Sushil Khyalia : chotu sa chikiya thanks for being humesha bahar jaane ke liye ready. also that dui lappa concert and kpop tharak <3

Phuntsog Wangchuk : "Feel aati hai yaar" - Shreyas Gangadhar Pimpalgaonkar, 17 times a day. Tere feel-feel ke chakkar mein 4 saal kya masst nikle. Insti se bahar ginn ke 8 baar nikalta agar tu na hota to. Here's to the good times. Here's to having a good time in Bangalore too.

Anirudh Singhal : Cheekuuu! "Yeh kiska bacha hai" xD those sunny nights wouldn't have been the same without you! You are one of the most fun loving person I know! Machate rehna, cheeke? xD

Swadha Sanghvi : Well, needless to say it's fun to roast you and get roasted as well, from NSO sessions to setting me on double dates, it was very interesting to know you. Glad we crossed paths!

Ayan Choudhary : Fun loving and highly adjusting guy : chikiya in a nutshell. Can be recognized by the typical chappal ghasitne ki awaz from far away 😊. ITSP, MAC & Manali were amazing and you were a great reason for that. More to come in Bangalore xD P.S. Life has never been the same when you asked me "ye bakra kitne ka aajata hoga" during that freshie year summers xD Accha lagta hai tere around. Aise hi rehna!

Somansh Chordia : Chikiya I'll miss you a lot man ;) (see I didn't write kid). I don't think I've discovered all your talents yet. And the same goes for weird stuff in your room. Loved the deep conversations on both emotional and random stuff. Hora with you felt more fun and beautiful. You're always up for any kind of bakchodi and trust me people actually feel vibes of joy around you (maybe that explains year "machana"). I always wanted you to be in mech so that we could spend more time. Please retain your innocence and keep excelling, as you do in almost every field you enter :D

Abhro Bhuniya : Cheeku, bohot mazze kiye yaar tere saath in 4 saal!! Will never forget! Too bad we were robbed of our deserved CS Department Football Trophy. Stay the same, spreading cheer everywhere!

Shubham Anand : Yo chika chika.. I hope you will remember that forever ;-) You were one of the most enthu waala guy.. And I will always remember how we made fun of Sathvik lol.. Aise hi chill reh hamesha.. All the best

Harsh Siloiya : Yooooooo! I don't think I might have enjoyed my 2nd intern experience if not for you. Infi maze maare the :p Have fun in Bangalore, also jab GS se kaafi paisa accumulate ho jaye to Japan zarur aana

Sanyyam Khandelwal : "Sammy chilllll", "Mote thoda slow khaya kar", "Feel aayegi chal na yaar" etc. ig jab bhi bahar gaye hai yahi sunta hu terse xD. I don't think my words are going to do any justice to describe what do you mean to me. I really don't know bacha hua ek saal kaise nikalunga xD. You are the best person I have ever met in my life, and you know me better than anyone out there. How do I begin to thank you for all the things you have done for me, tere "feel aati hai" and enthu ke chakar mai bahut cheeje kar li jo I guess mai shayad hi kabhi kar pata xD. Tu nahi hota toh kya hi hota mera. Thank you for everything. I'm gonna miss you a lot. Ese hi machate reh life mai. Here's to the best 4 years down and countless more to go. Love you chiku!

Drish Mahnot : How is it possible for anyone to have such identical thought process! Love being the only one to get your hidden witty jokes. You have insane social intelligence. Last sem apna kitna mach raha tha bhai. Keep sending Chiara posts and stay cultured :D

Kratvesh Pandey : Chiku!!! Teri feels aur tere joke kabhi samajh nhi paya. Bade shauk Hein bhai tere kaafi xD Goa was fun with you. Waise to we had a talk even before coming to insti that technically makes you my first friend from BCBzzz. Cheers to all the time we wasted on PUBG and cheers to all the broken devices due to that xD Your Bangalore tales were fun, literally.

Rahul Manglik : I simply don't have anything to write. Knowing how random you are, anything about your habits will be wrong in a month. The amazing memories we have are all incomplete because ... ahem "Bangalore - Wednesdays". You are the only guy who could make me do random stuff and make me eat at fancy overpriced places. Cheers!

Viral Shah : Chikyaaaaa !!! One of the best CS person I ever met. Bohot mast aadmi hai be tu. Thnaks for the infi photographs taken during the four years. Manali me mech junta ko join karne wala akela tha tu, tere wajah se trip kaafi yaadgaar ban gayi (first year ka MAC was equally good). Thanks for the help in CS ka course as well, tere bina assignments nai ho paate mere. All the best bhai, GS me macha dena. Bangalore me saath me khana order karenge apan

Kumar Saunack : I do accept that I did not work as much as I should've in the compilers course, but I did make up for it in the subsequent courses. Anyways, you have much more interest in studying than me. That's why I left the assignments to you, you know.
Btw, don't be so jealous that Meet left you. Not healthy for you.

