Shubham Anand Jain : Hey man! It was great fun to know you for this long. Hope you do well in whatever you do ahead! Cheers and keep in touch :)

Kumar Ashutosh : Whenever I see you I only think about the group quiz that we had in Automata. Damn!! two people discussing stuff that they have no idea about. Best of luck for future endeavours!! Keep taking risks :P

Sahil Pahal : Kitna own kiya tujhe chess, squash, football, foosball, and more. Milte h jaldi.. Supply partner for life, GC nahi jeet paate tere bina. Aise hi own hote reh

Animesh Singhal : Stud roomie <3 (and also the chosen one :P). Sach mein lagta tha ki 2-3 saal chote bacche ke saath reh raha hu main XD. But tu toh sahi mein bohot accomodating that bhai! I'm glad ki ham roomies they and I'll always cherish the amazing discussions and fun we've had! Chilla ke LP gaana, Shaqueel pe tera khauf, exams ki last minute taiyaari, raat ko 5 baje mera door ko peetna (uthta hi nahi tah bey tu XD), patthar uthane ke liye thanks XD. I wish ki peheli baar ki tarah aakhri baar bhi saath baith ke peete. I still remember ki 1st year mein ham tutorial mein mile they aur pata nahi kaise apan hi H16 mess mein sabse late breakfast karke subah subah class, quiz vagarah ke liye bhaagte they XD.

Parmar Dhairya Dinesh : Darshil! If I can say there's a person to whom I've always looked up to in every aspect of insti-life that'd definitely be you. You excelled in whatever you took up in your hands. All the best for all your future endeavours and touch mein rehna bhai abhi bohot boom baam karna baaki hai 😊

Aditya Dev : The first time I saw you, I thought u were autistic (u still are a crazy mf). No joke. And u just proved my point there after. Locking urself inside my room and claiming that u did some stuff ehm, that shitty dance u do when drunk and always boasting of things u can't even pull off. You have a nice voice man. Par u cant sing. But that doesn't justify ur screaming. That sucks too. All along I lied 😊. Ok jokes apart, hate to admit, you know ur shit and u are such a fun person to hang out with and to make fun off. I regret not being able to properly cover slipknot with you to this day. I miss your weakling scream too. Also, tujhe 1v1 bulane ka himmat kaise bhai 😊. Had tons of fun crushing u in pubg and CSGO. How I wish I cud do the same in chess as well. Your mom loves you bro.

Dhruv Jain : Hey Darshil, aapke saath 3 saal khelke infi maza aayi hai, as well as kaafi seekhne bhi mila hai The bughouse night of my freshmen year with you'll remain one of my favourite memories in insti till date <3 Good luck for your future, IITB Chess will miss its palofpals :)

Tanya Gupta : Unsurprisingly, your crazy dps are the first thing that come to my mind when I think about you :P Manpro group project ka almost kachra hone se bachna, hanging out at ccd and you helping me figure out how I can still do my minor are some memories of us that I remember off the top of my head. You are a great guy and great friend and am really sad we couldn't go to khao galli before the lockdown☹ Looking forward to catching up before you go to CMU and all the best for the road ahead you!

R Sucheta : My first impression of you: Yeh banda hamesha high kyu rehta hai? XDD Its weird how Aditya introduced us with his crazy texts XD And then those sarva ke classes, and our super-awesome project which could have changed the face of Indian elections. XD But ham bahut lazy hai, kya karein! Fir hamare relationship pe charchas, beer parties, naruro discussions with Akash <3 We make a great trio and you are not getting away without your treat :) Stay the cheerful and sweet person you are!

Mrunmayi Mungekar : Hey DD! It was always so great to see a familiar face at IIT since Day 1! Ours was quite an on and off acquaintance, dating back to RMO Classes, then a surprised reoccurrence during JEE to the same department for Undegrad to BCing to the same dept! Damn Coincidence but a great one! From very first Salsa night to random treats (I am pretty sure you still owe me one!) to constantly mocking each other to me pestering you to try Chicken! You have always been a great friend to chat with and have super fun with! And you are as chilled out as me! Please aise hi rehna hamesha! And to being friends forever!

Shubham Jain : Yo Darshil, It was really great knowing you. You are a person who mostly looks like to be carefree but at the same is meticulous as hell. Your shrieking and your crazy attitude is something to be wary of. You are a great chess player and a better squash player than raj. Also, you will soon be catching on foosball as well!! Wish you luck for your future endeavor, machate raho!!

Rahul Agrawal : Yo. I will always laugh at the way you asked me to "attack your SOP", like I am a hacker trying to hack your website 😂. Jab tu Satyam and dhairya ke room pe aake gaali deta tha, kafi funny hota tha vo 😂. Machine design Ka apna great idea to ab Tesla use karega 😂. I am guessing Teri dream job bay area me hogi, to Tu and aadarsh tapak jaana Kabhi milne 😂. Koi common sport dhund lenge khelne ko 😂. And, Bhai Kabhi agli Baar BnB jaana ho to bata dena kyu le ja raha hai, that 1hr was awkward af after I realized kyu Gaye hai apan 😂. Also, third wheeling ke liye sorry xD. All the best bro! Stay in touch.

Aayushman Mishra : thoda weird hosakta hai ye considering humara roz raat ka boom baam(PUBG), tu mujhe infinite chocolate shakes owe karta hai aur main tujhe kuch owe nahi karta hu ye yaad rakhiyo. first year was so much fun with you! the CS Go mini militia nights, hum usually saath me hi chudte the XD i cant be more thankful for anything that you came back to our wing in the last year, Ill always remember you as the guy who stole my Physical chem grade XD

Vivek Sehgal : Bhai my 2nd and 3rd was amazing and one reason is you. We had amazing conversations when we look back would laugh out loud. You really annoyed me but also taught me how to deal with it, thank you for that. You are indeed a animal lover. Hope you become what you desire. Wish for you health and wellness 😊!!

Vardhil Mehta : Darshil. Apna interaction start hua thi 3rd sem solid mech ki class se, precisely after midsem :P. Solid mech padhate padhate kafi bonding ho gayi apni. Vo Philippines vala kaand yad h tujhe XD. Fir apni dept Goa trip. Joker k liye adhe raste se bhagte hue (literally) gaye the :P. 7th sem me (I guess) tune ek bar bataya tha "Pata h tere bhai ne CS k ek course me top mara h". Sach me bahut khushi hui thi. Fir bhai ne CMU bhi fod diya. Sahi ja rahe ho. Machate rehna bro!

Pranil Jain : Bhai ek time par kitne close ho gae the bey apan. We have had great time together. Bht stud insaan hai tu. Stay same. Kabhi kuch ho toh yaad rakhna. Chal take care

Srajan Kumar Verma : Abe tatti, I'm really gonna miss you playing Nothin else matter :P Tu wing me tha to better lagta tha be, chala gaya bc. We have so many memories but I guess the one we'll chherish the most is obviously our Win! Lets stay in touch boi!

Bidish Ghosh : Dude, do you remember your eager questions on the first day of college? Arpit bechara thak gya tha tere queries handle karke xD kitna swag tha bey pehle se hi tere me; almost made no sense how stupid you were in some other spheres :P Thanks for being an amazing friend, and for the random Sunny plans we made over the last year. Still kinda pissed you didn't share the handcuffs tho :/ Looking forward to meeting up soon :D

Swapnil Agashe : Pseudo Roomie MC! Gokarna trip was lit ♥ I admire your football skills but PUBG skills, not so much :p All the best soon to be Hackerman.
