If you get the chance to meet freshie self again, what is that one thing you will tell him or her?

Don't get pissed out for petty things. Yeah, I was successful in quite a few things. But, I would have learnt more if I had been more courageous.

Pushan Bal : Sandy! My 6am baddy partner/coach/personal trainer. One of the very few people around who actually said yes to the idea of waking up that early. Always considerate of the emotions of people around you. Whenever I started to lose some points (which was almost always), you deliberately slowed down the pace of the game, lost a point or two. That gesture meant a lot. You know how to motivate a person. I am so glad that we ended up in the same wing. Knowing you has been an absolute honour.

Shruti Iwanati : Babloo..... Team meets mein sabki honesty se bezzati karta tha but still tune meri kuch bezzati nahi ki uske liye thankuu. EnSpace ki site ke liye kitna pareshaan kiya mujhe. Hope you are well and will miss you bro. Stay in touch!

Chinmay Kalra : Sandy anna!! From the bottom of my heart, I feel the luckiest to have you as my freshie year roommate. Such a kind and caring personality who ensured that others never felt uncomfortable, you truly are a rare gem. Your swag and 'Telugu style' was evident from day one. Your love for Tollywood was well known as you had Tamannah Bhatia's pic as your phone wallpaper. And of course, those baddy games that we played. Though I knew I would lose, I considered it a matter of great pride to be able to even get 10 points against you. I felt more like playing against a coach than someone my equal. Thank you so much for everything. You will always have a special place in my insti life.

Veerupaksh Singla : Babloooo. Formals me acha lagne ki puri koshish rahegi. I will always remember that review meet, and how lucky I was to be able to read from your diary because you left midway through the meet. Your subtle sense of humour, and always chilled out and happy nature ♥. Kya paaglo ki tarah naachta hai re! You are the person who enjoys parties the most! And hopefully ghar pe bhi body banane me laga hoga!

Ayush Mahule : Amex Interview was legit fun tough it always feels good to hangout with you as such a caring person you are. I still remember our drunk conversations on fitness ..lol

Umang Chhawchharia : Sandeep bro, tu humari team ka sabse savage banda tha. Tere review meet ke points kabhi nahi bhulunga mai. You were probably the only one in the team who cared about everyone's health. The thing I appreciated most about you is that always excelled in your work while also maintaining your health. Very few people are able to do it. Keep it up for life. I always enjoy speaking with you. Do stay in touch :)

Rajat Kadam : Babloo!!!!!! The one who can burn anyone in the team with his one liners! Sabse zyada gaand toh tune phaadi thi review meet mai jabki tu usme tha bhi nahi! That is when everyone realized to be wary of your presence :P Tera Veeru pe review humesha yaad rahega :P Bohot chill hai tu life mai bro!!! And kuch bhi hojaye humesha workout ke liye time nikalta hai, a quality I wish I had XD Keep in touch bro!

Praveen Saran : Babloo, the fitness freak! Bhai vo feedback meet hmesha yaad rhegi jisme tu sbke liye dairy mai likhke class chala gya tha :). Tenure mai to tujhe hi sbse jyada pareshan kiya hai but tune kabhi bhi kisi kaam ke liye mna nhi kiya. Respect for you. Or teri life ke kuch principles ke bare mai janke bhut achha lga < 3. Navoj R : Yoohoo Sandeep aka Babloo! The most savage person in our team 😂. I remember us playing badminton together in our freshie year. I really wanna become as good as u in badminton 😊. You always took care of your health and body(workout) along with other priorities which I look up to. Furthermore, I envy the courage you have to ask girls out😂. Lol. Anyways, best of luck bro!! Stay in touch.

Sumit Singh Yadav : Yo bro, I got to know you well only after the night when we were bitching about everyone else. Previously I thought you were a very shy person but you turned out to be the opposite. I always admire how helpful you are to everyone and your ability to always remain calm and happy. You inspired me to go to the gym in early morning during the vacation, which was my first and last time in the gym. Wish you the very best in future. Stay in touch.
