Pragya Valay : Areeee Harshuuu, kitni hot hai aap. Bahut bahut bahut support kiya hai tumne humesha. Kitnaaa jyaada baat ki hai yaar humne and kiye hi jaa rahe <3. Apne se jyada tera and kesha ka handwash use kiya hai maine, and iske hi chhakar me kayi saare late night discussions. Tumlog nahi hote, toh life ke 5 saal ka koi matlab nahi hota. Gullu me butter chicken aur roti khakar aaye kya ? Chal na Appetite Momos order karte hai :) Aadha charbi toh humari ek dusre ke craving ke kaaran hai. But I don't regret it. Ab dosti me sath khakar mote bhi nahi hue, toh kya kara. I love you a lotttt <3

Kirtesh Ajay Gadiya : My one of the most interesting tenure of HA council was Women Cell. working with you not speaking in any of their meetings. We also know the real reason why valfi was closed. Photoshoot and treat doesn't happen in HA council. I have tried very hard for photoshoot but was failed. Convo ke time treat dedena ek baar

Rohan Pathak : Aree bhau, Marathi ki m** beh** ek na karo tum pliss hahaha Anyway, kya hi bolu aapke baare mein. Alag hi mauj aata hota tere aaju baaju. Itni kaise hugti tu, well I am thankful ki koi toh hai jo mere level ko match kar sakta haha. And I think, apan sabko hi ek baar plan karke Andaman leke chal le pliss :p Thank you for everything bhau :) P.S: Itna enthu bhi nhi dikhana chahiye ki Gardan hi tut jaaye hahahaha :p

Gaurav Chaudhari : Yo! Just realized we share almost same roll number. Okay, byeeee!

Kesha Tamakuwala : Oi honeeyyy, tere bina insti life imagine nahi kr sakti, meko pata nahi tu insaano se zarurat se zyaada pyaar kyu karti hai par agar nahi krti to shyd meri life alag hoti, maggi thusne ke lie shukriya! I cannot count the number of time you have dragged me out to do something crazy and i cannot believe the amount of fun we had because of that, itna shopping mehnat, itna nakhra jhelna, itna red velvet cheesecake khana, itna coffee phetna, maine kisike lie nahi kia aur na hi karungi. I know I am not getting rid of you anytime soon so I will make sure you don't slack off even a single second from being the badass woman you are. meko israel milne aana, okay? i loveee youuuuu

Mudita Rana : Harshita!! We've interacted so much through cult - be it Gyra, MDGC, PAF - humne sabki baate ki hai :p aur lights and light handling ke liye alag se post likhna padega :p you've always been so easy to talk to and be around with. Thank you for giving me lots of fundae throughout my insti life ♥ I hope you achieve everything you set your mind to :) stay in touch!!

Samruddhi Dodal : Harshitaaaa. Kuch alag hi ho tum. <3 My mom has heard so much about you, thodi cool type hoti toh shaadi hi karwa deti apni. Fighter hai yaar tu, and I LOVE that about you. Nothing can hold you back. And the way apne mujhe fundae diye hai - 'Life is a stage, you can't control who comes and leaves, but you can decide where to focus the lights, so ensure hamesha play grand rahe', ya vo intern katne pe wall notes lagana, ya chocolates stock karna. I have no words to describe what we are to each other, so I will promise you smthing - tujhe jab zarurat ho, main SAB chodke aajaungi tere pass. Sab. Ab aage toh I know for a fact that we will always be there for each other. <3 u, kill karo life me :)

Sunil B : I had almost given up on placements. But then I saw this girl, all cheerful and optimistic, fresh out of an interview, whose uncertainty didn't bring down her joy of possibilities. It didn't take long to understand how strong u r. We have met a couple of times after that- the movie and Kalaghoda. And both the times, I saw the same joy on your face, unchanged. Dude, stay happy aise hi hamesha. And for the very less time I got to know you, I am glad I made a friend who is straightaway uncomplicated. And thanks for thinking of me as a lucky charm XD, though you have been more of one for me too... Stay in touch, :D

Mrunal Chavan : Harshitaaa!! Tune & Kesha ne kabhi akele nahi rehne diya mujhe interview ke time, hamesha mujhe encourage karte rahe. 😊 Infi supportive hain yar tu nd kitna jyada pyar karti tu hum sabse. ♥♥ Tera enthu, determination nd positivity dekhke bohot accha lagta nd it felt satisfying to b ur runner. 😊 Teri job lagi thi uss din infi khushi hui thi muje & wo din hamesha yaad rahega. 😊😊 Tu bhi art work banana continue rakhna, make ur teacher proud 😊 Apan milte rahenge. Well tere jokes ka level to I don't want to achieve bt tere se life main bohot kuch sikha hain. ♥ I will miss those awesome cakes jo aunty bhejti thi. 😊😊 Apan poker khelenge kabhi for real 😊 Stay d same always. Lub u ♥♥♥♥

