**Ritika Agrawal :** Yo Arnav!! All rounder of the council, instrument, gym, acads sab mein machane vale, sare profs ke baare mein janne vale, aur (as you like to say) bachpan ki cuteness contest ke vijeta 😂 Bas trips pe aate toh aur bhi maza aata, fir photos bhi jada hoti thodi 😊 You are the senior whom I have never seen doing faaltu TP, kuch na kuch naya karte hi rehte the aap, stay like this always and be in touch!! PS: DP and nickname are 🔥

**Praveen Saran :** Placements, MBA, MS, UPSC sbki prep. ek sath karne wala insan. Thoda chill krle bhai life mai. Really miss those intellectual conversations we used to have :))

**Veerupaksh Singla :** Same coaching, same college. We don't talk much but I have great respect for you. Tu aur Himanshu kandhe pe latka ke leke gaye the us din 😂. Sorry for when I criticized you for your love of Linkin Park, ab to mujhe bhi pasand hai. Stay in touch 🙌

**Rishabh Agrawal :** Firstly, let me make this clear, My intro was more interesting than your jokes ever will be 😊. I was wondering how will I remember you. Ex-wingie jo resume, interviews ya koi bhi issue mei hmesha help kar dete the ya Council ka godfather (as you always say 😊) jo infii motivation dete the ya phir jo Padhai, UPSC, CAT, Placement, PORs, Gym sab ek saath handle karne vale machau senior the. Phir socha goli maaro, aapke aise yaad rakhunga - " Vo banda jo apni friend ko girlfriend banake stories sunata tha 😂 aur jiske account se kabhi bhi H2 canteen se khaa skte the 🤪" P.S - Your room will always be a mystery whether it was a library, party spot, or a simple room. Noone (I) will miss you 😊.

**Saman Siddiqui :** Arnav, Starting with Baddi where you turned up to see if a bunch of people needed anything to multiple times in Insti where you have been there for me, you're just such an amazing guy <3 The openness with which you've offered to help is just always amazing!! I hope we always stay in touch, you're just such a great person!! So much love <3

**Naman Goyal :** I don't remember sitting beside anyone on that 1st row seat of the lecture for last 3 yrs. All the insider info you brought to me and making compete advantage of your CR position to postpone or cancel a class will be remembered. I hope our dreams come true one day and dare not forget me after you become so successful. Trump oss saal bhi jaat jayega to apna entertainment hota rahega kyuki trevor would remain our favourite forever. I know tune kabhi treat nhi di but ab Chandigarh leke chal hi le. All the best mate, aise hi machaate rehna.

**Abhay Tomar :** I was writing this yesterday when something came up, and it started like this: aur kitna bhav khayega ab to meri YB pe post karde (cant say this now but let me anyways 😊). I can totally hear u say "Are sunn naaaa!" in your own ways of saying things 🤔. Like every other things we have told each other since the 1st year this is also gonna be one. Yea since first year you have been one of the closest friends I have, stuff about your ex, stuff about your crushes, stuff that you have only told me about, and what not. Log kuch bhi bolein 😂 but tbh I never got sick of your talks in fact most times i found them interesting. Second year council me apna to alag hi level mach raha tha 😎. Jab tu kisi prof se jake baat karta tha, the way you convince them was an entertainment in itself 😂. But jo bhi ho, like you already said, these 4 years had been really fun with you and ofc agar abhi bhi koi problem aayegi ek doosre ko to ping karenge hi :) .

**Samardeep Sarna :** Bahut maze kiye hai saari restaurant aur movie trips me! Abhi bhi yaad hai zara si stree movie me fatt gayi thi teri XD Last 1 year itna nahi hua :( Bahut machaya hai sir aapne. Bada neta ya cfo banke bhul matt jana humei...

**Mayank Sultania :** Full on sorted adami, with multiple future plans at once. Planning ke tere toh kya hi kehne, class ko acha sambhala tune. But tu kafi classes mein khud hi sota rehta tha! Kafi talented hai bhai tu, bass aise hi mehnat kar, kuch bara karega!!

