Varun Sule : Dude....you're one of the most dependable people I know. Mera CS courses mein saath dene ke liye dhanyawad, nahi toh main kya karta pata nahi. I regret having to miss that department football match though, hamne itni practice jo kiyi thi XD. I'm sure you'll rock it in Japan, like you've always had in insti. Sadly (or rather fortunately) we couldn't be bitch more on Zoom private chats about you know who!

Naman Aggarwal : Oh man, where do I start, there's so much history here! Krishna, you're one of the few people that define my stay at IIT (#RaipurSchoolboys #TennisBois #DuaLipaCrazies forever). One of my closest friends, I have completely relied on you during my highs and lows. Your humble nature and personality is one of your most striking qualities and I've learnt a lot from you. We have had a lot of crazy times, you know it (freaking word limit)! Goa and the scuba-dive was really special and am happy that we ticked it off before the corona situation. You need to work on your post-hangover phase real bad :p I know you'll kill it in whatever you choose to do..

Pujan Biswas : Broo.. #GGMU. How can we forget railing PSG! For me, more than the Red Devil, I believe I learnt a lot about humility from you. How can a person topple ego so successfully and have this silent-ass speech while being this tech genius. I am proud to be a witness of such a great rise of one of the most hard-working person in insti. All the best... to your colleagues who are gonna be trommelled by you. Enjoy your Sakes and don't...no, do get sloshed! Forever a Red Devil, Bisso

Namita Soni : Hii krishna, Thank you for all those lab reports 🏠 lab me tumhare aur vikram ki same school vali kya fake stories sunate the tum dono😂 kaash aur mafia khelne milta, machaye the tum uss din 🍷 tooth kaisa h? 😊

2020

Abhinav Jain : Krishna, the person I have seen growing with every passing year in the insti. I am so glad to have a wingie like you! And that tere aur Vikram ke same school waali kahani... maza aaya tha yaar uss time Arjun ke expressions yaad hai xD, oh and there were more: Fb profile pe angels daalna and logo ke moodle posts... you are the most savage person in my life, keep that humor with you! And we'll stay in touch, always :-)

Shubham Punjabi : Krishna man! You are the most down to earth talented person I have ever met. Kya mast attacking partners of crime the apan football mein, ek bhi practice match nahi haare the saath mein😄(more like de bryune and rashford 😄). Thanks for helping in placement dude (more like RL 101 in 1 hr 😄). And apna optibois meetings to infi epic thi (surprisingly presentations aur bhi epic thi..thanks to shevre 😄). Wish we could have completed the much more entertaining Optibois sessions and did some more Optimath in optitime 😄😄😄. Let's continue with epic B99 and office convos, also trolling Lord Lingard 😄

Sriganesh N : Let me take this opportunity to recall what a wild party animal you are. A Hangover series mini-sequel can be made based on your new year's eve experience. This could come as a surprise to those who have only known you as a soft-spoken guy. I take inspiration from your dedication and persistence. Glad that we became #TennisBois in our final sem. Go to Japan now, but be sure to turn up for Wimbledon 2030 xD. Special mention: ITSP and light-"following" bot!

Mrigank Ashesh : Bhai tujhe yaad hai na apan same school main padhe the😄 Humne kaafi logon ko saath main jhela hai first year main. Thanks for helping me out bhai. Stay connected

Prantik Chakraborty : It was nice knowing you sir. All the best for your future. Next time milenge toh ek naya startup start karenge 😊

Patel Sayan : Sarc needs better coding people clearly, ja uddhar kar le thoda. Aur wo mafia ka game wo aniket ki wajah se haar gaye aur main thoda hosh me bhi nahi tha.

