Arpit Kedia : Bini! Bhai one of the most entertaining characters hai tu insti mein. Teri exaggerated stories sunn ne ka wait karte rehta tha main xD. Tu ne cricket mein machaya, par humko kabhi nahi samjha ki research aur AUV mein tujhe kaise chance mila xD. Always smiling and party ke liye ever-ready. Tera lingo ka asar mere pe bhi 'bahuut zyada' pada xD. Main Lakade ko humesha kehta tha ki Bini consultant nahi bana toh koi nahi ban sakta, kyuki tere jaise jugaadu aur street-smart (these are very different adjectives from what I wanted to use, but ye public post hai) bande nahi rehte. Jaisa hai, mast hai, change mat hona. Keep smiling, bas apne daant thode andar rakhna xD

Sourabh Surage : Bro, thanks for always coming to pick me up in just one call (you know when).. it was really great time, 2 years being roommates, I loved annoying you when you were tired af after AUV, cricket, and what not.. Always underestimating your self when you are that level machau that you always socred higher than the ones who actually taught you the whole course one night before exam.. The first thing in mind comes is your signature word LAU#A.. whole wing would know that this is the first word that is going to come if we talk to you... and the best part, it comes with a lot of variations (depending on the situation) a lot of things I want to say (our discussions, you sleeping) but sasuri word limit

Mahale Chaitanya Rahul : Bini Lau!! *headbang*.Treats me nahi hua to kya hua, bhand halat me mene bohot maje liye hai wing ke :P Bhai tere jaisa go-getter attitude nahi dekha kahi, aise hi machate hai har field me. Proud feel karta hu be tuze wingie bulane me. Wing me jyada reh nahi paya but I'm glad I could help you all during placements. Teggi random fekunga, but apan saath ho to jeetenge hi :P. Jab bhi Mumbai aaun milte rahenge aur late night food hunting pe jate rahenge <3, aur tab to bike chupani bhi nahi padegi broo XD

Ananay Garg : Bini bro. First year mein jab tu tatti ka excuse dekar mujhe bees min rukaya na - tabhi samajh aa gaya tha ki yeh ladka kamina hai. Phir bahut disagreements hue. But with time, tera emo side dekha. Life ne tujhe toda. To see you turn thing around for yourself. You changed in how you looked at things. Gained respect for you brother. Bhai hai yaar tu. Kaafi bakchodi wali memories, right from the first year to the last, yaad aayengi, bro. 74% chance hai ki part kam nahi karega bro :)

Anant Taraniya : Bhai foreign interns ke liye sachme tune hi inspire kia tha! We hardly agreed on anything except making the team achieve great heights. A true sportsman off the field as well. Agli bear milenge to "naachenge gayenge" aur random seniors ko call karenge. Aur 26%(nene would get this) chances hai ki part fail ho jaega ;p

Slip toh hamesha jaroori thi teri bowling pe. Cricket ke sath AUV bhi machaya tune. Cricket ki aftermatch talks toh hamesha hi yaad ayegi. Last GC ka dukh toh tujhe aur mujhe abhi bhi hai. Aur haa, ek last aavhan milna chahiye tha. Baki machate raho life me hamesha

Sudarsanan Rajasekaran : Yo Bini. First time tereko Kunal ke pizza treat meni jaan paya tha. Initially tu kafi cool, confident, fun loving person lagta tha but when I got to know you well pata chala andhar se tu kaafi honest and sachha insaan hai. You are really an all rounder jismein bhi jata hai machake aata hai be it tech, sports, management. Thanks man for always supporting me.. Infi galtiyan karne ke baad bhi you were always there to support me. From being our swimmer for our summer testing to being team leader it was really a nice journey. Kafi kuch seekhne mila tujhse from making tough decisions to interacting with people you helped me a lot. All the best bro aage bhi machate rahna.

Sanjoli Narang : Yo Bini ! It took me three years to know and understand you. First year me aapse dar lagta tha (AUV interviews). Second year me aap kafi cool lage, a guy who is so good at managing stuff. Third year me aapki soft and considerate side bhi dekh li as a team leader. The way you handle problems and nasty situations always inspires me to view life from a more positive side, and appreciating the good-comings rather than the pitfalls. Aise hi machate rehna. All the best!!!

Yash Lakade : The inventor of 'la*da lassa' (just one of your many exaggerated stories)😂 I think we both know IH k waqt apne kya perception the ek dusre k, but I'm glad apan insti aake itne ache dost ban gye. Bahut maze kiye 4 saal mein, be it labs, classes, exams k pehle magna, dinner outings and especially last one. Placement prep k waqt toh alag hi experience tha, I hope I was of some help. Kuch nhi chhoda bhai ne, acads, tech team, sports and foreign intern, woh bhi 3, har jagah machaya. Aise hi machate reh aur stories sunnane milna jaldi

Vyankatesh Hemantrao Sawalapurkar : Yo Bini!! Ye 3 years ki kaafi unforgettable memories hai like, AUV Interview, first testing on swimming pool, MS Dhoni part (Pta nhi from where you get this name :XD) se lekar NIOT and Robosub tak. Kafi enjoy kiya aapke sath.. Aapne jab bhi muze need thi meri help ki.. meri kafi bato ko criticised bhi kiya but usse hi sikhne ko mila.. Aapki exaggerated stories ko miss karege :-). Best of luck for future endeavors!!!

Nakul Rajesh Randad : Aapne liya hua interview kabhi nahi bhul sakta. Tech-Sports-Management har jagah machhate ho. Aapki gaaliyo ki lab me misaale di jaaegi. Btw last cricket match aap hamse haar gae the (just in case you forgot😁). Anyways all the best for ur future endeavours.

Shaunak Vijaykumar Natarajan : Life mein shayad kisiko sledge karne mein utna maza nahi aya jitna aapko karne mein aya. Seriously though I'm glad ki team mein koi tha jo mujhe thoda apne type laga (this is a compliment xD). All the best aage ke liye :3

Akshat Raj Lad : Yearbook Note - "...please refrain from using offensive or derogatory language. Also..." le Bini - "***** #@#@# ***** #@#@#@#" XD XD XD Just to have it written somewhere, aapne ek baar din-bhar kaam karake give-up karaya tha (freshmen year), and then treat bhi nahi di thi! So wo treat abhi bhi pending hai :-P. Rest to the journey has been super fun :D . All the best Bini! Machate raho...

Mohan Abhyas Vabilisetti : Yo binny(mere mobile mei aise hi feed kiya huun)! Aap tech, sports, management theeno mei macha dethe ho but aapne sophies ke saath haraya hai :(. Aapko dekhke chill rehna sikha huun during necessary situations. Car chalathe samai baaki logon ka life ke baare mei bhi dhyan rakhna :). All the best for your future life

Advait Padaval : So my interview for AUV was going on and the technical round gets over and in comes YOU! That round will always stay with me :p. You were indeed the captain cool for us all as always staying chill in every situation. Backchodi se leke critical advice tak, I got all from you. Our biggest flex is always gonna be winning that last cricket match against u although i always had this hunch that u let us win! :p
