2020

Debiprasad Bhakta : Most wanted girl in the dept. Kitno k line laga hai piche pata nahi😂. Hamesa bakbak karti rehti hai, aur logo k saath bhot ki jaldi mix ho jati hai. Probably you have the 'balisora chokh' jisko kuch bhi thora strict boldo toh bura man ke roh deti hai😂. In bhaskar's voice ' still I don't know how a people can sleep at 10 and wake up at 6 and continue this routine😂'. Adhe logo ka bday toh aise hi miss kar diya. Kabhi bhi bolo ghumne jane kliye hamesa ready rehti hai. Bhot jagah ghume hai eksath. Memories😂. A true dog lover😂. Agar campus me sabko bulayenge toh phir fussball khelenge. Hope to meet soon. Khus rehna. Best of luck 😊.

Ankur Tiwari : Dhanno.. 😂 The heart throb of the PG ppl in department. I remember... I told u that i felt you have a little attitude during our ice break. But that shell was in my head... You are the most sweet, cheerful, carefree and 💪 girl I have met in IITB. Your excited state for all the trips has just acted as catalyst to our memories making. You have an innocent heart... Whenever u shed tears... Any reason we all felt uncomfortable. Tune itni achi hindi seekhi... Proud of you... Hamesha khush rehna... I wish you fulfill all your dreams and soar high... Don't let that kid inside u die... Tu tnsn me kabhi acchi nahi lgti... Isliye hasti rha kr... All the very best... We are always there. Take care DC

Onkar Kanthale : Helllloo Dhanisha ma'am, how are you !! Aap thoda Hindi to sikh hi gayi hogi ab, you did excellent work as an ISCP DC for our dept, I recollect many memories from orientation, seminars and all our dept events, Oh and EsselWorld we'll never forget, it was an awesome day there !! Thanks for your valuable guidance in labs and your support to me !! I am indebted to you for showing confidence in me. Wish you all the best for your future 💖💖