Tanya Mamgain : Aww Krishna !! I finally give you forgiveness for everything XD . Over time you have become a better lab partner and a good friend . I hope we could do Karaoke some day as we thought we would. All the best for future .take care for yourself and your teeth ! Stay in touch ! #dreamteam

Kushal P Yadav : A lot of people don't know this, but Krishna is one of the most underrated savage people out there! Damn those dank one-liners :p. Agar job pr bhi koi coding problem hogi, I know who to contact :p

Apurv Tiwari : Keeeshooo! Shaant bachcha but jab jab bolta hai to ekdam hi macha deta hai! And the Moodle par surprise quiz pehle se announce kar diya karo wala prank to best tha. CM sahab ko hi bolna, and all hail Dua Lipa <3

Aerospace Engineering

Allen Bose : One of the most hardworking, intelligent and silent entrepreneur of aero 2020. You never spoke much, but actions were always far greater than words. But what I liked most was, you were one of the most sensible man utd fan I have ever came across. Also thanks for being the CR7 of our team, tearing down opposition defence adn sending powerful strikes into the nets. I am really gonna miss those training session and the debates we had over the mess table.

Bhatt Maulik Chunilal : Krishna sir, my constant breakfast partner in H18. Mostly mai uthta hu aur tum night out k baad sone ja rahe hote ho! Bhai itna hard work aur dedication kaha se laate ho? Measurements lab jo machaya vo kabhi nahin bhul paayenge. Specially the light seeking robot that we made. 😂 Yaad hain vo robot turn bhi karta tha light k hisaab se 😊. Aapne mai Japan mai intern k time aapke machane ke bahot stories suni hain. Yaha pe kuch bhi nahin likh sakta though XD. Aur haan vo football match mai alag hi machaya tha tune obviously meri help bina jo jit hi nahin sakte the but fir bhi achha khele the tum 😊. Will remember you as a person who is infi hardworking, extremely machau and knows how to get things done. And dikhne mai toh shant lagte hu tum but agar kisi ki lene pe aagae toh kisiko nahin chhodte. Will miss our Krezit meetings during SRK's lectures. Life mai machate raho aur kabhi bhulna mat hume. Ek baar mil lena, insti chhodne se pehle. Will miss you bro 🙏

Apoorva Singh Gangwar : Yo Krishna! Japani Bhau! Alag hi level par machate ho. Coding me to prabhu sir ko bhi peeche kar dega. Tere notes shubhanshu se leke exams diye hai 😊. LTA and EDO me alag hi level pe lukkha kata hai. Teri kettle leke maggi khana, loud music play karne par tera pareshan hona, hamesha yaad rahega. Japan me rehkar yaad kar lena hume bhi. And best of luck for your future endeavours. 😊

Arjun Rahar : From Arjun to Krishna. Will never forget about the great coincidence of our name and our friendship. Always saw you as my best friend, and my insti life would have not been so happening without you. Those Study sessions from 1st yr to last yr and even pairing up together in chemistry and physics lab was a major part of my life. You were a constant source of motivation for me and a constant supporter too. Your discipline and dedication towards your task make you unique, never let it go. Your company always kept me in joy and enthusiasm. Obviously we will be in touch after graduation and I will always be on edge to meet my best friend 😊👉

Shubham Gunawat : We were having these ludo wars before it was cool, that's what we bonded over in our first year summers. From our debates of Kenny vs Okada to Abhinav and uske pink t-shirt wale adventures(that thing will haunt me for years) , you were an important part of my Insti life. Even in our fourth year when we busy with our own things, I could rely on you whenever I needed any help. While you'll be in Japan, I hope you'll be able attend that Tokyo Dome show. Also, last time I guess apna score 158-151 tha, I won't let you have that 7 win lead over me forever, stay in touch so that whenever we stop playing, mere wins zyada ho tujhse. Will miss you 😊

Abhay Jindal : Lord Krishna !! You're one of the most hardworking people I have met in insti. Your dedication towards work really inspires me. I still remember the "ek bottle aur" sunny kaand, me forcing you to drink on Naman's birthday. Our goa trip, craze for dua lipa and many other outings will always be cherished memories for me. Apne daant sambhaal kar rakhne, japan mein aur bhi machana and hope the schoolboys continue for life #DuaLipaCrazies #Schooboy.

