**Rashmi Bala :** Heyy Teddy It was fun spending time with you. I'll always remember those Malanjkhhand days and your fan followings 😊. You are a very practical, intelligent and determined personality. I like the way you manage things and your sentiments not to have any clashes with anybody and to maintain harmony. I wish for you to explore the world and enjoy yourself trying different delicacies and experience different colors of the globe. Wish you all the best for your upcoming endeavors. Lots of love. Hope to see you soon.