Karan Trichal : Wow, I've lost count of how many labs we've done as a group, or at least standing side by side, ek dusre ka copy karte hue 😂😂 The things we roasted you on would have landed us in jail, probably, given the current atmosphere, but then, teri patience pe bharosa karke we took that chance :) I think apni sabse zyada aur consistent baat, labs ko chhodke, ek dusre se exams se ek raat pehle notes maangne mein hui hai 😂😂 And all of those times were incredibly fun! Stay in touch, and hopefully you'll treat me in Delhi soon 😊😊

Karan Kothadiya : All our labs were fun, thanks to you. I know I'm the biggest culprit behind all those jokes we made about you but you were such a sport all the time. I'll apologize for not being so good to you at times. I also want to thank you for generously sharing your notes over the years. It was great knowing you! :)

Aditi Mahajan : Hello sweet senior, or should I say dram wali senior?😂 Aapne nahi bola hota toh mene first year ke baad kabhi dram nahi try kiya hota(speaking from my experience of years of laziness). I loved our small mess wali meetings. All your fundae were very useful :) Let's stay in touch and meet sooon💛

Apurv Tiwari : Yaaaaaar! <-- Ye line tumhara favorite hai, and was always used on my lame jokes :P Civil outings, wo Rude Lounge wala jo kitna awesome tha, and PKVB ke stories baba re. Abhi bhi PKVB ke vanshaj ghoomte hue dikh jate hain waise :P From helping me with 'the crush' in 1st year to randomly cycle chalute hue lakeside par milna in final year, bahut kuch badla, but lukkha kaatna was the only constant :D Hopefully future mein kabhi kaatenge. All the best! :D

Devyani Verma : Hello motu, tum apni favorite ho ekdum hehehe, meri bhi :* I loved the moments we spent in MI. Vogue to apna hi tha dude <3 Scratch se banaya tha and kitne pyaar se. Lol I dont even remember the disagreements, only the good parts (like maine bull bhagaya tha tumhare paas se during the event, I felt so powerful then haha) I think you are the strongest girl I met in the entire insti! I have always looked up to you for that! Let's keep making (ditching ? :p) plans lol. I was glad to be your wingie last year :) Teko pakka minions ka kuch gift karungi b'day par soon :* With bahut saara pyaar, Devyani <3

Raghav Goyal : Hi Harshita! <3 Thank you always being ready to help! I mean, even though you could have just dismissed the GWs with me, ones with you were probably the most helpful ones! You've always been there, you've guided me, with my initiatives and have also helped me bring out the best in me! yeah i know, humare infinite plans pending ha ;_; let's hope once this lockdown thing is over we can execute each of them. Aap bohot sweet ho and bohot helpful ho! Thank you for everything, stay the same :) and stay in touch!

Divya Maddu : Hehe, thanx a lot Harshita so remember my artistic deeds😂 but honestly what I the most remember about you was, how dedicated and hard working you were regarding your por. I hardly knew you since my first year, but damn I used to think you are some senior who is getting so much involved regarding hostel cultural activities. Honestly, before our last year, we didn't really have much of personal interactions.... But it was in the last year, thanx to the strategic location of the water-cooler 😂 that I was able to meet you frequently. That's when I realised you were such a fun filled person whom I couldn't get much opportunity to meat with. And yeah, regarding wt loss tips I couldn't give u

Suditi Laddha : I didn't know we would get along so well with me being an introvert and you being the social butterfly. You have always been so helpful to everyone. I have learnt a lot from you. I love you and I'll miss you a lot. Keep in touch.

Nandan Prince : Yaar apan thoda late mile warna we could have shared some of our common habits together :P :P. But now that we know each other lets do that. Also thodi pagal hai tu :D :D but its entertaining, koi bore nahi ho sakta teri comapny me. :) :)

Dhruvin Mehta : I probably wouldn't have gone to prom if you hadn't said yes... and it was an amazing experience, so thanks for that. Mere awesome jokes pe hasne ke liye also thanks. And also thanks for everything else I won't be able to fit in here. Thoda interaction kam huua lately but hoping that we'll make it up in the future ('next time pakka' :p). Always remain the cheerful, honest, considerate person that I know you to be!

Naunihal Kumar : Khamma ghani sa Yaar mujhe itna kuch samjh nahi aa raha ki kya likhoon but 5 saal me infi discussions kiye aur lab experiments were less pain in ass with you and Pawan in group. Baaki kuch aa nahi raha dimaag me abhi kyunki u know I do everything at last time. Chalo ab samapt karte hain. Raam Raam sa.

Ayushi Panghal : Hi Harshita, from connecting in the freshie year over our common connections from Jaipur to being there together for fourthwall events to getting through meta together, you've been one really sweet and helping friend to me. All the last minute notes jugaad, lots of assignment and lab report copying later, we've made so many memories worth cherishing. Thank you for being a dependable co TA to endure prof's antics with haha. Keep slaying, bro. All the best for your future and keep smiling, its beautiful. <3

Aadarsh Parashar : Yo Bru! I have had so much fun with you in insti. I'm glad we met. We had so much daaru together, n the best one was by far Civil dept terrace wala :p. We laughed together, cried together, got shit drunk together, fought like edgy teens, n then got back, complete package hai apan. Sell the movie rights to some good production house ok? Stay like this, PJs marti rehna, n ab properties pe goli chala na :p, Let's eat hash brownies sometime. N long live suicide squad ♥
