Karunya Baskar : Aarch, did you really think I'd write you a yearbook entry?

Subha Govindaraj : Chaaaaaaa! Please let me have all the honours of being your personal photographer, kayy? I'm gonna miss coming to your room for those late night rantings, and probably also gonna miss opening your door for a few seconds, peek in, and disappear. Thank you for staying by me man, through everything actually.

Rashi Gupta : Ayy lady! You're the sweetest, and sometimes the most dramatic and lazy person I've met. 🐱 And who goes to eat mess food when bored, huh?? Nonetheless, you are strongest person I know. Idk if I ever told you this, but I really do look up to you when life gives me lemons...Coz for all I know, you make the sweetest lemonade 😊 Hoping to be your future homie!! PS: I won't let you off the hook without our Origami date 😊

Rishabh . : Aarchamama where will I hang out now if you leaveee. I had so much fun hanging out in your room! And always remember what I told you outside sunny 😄💛! All the best for future and milte rahenge!

Richa Agrawal : Aarchaa!! I will miss my neighbour so much! Where will I go when I get bored now? Stay the fierce, passionate and amazing person that you've become. We will obviously be in touch!

Abhijith Krishna : Aarchalo, I'm keeping this short. Terrace, two bottles, now.

Sowmya Ravichandran : Hey aarcha! You're really cool and I'm glad subha introduced us and was useful atleast in this regard😂 I've had a lot of fun with you guys and we've had some crazy moments as well. I'm so glad you guys were in my wing in the final year atleast. Tbh you made it feel more like home♥ keep doing the things you love, it's one of the things that I admire a lot about you! All the best for everything you wanna achieve in the future♥

Pragadheesh Kumaran : Aarcha!! It was a nice morning tea i had with you😊, making you smoke, funny 😂🔥 You were a sweet person😊 it was nice knowing you!! Don't forget me😂

Pattisapu Divya : Dudee, I remember having a ton of strange and fun conversations with you. I'd come to Kriti's room and bug you :P. I remember even asking permission to watch you work in the hope to learn a fraction of your killer designing skills :P. Your broken Hindi is like a TV show. There was audience to it I assure you. xD. I'll contact you again when I see your designs get viral. Then don't say you don't know me

Razi Ansari : Hi Aarcha! First NSO and then 2 years of winning inter IIT together. You ar an amazing artist, I learnt a lot from you in those inter IIT times. I started focusing on making my original work after seeing your fruit waali series. Thank you for guiding me every time when I asked for.

Ahsan Aslam : To The self proclaimed foodie who rarely gets out of the room(as far as I know).You are the reason I think twice before posing at any wedding shoot.I feel you have one of the most eventful life amongst the people I have met here and it is visible in your maturity(somewhat).Not the least expected yearbook entry but rather unnecessary because 'baadha ozhinju pokuula enn ariyam(thanks to cousins)'.You look like a blend of arya stark and Indraja with a dusky flavor.In simple words oru 'Unni' Aarcha thanne(pun intended).Lakshathil onne kaanu ithupole oru item.So keep smiling and sketch on.
