Kirtesh Ajay Gadiya : Do you still remember Department orientation? Our journey started from there. Labs to new semester finally achieved. Keep dancing and make civil great again!

Drish Mahnot : I have never called someone by their middle name as much as you, Dimple (Dimpal okay). You're literally the CEO of having my back <3 PS: United >>> Chelsea

Sourabh Surage : Chotu... yrr aaj b yaad hai tere gharpe mummi ke samne chotu boldia tha and tune unko kya explanation dia tha (hahahaha)... although our wingies know the real reason for that (bhai ne ye bola ki most of wingies dropper hai islye mujhe cchotu bolte hai)... baki yrrr chotu always stay chill and real in your life as you are... and paisa kamake canada ka ticket leke apni londi se milne jana yrr.. miss karti hogi tujhe (ye baat to apne ko hi samjh me aaegi).. and thanks for always having snacks in your room bro..

Utkarsh Chandra : Bhai tune lab me actual reason likh ke jo bt diya hai kya bataun 😂😂. But still thanks for doing all the work in all the labs. I never understood your long nail and weird obsession with salman khan 😂. It was fun hanging out with you! Hope we stay in touch.♥

Barkale Shubham Uttamrao : Yo preet!! The most open minded something something... thank you for motivating me whenever I needed a dose of it... chatting and long discussion, library mai padhne k liye sath dene k liye, cricket khelne k liye and tolerating me and my English! We used to start a discussion on our way to hostel from class and vo kabhi khtm ho nhi hota tha...sorry for underestimating your talent and always irritating you with my philosophy... Vaise mumbai mai hai to jaldi milenge...

Rohit Banavath : preetiii, you know that you overthink too much, don't you?

Mahale Chaitanya Rahul : Preet Lau *headbang* you're one of the most sensible guys of the wing and have passed out in every treat I was present in 😂. Bhai yaar laptop badal le jaldi, but apna IE ka assignment to usi pe chala tha 😂 Have witnessed you setting goals and constantly fight towards it 💪🔥 Aise hi machate rehna be, all the best!!

Aashay Biyani : Preet, you are as sweet as your name. From dancing with you in Freshieza (Now Arcade), to winning gyra, I have great memories with you. All the best for future.

Neeraj Sohani : Lodaya, I remember kitne enthu se tune iss saal k gyra ka group banaya tha just 2018 gyra jeetne k baad xD xD Alas, ham me se koi bhi nahi naach paaya at the end, but it's alright. I still have random videos of you dancing and mumbling in your sleep in the morning just before the stage slots :P :P It has been a wonderful journey to be a part of VDC with you all. I'll cherish all the moments we spent together <3. Stay happy, stay blessed!
