing you will tell him or her?

Let me tell you a story . . .

Yearbook  
2020

**Rushikesh Avinash Navghare** : Dear Director Sahaab, you will be remembered, have a bright future ahead!

**Modani Abhishek Sureshchandra** : Probably the only man who is happy with this lockdown :P. Sahi time pe shadi karli tune :D. Thanks to you KEMI :P that I was able to explore acting as a hobby. Koi bhi trek ho ya khai bhi jana ho, tune kabhi mana nai kiya (Until Bhabhiji came to your life :P). Simple man with great thoughts. Obsessed with puzzles, Photography and Movie direction and haa, being God in MAFIA. I have learnt many things from you, like to handle every situation calmly are peacefully (Kabhi Gussa karte hue dekha hi nai BC tujhe), to be punctual and organised. Abb next movie bangalore me karenge waise bhi mai and sud tere ghar toh har weekend khana khane aane wale hi hai. Cheers and see you buddy.

**Prabhat Chowdhary** : Kemi works like a clock. He will have time assigned to everything. His love stories have been an inspiration to many. His trademark dance moves are out of the world. He is the best movie director I have ever met, some actors are still confused on his story lines. But bhai bohot chill mei rehta hai, Kemi rocks !!

**Arindam Sarkar** : If anyone wants to know what a gentleman should be like, no need to look further than this guy. Very efficient. Very systematic. Awesome roommate. Thank you for putting up with me for a year even though I used to do shitty things like keeping the lights turned on even at late night. Enjoyed your wedding very much. Best of luck for your future.
