

KAMBHAMPATI JAYA BHASKAR

Civil Engineering

Yearbook
2020

Jasmine Lokesh K G : Bhaskar da. U never looked left or right before bashing me, esp during lab sessions -_- And I know u jinxed ur freaking white Mach City into making me fall when I rode it! Now, u have watched more SRK movies than me. And it was funny that u expected me to know the word by word meaning of 'Kuch Kuch Hota Hai' :P Delhi se udke matheran jaane aaya tha banda :D U little (not literally) rascal! But sorry for making u watch even KGF in Hindi! That Marine Drive trip (some cunning people effectively ditched us) was the best! First time in my 23 yrs in Mumbai, I actually stepped into the Chowpatty that day! U r the best orator in our class! P.S. How can u believe in everything that people say to u??

Ankur Tiwari : Bhaskar, bhai... You are a living example of 'innocence'. Sitting in convo hall and meeting you was one of the best things that happened to me in IITB. Your quirky personality, little sarcasm u pull of looks very cute... I used to really enjoy studying at ur room in H4 and in making u try things for the first times just to see the smile on that face. 😊 The grand farewell we had for you... was just sweet memories we made and brought everyone even more closer. Our bond shall remain same forever even if we don't talk on regular basis. This is a beginning, wish u all the success in future.

Anjusha K : Hello Mr. AAI.. "Tumbi vaa tumbakkudathin... " 😂😂 "potta voste potu🤔" "Areyy kariyadan.. " "Thu on u". " Wht is this yaar".. I started missing all these once u left insti.. We all shud go to a trip once again and recreate matheran😂 That was the best moments we had together.. All the best dea.. Keep in touch.. 😊
