Shubham Jain : Yo Raj, you will be remembered as my squash buddy, atleast in the college. We both began to learn squash at the same time, but later on like you know what happened, you tried hard but still couldn't catch up with me xD. Anyway, i would thank you for being out there to play with me, it really helped me in improving my game and hope you have enjoyed it as well. In past two years we couldn't interact much, but i wish we could have play more time together. Wish you luck for your future endeavors and jab finance mein macha lo, to thodi help hamari bhi kardena!!

Hardik Murarka : Arreh mere Bihari Babu....Thoda kaam serious raha kar yaar. Tu saale galat chiz bhi karta hai toh uska justification hota hai tere pass (Remember Shiv Ji wala dicussion). Ab toh Raj paisa hi paisa hai hahaha.. All the best man.!!

Aayushman Mishra : aur Chamiyaa!! yaar i wish 2 3 saal apan ko saath me extension lagjate kyuki tere sath ek room me rehke tujhe satane ka maza hi kuch aur hai XD Bohot zada helping insaan hai bhai tu, infy tips and tricks sikhi hai tujhse, baaki sabko to alvida hi likh raha hu yaha pe, par apan chaaro ko to infy ghumna baaki hai yaad rakhiyo Aditya Raj CFA . Maggu sala!

Aditya Dev : Chillest person. Have never seen you bothered about anything dude. Can hear ur accented "agarr" "magar" "par" and all. Greeting each other with "Hi aditya" and then that awkward smile XD. I always thought ur bunch were all out lollipop lagelu and turns out you are. Sorry :). Had a blast getting high asf and then going to h5 canteen for them munchies and those long af stupid discussions we used to have thereafter. Also, I feel so sorry that you were stuck with mishra for 3 whole years man. How cud you live in that smelly room???? I cudnt go near it. You can live in that shit hole, you can survive anywhere bruh. Peace 🙏

Desai Darshil : Gokarna was probably the best time of my life. "The music stops and echoes on in sweet refrains, for every joy that passes something beautiful remains."