Shashank Verma : Yo Krishna, next time apan jab bhi mile. I need to hear all your drunken stories. They must be legendary :D. Haa Yaad hai Hakka , Karna chaiye tha apan ko. One the most dedicated and consistent person I get to know. Stay same. I guess next time jab me miluga, you will be CEO/CTO of some company. I think tab me tujhe apni DAMP mentor wali treat de duga :p :p :p

KRISHNA WADHWANI
Aerospace Engineering

Vidhan Arya : Yo Krishnaaaa! Bhail, you're one of the most humble, hardworking, and outgoing people I got to know and have the pleasure of being friends with in the Institute. Countless outings to Gullu, Laxmi, Sunny, Heeranandani, Rcity and that one in the Red Room 🤪 Kabhi kabhi to I wonder itna jyada disciplined hokr bhi how can someone party like crazy (tera wo new year wala scandal 😂). From Pune 😊 to Goa 🌺, we've seen it all. Teko to "bhul mat jaana" and all bhi nhi boluga, cause I know you won't ♥ As Naman rightly said "Boys who scuba dive together, stay together" 🤔 Baaki senti ab December me Boys Go International pr 😊

Atharva Khandait : Krishna! Bhai tune Hangover I to kar liya lekin agle parts SchoolBoys ke saath karna, preferably keeping all our body parts :p. You're the kind of guy jiske saath subeh koi project pe kaam karo aur raat ko crazy party karo and you can be sure ki dono machega :D. Infi awesome memories hai dude saath mai, can't even pick a favourite. Dude tera work ethic unbelievable hai. Keep dreaming bigger and bigger. I'm sure ki tu tech industry mai kuch bohot bada machayega. Sadly, Tennis kaafi abruptly band ho gaya apna. Par as we have decided, training to shuru rahegi Wimbledon 2030 ke liye :D:D. Jaha bhi rahenge, milte rahenge. All the best for Tokyo and wherever your life takes you after that!

Vikramaditya Patil : Krishna sir, Although we have been friends since school. I'll keep the post about the college times. We planned to do a lot of stuff, but when it came to execution we just fuffed about. From installing kiwi, thunderbird-calendar integration, sumo game, noobisoft to graphics assignments and such. I'd say our successful endeavours were limited to movies, dining and friendship. I have the umbrella and although there are a couple issues with it, I am gonna keep it 🙄. We have different tastes in music, yet we bonded over music 🤪. You are one of the smartest and nicest people I have met. I learnt a lot from you and you inspire me. Definitely gonna miss you. Make sure to keep in touch. MuiMuiSho

Aerospace Engineering

Sanit Gupta : We met at inter iit right na. Tere saath tab se hi kaafi acchi bonding ho gayi thi. Almost ended up being part of a start up because of you. Insti experience complete nahi hota uske bina I think. Also, mitran jaake all sorts of gossip with Shubham. It was always fun talking to you. You are one of the nicest and most helpful people I have met in insti. Take care bhai and keep in touch.

Shubhanshu Gupta : Hello Brother, mere 4 saal ke roommate. Tmhare sath 4 saal mein kafi kuch seekhne ko mila. The best in you is punctuality. Tmhara woh uthe hi padhne baith jana aur hamesha prioritise rahna. Kafi se bhi kafi jayda machte ho aap. Aur daaru peekr toh alag hi machate ho 😊. Woh apne room pr ulti kar dena aur phir usko kudh saaf karna jisse roommate ko pta na chale 😂😂. Nd in last you broke your tooth, koi peekr itna kaise talli ho sakta hai 😂. Aur tmhara woh concerts me epic step 😊. But you inspired and taught me so many lessons of life. Kahne ko bahut kuch hai pr eh Sarc wale itne likhne nahi dege 😊. Thank you bhai hamesha mujhe jhelne ke liye aur mera sath dene ke liye. Brothers for life♥

Atharva Vijay Kanakdande : Wouldn't have survived anything in aero if it wasn't for a damp mentor like you. Damn rich and damn talented! Kaafi pareshaan kiya hai aapko, not only in the 2nd year but in 3rd year as well, sorry for that :P But huge respect for you man! Stay in touch!
