Himanshu Bishwash : Thanks for tolerating my stupid obsessions and still being calm. It's not easy to have me as a roommate and I know that. Thanks for being supportive all the time.

Rahul Sinha : From convincing me not to leave IIT to giving me useless suggestion about courses, we manage to remove walls between 339 and 343. Had your own stupid reasons to explain all your useless expenses. Will never forget how you are on the verge of dying during trekking. Lots of funny conversation with you and will advice you to visit gym regularly because you need that badly. Milte h bangalore m, tbtk " Door knob mt pighlana".

Shivam Sharma : Multi vitamins and protein pe zinda rehne wala. Marathiyo ka naam dubane wala. That's you. Those masti wale conversation , in Mess. Tera POR responsibility pe question karke, tere maje lena. But deep inside, we all know, you care and helped each one of us, in department. I still remember, how tensed I was during placements, but tu hmsa sab clear kar deta tha. That whiteboard, had names and profile of each one of us, with resume , so that you shortlist companies and always kept motivating us. Mera Mattress, tune and Dileep ne hi use kiya hai pure semester. 🤔. Salary aate hi interest ke saath Taj hotel types mattress bhij va dena. Teri GPL aache se nahi bann payi, I still remember, jaise

Saket Milind Kothalkar : Most enthusiastic person of aero.. deprt ka koi bhi programme ho, sabse jyada enthu me sahta hai hamara chandure.. Cluster partner in IPT.. pahle 5 din shanti se room pe baithne wala aur day 6 ko first interview me select hone wala ladka.. most helpful and joyful person.. heath conscious person.. ek hi zindagi hai usme bhi sala meetha nhi khana,oily nhi khana ye nakhare band kar aur sab khate ja mere jaise 😊 Best of luck for future endeavours partner !