Yash Shrivardhankar : Chiki boi! 'Aaye Chikya, chal hey karu!' and boom! I have a companion to do any cool shit! I haven't seen a guy as helpful and down to earth as you are! I can never be grateful for the things you've done for me, be it MAC wala scene or lending me camera literally whenever I needed <3. You have amazing tolerance! You have such a diverse taste in things man! The night when everyone was in my room having your orchestra was the best show night, hand down! A true all rounder! It was always cool to understand your perspective in situations of life. You are a gem of a person! Apan business ideas discuss karte rahenge! Bhai Bangalore jaake Pink Floyd sunna hai wapis <3.

Aman Mishra : Cheekuuuuu! Yaar, had infi fun with you. All those random pobjee times were immensely entertaining. The trips including Bhava's house and the Manali one, wouldn't have been the same without you <3. What a versatile person you are! Sports, music and acads har jagah itna talent. Tere camera aur lenses ne bohat bhala kiya hai humara, unke liye bohat bohat shukriya. Kaafi shaukeen insaan hai yaar tu, tere room pe kaafi unexpected cheeze mil jaati thi XD. Always stay the same cool person you are and may the feels be with you :)

Namya Bagree : We got to spend time playing both, tennis and music in freshie year! Those NSO workouts and the jamming sessions were surely the highlights of the year. Forcing you into a musical so that I would get to go was another crazy night 😂 Would've never known about the weird locations in H12 had it not been for our random plans! Hopefully we get time to jam together and play a match of tennis as well!

Rohan Garg : I was thinking the same thing a few days ago. There is absolutely no way we don't end up working under the same roof in a couple of years time. Still remember that quacky 'yo' sign you always had on during our orientation :p I do hope that we get to stay in the same apartment again, and I get to evict you again xD

Naman Jain : Yo dude, Likewise kaafi enjoy kiya h apan ne. As I have always been saying I only listen to audio of wynk/spotify -- and yes the music was quite good. Ofcourse DAC toh ab chill hi h :P . I have always admired how well you managed acads and the innumerable other things. Your music skills are really epic from guitar to keyboard to even your first time drums. Let's keep in touch. To chiku and limon!

Debanjan Mondal : Yo Shreyas, the two months in Ubisoft was gem. The hangouts in clubs and the bungalow was worth remembering 😊😊. I still clearly remember the day you me and Harsh went out for a nobel cause, but had to come back because of rain. I always cherish the memories of jamming with you before trad days. Stay the cool guy you have always been.

Sarthak Sharma : Cheeku <3 Freshie year and MAC was so special because of you uske baad yeh kambakhat hostel change and thodi misunderstandings ne raaste alag kardiye. Par kuch bhi ho 1st year bahut pyara guzra sath mai :) would love to resume from that place! BLR mai weekend sorted samjhu ?

Pranav Sankhe : Yo Chiku bhau! ITSP ke alawa jyada interaction nahi ho paaya dude but whatever time we spent together, it was amazing! I have a feeling that we share many common interests and will continue to share them over the years to come. Best wishes and stay in touch :D

Puneet Kaur : Hey stupid cute human being ♥ GS intern won't have been enjoyable (or bearable) agar tu nhi hota 😊 Blr mein first day IPL ka final match dekhna (roomie ki uncomfortable looks xD), ordering so much food from some lavish place, that day at the pool, PG hunting, mall ghoomna random AF time par mere desk par tapak kar tang karke cafeteria leke jaana xD epic time tha yaar ♥ aise chill ho kar intern kari hai na tune xD GS vapis ja kar infi cupcakes khaayenge (half each because mote nhi hona 🤔👩) pls text karne ki aadat sahi kar -_- and jo DSLR leke ghoomta hai usse kuch dhang ki photos click bhi karlo kabhi 😊 mast and smart insaan hai be tu 😊 looking forward to Blr, milo jaldi hi ♥

Deep Karman Pal Singh : Roomieeee! Best roomie, I don't think I'd get along as well with anyone else. Kabhi safai nahi ki ache se, ab seekh lena lol. And keep caring for all your kittens. All the times when apan dono would go out and chill were the best. Have fun in GS and ahead ;)

Aman Jain : I'm glad we lived together in Bangalore. Jo thoda bahut bahat gaye, all thanks to you. Finally cricket match dekhne chale hi gaye the hum. Baaki aise hi life me enthu me rehna and room ki lights band karke rehne hamesha lol.
