Pushan Bal : Why do you always wear that Brazil football jersey? You are the person I always look up to, both metaphorically and literally. Always cheerful, I have never seen you angry or even distressed. One of the most positive people I have ever known and the best speaker and ppt maker. Stay in touch. Don't forget me.

Utkarsh Chandra : Shreyans!!!! Bhai tu iss duniya ke sabse pyare insaano me se ek hai. Teri wo notebook kabhi nahi bhulunga XD. Please stay the same person and please please make a social media account and stay in touch.

Mangal Mannat Piyush : Easily the best CR of the entire insti. Easily the best Presenter of the insti. Easily the best ED lab partner of the insti. Anurag Bhaskar : (High Pitched Voice) SHREYANS! Bro not a single moment is dull with you. Zyada hangout kiya nahi kyunki tu ne first-year Utkarsh ki bimaari pakad aur hamesha ghar jaata raha. I really wish everyone has a friend like you in their life.

Bhadri Narayanan R : Bhansali!!!!!! ! Your image in my mind is permanently fixed with your ipad and notebook along with a few hundred doubts. How on earth can anyone have so much energy and enthu about everything in life almost all the time? Your vibes are damn contagious and I know everyone who gets to be around you are very lucky. Have that smile on your face always and be happy :)

Ravi Ranjan : Hi Shreyans! Salute to you! Tere jaise helpful banda kahi nahi dekha hu. Tune sab jagah meri help ki hai. I owe you one. Tu bahot improve hua hai acads and life mein. Aayush Anurag : Jitne embarrassing pics mere tmhare paas hai, utni baar toh tum ghar bhi nhi gye🤔. Orientation Day pe nhi socha tha ki, you'd be an integral part of my insti life. Lecture se saath aane ke liye cycle kabhi nhi repair karai. I've poured my heart out in all discussions with u, be it philosophical, personal, acads & even bitching. You've changed my views on cinema. Acads ke liye, I never Thanked u enough (Matlab tune kyunhi ki itni help, Just pure heart of gold💛). I'll miss ur reactions/commentary on Profs, absurd doubts & ur views on Tuts(we'd go hunting to understand solns) & your Quotes. Cricket mein toh we are at par but hopeful to beat u in TT 1 day. Iss baar toh ghar bina bata ke aa rha

Mahajan Devavrat Shailesh : Among the uniform personalities of everyone else that I met in IIT, yours really stood out the most. You were the glue holding the meta family together, bhale hi ab admin position se hata diya ho. Your metaphors, analogies and similes in life have never ceased to amaze me. Every time I give a presentation, I wonder how can I relate this to the hero-villain analogy. I know that it always gets the audience. Mundane meta ki classes me kafi khushi layi hai tumne! Lets hope we stay in touch, you are too good to forget

Ahsan Aslam : Yo Shreyans bro..you are the most cheerful,genuinely funny guy I have met here.You light up the place with your enthusiasm.Seeing you is a breath of fresh air.All I had to say was hi and you just kept on giving me high fives since then.And boy! they were high and like a hammer.Even with the highest alert,I find it difficult to dodge,but I feel the pain was worth it.You are caring ,extremely friendly and pretty smart in looks and talk.The world needs more people like you.Also it wouldn't hurt to be a little more active in social media.Anyways I'll be keeping in touch.All the best on your future endeavours and hope I can be helpful in some of the decision making.

Ashutosh Kumar : "Neem ka pata kadwa hai, Aashutosh", Shreyans Thank you for everything, tumne kaafi kuch sikhaya, mushkil time mein bhi khush kaise ho bataya. Tumse kaafi khulke kaafi saari chize share ki hai aur tum sab samjhate bhi the aur hamesha kya sahi hai batate aaye bhi. Sorry mein hamesha availabe nhi rehta tha tumhare doubts ke liye par I loved that time with you, 5 min aur last doubt bolke aate aur phir pura course saath padhlete. And the way tum puri sem gaali dete mujhe and phir exam aane pe 😊. Ab de sakte saari gaaliyan mujhe. Stay in touch, aise hi baatein karte raho aur logo ki help karte raho. Everyone is proud to have a friend like you ❤️

Patel Harsh : Bhansaliiiii!! You are probably the first friend I have made in the insti! <3 Remember vo din jab me SOM ke saane apne parents ko bye keh raha tha and tu ghar jaa raha tha? Kaafi down to earth insaan h be tu. Tera placement me chadde me ghumna yaad rahega XD. Really that shows ke log kya sochenge usse fark nhi padna chahiye, which is a good thing. Final year me as a CR bhi kaafi machaya tu. kaafi help bhi kari. Navratri holidays ke liye Thanks! Kabhi kuchh idhar udhar bol diya to really sorry!

Siddharth Mehta : It has been quite difficult for me to tolerate your incessant badgering and optimism for over three years. I sincerely think you need to undergo some therapy, and that says something coming from me. You've pretty much been my sole tether to the department, be it from sharing notes and teaching me to informing me of people in our own department. Thanks for putting up with all of my bullshit. You're amazing and resourceful so don't worry much about the future. Keep rocking.

Amarjeet Kumar : Bhai yaaar tu na hota to literally pta nhi kya hota mera...Last kuchh months ke liye tahe dil se shukriya. Bhai maja aata hai tere sath hamesha kafi kuchh sikha mai teri wajah se. Cricket me to kya hi bole bina bhansali ke to maja nhi.. Maje kr bhai milte rahenge and all the best bro 🙌
