Arpita Mishra : Hii!!! Mujhe first year m yaad h mei tum logoke room kitna jyada aa jati thi timepass krne k liye! Aur tere sincerity ko dekhke khud p sharam krti thi ki beta khud bhi thoda padhlo :P Tu jbhi dp hatati thi, mei poochti thi ki mera number toh nai delete kr diya XD Aur tere sarcastic comments mast burn dete the sbko lol. Hopefully fifth year m jyada hangout kr payenge. Acha lgta h sochke ki fifth yr m tu hogi :D

Sukanya Kudva : Hi Chitrangna. I just double-checked that I spelled your name right. 😊 Remember, the one time I had got it wrong you got really upset. Yaar, I have been trying to capture just one bad pic of yours since fresh year and four years have gone by. Even Sagar couldn't help :(We got closer through those long night walks , lake-side sittings and rants at our rooms. You learnt to laugh off my terrible Hindi while I let you off for your ignorance of South India. You have been there when I needed you especially in our third year. I know I can count on you. I'm glad we still have some time for us. Keep in touch♥

Ashi Gupta : Hi Chitrangnaa, I will never correct your name in my phone 😂. It was my best decision to have you as a roommate♥, you made me feel like home (with you already know..xD). We have infinite memories together. ek dusre ke alarms par uth jaana, to late night talks, to your background commentaries on my phone calls. Mujhe tera "fan kholna" hamesha yaad rahega.....haha. I started eating bhindi as you loved it a lot. Room se nikalte hi kaunsi light, kaunsa fan off karna h....even if you are late. Always late to exams....You were always a matured girl and I have learnt a lot from you 😊. Let's go for shopping again if we meet. Hope you'll not forget me in future! Lots of love ♥ 700 words are short:

Ayushraj Mehrotra : Hi Chitranga"D"a (wife of Arjuna 😊)! From bitching about Economic Times after every stage to sorting my every chota-mota doubt about semex and what not, apne kaafi tolerate kiya hai mujhe. Still remember sabse sorted 30 min aapke hi gaye the us din competition me, saare shapes the aapke paas 😊 Abhi ETCS to clear ho gaya (vo bhi ultra chill ghar pe baithke 😊), and resume pe mast point bhi aa gaya, so ab placement prep pe bhi dhyan de do aap :P Btw, can you still recall the name of that 4th guy? 🤔

Riya Singh : Dudee... tm woh insaan ho jiske baare me bas sochne se mere chahre pe ek muskaan aa jaata h. Tu khud har chij ke liye bahut pain leti h lekin jab doosre dukhi hote h toh tujhe comical way me unke mood ko lighten karna ata h.. jaise tu doosron se baat karti h, waise khud se bhi baat kiya kare toh itna tension tujhe nhi rahega. You are ambitious, career-focused, driven, motivated, hard-working and logical to recognize your ambitions instead of just following the crowd. I remember ki tune kitne saare intern kataye the kyonki tujhe interview me unka job description pasand nhi aya. And the best part is your understanding and caring nature. And your liveliness is cherry on top. wordlimit : (

Mrunal Chavan : Yo Chitrangna!! We had very limited interaction in Satlab initially but I got to know u more on d Kalasubai trek. That trek will always remain close to my heart,♥♥ though it was a very last minute plan but I am glad that I came. Tera pehla trek tha na wo shayad. Tu bohot pyari junior hain meri.😊 It ws fun to have north-south language discussions with u nd Sukanya.😊 I really want to do that pizza outing again, d one which we did on Diwali.😊 Machate rehna hamesha life main. All d very best to u and do stay in touch♥♥

Bohra Ankit Narendra : Yooo Chits!!...yaar iss sem mein kitni saari treats pe jaana tha..sab kharab hogaya :(. Haan mostly Mumbai mein hounge toh milte rahenge weekends pe :p. Tune placements ke time pata nahi kitni baar mere resume review kiye 😂...aur mera rona bhi sunna tha..inspite of being on semex ♥. IC tenure was amazing with you!...kaafi baatein..kaafi discussions kiye the tab aur infi rona bhi 😂...sone nahi mil raha hai...aise padhna chahiye...waise karna chahiye 😂. Tum dono (you know who 😊) ke beech mein sandwich ban gaya tha dono ka rona sun sun ke 😂😂. Honestly Chits you've always helped me♥. Placements macha dena aur jab bhi rona ho call kr dena 😊. All the Best. Stay in touch♥ Stay the same

Mudita Rana : Chitzzzz! Thanks for sharing your birthday with me and not letting me have all the cake on my face 😂😂 you've helped me so much during the tenure yaar. Yaad nahi ho toh apna messenger chat kholna ek baar xD tu mast bandi hai, you're so vocal and straightforward, it's really admiring. I'll never forget the location sharing and infi calls that we all made when in Goa 😂 all the best for everything you do in your life ♥

Kartik Patekar : Hey Chitrangna! Kitna lamba naam hai yaar.. I have met you only a few times, but all of them have been quite fun - From pranking Kudva to our Laxmi dinner where we failed to get her drunk xD. How do you even set a goal of 10km on ground? You are pretty interesting to talk to, you have some really strong opinions on some issues. Ofcourse Physics is the greatest subject, but the energy dept did get a nice study room. If not for the virus, I knew where to study for the endsems :P. You have got a really savage (and nice) personality, with one hell of a fist! Have a great year ahead at IITB, and treat me Momos next time we meet, without any mirchi ki chutney xD

Himani Gangurde : "Chitrangna tera alarm baj rha hai", "Himani uth ja tera alarm baj rha hai", "Himani uth ja teri class hai na abhi" 😂 The mornings rarely ever felt dull due to these! First year me "anda kaise kholte hai" Se lekar last sem constantly maggi banane tak ka safar ♥ Joke funny ho na ho, tera hasne ka style jarur funny hai 😂 No matter if I become 10 times fatter than you, your mom will always say "Himani beta kitni dubli hogayi hai! Khaya kar kuchh" And simultaneously say "ye dekh Chitrangna kitni moti hogayi hai" 😂 Your mom has always been super caring to me right from the 1st day of insti ♥ Thank god tu bhi dual hai, milte hai next sem 😊

Arya Mithu Garg : Chits, I know "kya nahi likhna" mujhe :P I am glad to have a friend like you. Take my advice though, next time you go Switzerland, you have to go to that XoXo party and ... :P Thoda chill mara kar, bot zada sochti hai and BT leti logo se. I am also glad ki mai "kuch" logo ko Goa ke liye convince kar paya. Although I am sad that tujhe starting se thoda involve nai kar pae hum Team me. Explore karna and maze maar, cheers <3 Btw, meri baat karvade, sort kara dunga :P Abhi bhi chance hai, ese bhi you have more time ;)

Yash Shrivardhankar : Its Chitrangna and not Chitrangana! How could you predict so smoothly that I am a marathi at freshie year road painting? I miss all the fun we had at Advitya. All those watercooler talks and milke sagar ki lena xD. I wish we could have done more treks to annoy you xD. Also, after 3 years of nagging, you finally went out and travelled! Couldn't be more proud xD. Thanks for finding some time to meet up at your birthdays atleast! Baaki phir milenge toh chalte hai kabhi ice cream khaane <3
