Avari Roy : Yo bud, good to write for you! Firstly thanks to you for being my co-host, 😊 which ended up into a good friendship. Thanks for not giving up in humanity amidst all the negativities and badness. It feels pain to think that you will grow up too, someday, and no longer be this blend of confusion, stupidity, pain in the ass and jerkness (sometimes 😊). Please do not lose your hope in goodness and faith on Karma (😊). You see I am a jerk too, sometimes, behaving like an asshole, everybody is. Please do not take those into your heart. We are blessed to have a friend like you. You have a beautiful heart, cherish it in every possible way...give it a good amount of Oxygen. 😊😊

Mouli Hazra : It is u who made me believe in friendship. I don't have any hesitation to tell now that at the beginning I was surprised how much pure a soul could be. I learned from you to live for others. I impressed the way u see this world. Thanks for being my friend.

Mrigank Ashesh : Neeraj bhai you were an awesome M.Sc Representative and I am proud to have you by my side. You have helped me a lot and it was always nice to discuss things with you. I remember our meet with the so called "RSAP" it was a lot of fun. I will surely miss you. Keep in touch and all the best for your future.

Anurag Dwivedi : Bro bro bro.....the stephanian, the white guy in specs. I can remember each and everything we shared together whether shopping with you at RCity or studying with you before class or the endless bulshit you can speak . You manage everything so well whether it's your POR or any event. You have a pure soul and caring personality.

Harishankkar GK : I was taken by surprise by our first conversation...u talked like u already know me...you are the person I irritated the most in iit(I always enjoyed it :D)...but I have my deep respect for you...for the person you are...for the confidence that you have in yourself...and I should say u have a style factor as well! yes u advised me against wearing those frameless spectacles and I never used them since ! you are a good listener too! thanks for being my friend ! all the best for your future!

Lovish Gulati : Neeru!! Cool dude...who always stays in fun mode...i will never forget the first days of the instii...when i talked to u in english(although that was very difficult for me) without knowing you are from haryana😂😂...then the boy turned into a Guitarist...who taught me some basic notes👉...thanks yaar..ab mai bhi bol sakta hoon mujhe guitaar bajana ata hai..bs har song ki pehli line aati hai.....😂😂😂...mai kabhi tere room m tujhe tang krne aa jata tha. That evenings when we all singers used to sing in your room...mjaa aata tha...hmesha aese hi dosti bnayi rakhnaa yaar

Jaydeep Lohia : Oh Neeru, do I need to write something? Is there anything left to share? The best man, best neighbour, The Brother, occasionally a mother too. The one who could see right through me, will hug me when needed, scold me if I'm wrong, tell me what his heart has to say, and in the end of the day, will always support me! Life may become harsh in future, since it's not always rainbows and butterflies, but brother, stay a friend, always, no matter the season. Love you bro, I need the maggi one last time, those night discussions, just once more! Once more!

Sonia Rani : Tu kitna paagal bnayega logon ko is shakal k saath. I could not stop laughing what I saw on marine drive when you were clicking selfies with those strangers. Tu kitna bhi chidhane ka koshish krle, I never felt that when you got that extra close to amrit. Bas tera room bahut sundar tha. You are a very cool and responsible person. Or kitna sorry bolega chocolate khila toh diya tha. Have a great future ahead.

You always solace me and beside me whenever I want you..Your inclination towards bengali language and song astonished me and also to have a great patience to listen carefully my meanders that biased towards food..:-).I love those sarcasms and taunts and now I miss them heavily..I know this Stephanian rocks wherever he goes (*^ - ^*)...be the same as you are..hope we will meet soon..

Ritesh Bachhar : Hi happy face, you are an awesome friend and good human being. You inspire me in many ways. Neeraj and FRIENDS are inseparable. If someone finds him smiling without any reason just remember he is recalling something from there. We had a common taste of music and movies. The most memorable and adventurous part was the last summer, Summer of 2019, we didn't had a proper room to sleep, but we still manage somehow. Yes, I would love to relive all those memories once again, with 4 of us from late night talk on H13 terrace to night walk through the campus and everything. You taught me how to smile without any reason. All the best brother and stay in touch.
