Who 384-385 wale wall pe dono side se ghuse marke music bajana, Moni, Aman tum aur mein humari late night discussions. The day before the placement the interview preparation.. the journey at IIT started with you as neighbor and we became really good friends thanks for being there bro. All the best for future JAPAN ghumana bhai.

Vikram Kumar Purbey : Lab partner, 1st sem ka gis aur geoinformatics lab session bahut yaad rahega (hm tin sirf dekhte rhte the, baki sbka ka assignment complete ho jata tha 😊), Placement ke time project ko leke tmhe tang krna 😞, swimming pool me unique swimming style krna 🤡. Summer vacation me h14, confidence ke saath dinner krne jaana(without card). Baki Mass recruiter hitachi ja rhe ho, wha LinkedIn ka achhe se use krna 🤡. Take care, Convo pe milte hai bhai

Shekh Aman : Only regret i had in IIT is that we need to change our room in 2nd year. First year m jo maje kiye hein woh alg level ka tha waisa 2nd year nhu guzra. Kisi ko hm kahe ki hm first year m kuch nhi kiye hein siway baato k to koi manega nhi lekin hm dono jante hein is sacchhai ko. Choti si choti baatein share krna, family se leke education tk, you were the one with whom i had shared every moment of life from childhood to family to edu ation to girls. Everything, mujhe yaad rhega m tumhe hmesa advice deta rhta tha ek chiz pr, woh chiz tumhe shyad abhi yaad hogi (Hahahaaha). You made my life easy and fun in IIT. Bus ek complaint hai tumse, thoda paisa khul k udao khane pr (hahaaha) ... but yo

Moni Shankar Dey : A very humble and jovial guy. H13 k purane roommates ! Tere saath bakchodi karke bara maza aata tha. Bohut maje kiye hum logo ne insti me. Japan me hum logo ka office samne hi hai, room band karke sirf CodingNinja mat dekhte reh jaana; kabhi kabhi hum logo k saath mil bakchodi kar lena :-) All the best bhai !!