**Puneet Kaur :** Heyy! S2 ka CR and someone who almost always sat in the first row listening to the prof 🙏📖 Will always remember the rajma chawal that you made on your own! (Kaise kar lete ho yeh sab 😊) Thanks for your effort to get Bellare for S2 xD Really appreciate your interest in a whole variety of topics. Kaafi enthu and systematic hai tu. Love how I can share those cute doggo moments with you 😊 I wish you all the very best ♥ hopefully we'll keep meeting at the Chandigarh airport xD

**Nakul D Gbate :** Arnav!! bhai bahot pyaara banda hai. Tere se baat karke bada mazaa aata hai. Har baar tu kuch na kuch nayi cheez bataaega. Kabhi roomie ki bakchodi, kabhi bandi ka rona, kabhi placement, kabhi council, kabhi IAS fir kabhi IIM. Kabhi bhi apni baat hui (mostly canteen ke baahar) hamesha lambi chali hai jab tak koi teesra na bulaa le side se :p Bas jo bhi kare aage se hamesha contacts me rakhna and remember I will always be there for you for no reason whatever. And yeah I know we had a drinks on me. Poori wing ke sath hi krenge :)

**Ashi Gupta :** Hi Arnav, I admire your reading habit a lot! Pseudo CR of class xD. I think we came to know each other in 4th sem, from then I have never seen you sitting idle, always reading one thing or other. Believe me you are very talented, what does not interest you!.....politics, finance, history, maths except chemE..... just stay on one thing and you'll achieve it like no other. Stay in touch and keep suggesting me good books to read, non-fiction this time :)

**Utkarsh Chandra :** Mere wifi ka password bhi 'arnavdewani' hai iss baat ka proof hai ki tera meri( aur baaki wing ki) life pe kitna effect tha 😂. Your ability to just talk and talk and talk and talk on any topic (except the one we all are discussing)is just amazing 😂😂. Sorry for all the pranks and jokes. I had the most amazing year with you and honestly our wing is incomplete without you. Thanks for all the coaching you gave me for CAT and also for an amazing time in Chandigarh. Hope we get to go on another trip. All the best for the future and stay in touch ♥.

**Mohit Agrawal :** I want to say few things 1) you are more like an elder brother than a senior to me 2) Finding a roll baap better than you is not possible in institute 3) Thanks for giving me unexpected treats. Want more in future 4) Thanks for answering my naive and genuine doubts about everything Finally, a big thanks for all your support throughout this journey ♥. Hoping to meet more often in future. And waiting for a big treat after Covid.

**Anurag Bhaskar :** Todha chill bhi kar liya kar life mei. Sab kuch karna hai. I am always awed by your ambitious and hard working attitude and try to learn from them. Duniya jaaye baad mei tu kabhi mat badal XP

**Bhadri Narayanan R :** Arnav! My day in insti would never be complete without pissing you off atleast once a day :p It was always fun to pull your leg (seriously who calls themselves INNOCENT) and you took it cheerfully every time. Starting with being pseudo wingies to wingies to not wingies, we grew. You've constantly been my reliable source of info about for everything in chemical, tysm <3 Hard time to keep track of your million exes from wing intro to your multitude of aspirations that change on a monthly basis, you're full of surprises. I'm sure you'd continue to do the same in the future as well ;)

**Himanshu Goyal :** Bhai! 😊♥️ Kaafi cool, kaafi dope. 🙏 Tu best co hai bro, purra tenure nikal liya hummne kissi terah. 😂😂 H-9 ke common room mai teen logo ki meet se lekr Gullu ke phiche vendor ki ladai, sab yaad rhega. ♥️♥️ Thank you for being there, whether it was some personal issue or tenure mai koi dikkat ya placement ki tension. 😊♥️ Cheers to an amazing tenure! 😊 Cheers to "THE GODFATHERS of ChEA Council"! ♥️♥️♥️

**Yash Samriya :** Arnav Dewan (aka moti naak!), same department & now same workplace! Definitely one of the most morally driven people I have met. The past three years have only strengthened our friendship! That after midterm party when the "Fantastic Four" were sitting in Starbucks at the International Airport from 10pm to 6am in the morning, then catching a train to have breakfast at Mervan's! I recollect the placement time, where miraculously we got placed in the only common company we were shortlisted! Obviously not to forget every Friday lunch at Gullu! This is my last yearbook post & although there is a hint of finality in these posts, I hope our story has yet not finished. See you in Mumbai soon!

**Manan Agarwal :** Dewan sahab! Yess the Diwali holidays were on our agenda every odd sem (apart from Baba bashing, of course)! Thank you for being such a nice person to work with in the Labs, they'd have been so much more difficult to survive without you. Our enriching discussions on wide-ranging topics are something I will always remember besides your regular cribbing on Gym and stuff! And yup, those trips were wayy too hilarious... Wishing you loads of success in all that's ahead (incl. the 'royal' stuff that's always on your mind)!

**Arush Gupta :** Dude Shawarma khaane chalna hai. Yaar tu kitna altruistic hai. I wish I could do that. Your dreams are just amazing and you've got all my support whenever you need it whilst pursuing them; just a call away, man. Please discuss more of those with me jab bhi you get time. Do really wish we couldve met earlier and worked together on issues man :) Chal koina. Let's see if we can, in the future,

**Arjav Shah :** NPD, Kya bolu yaar aapko!? At one end, there's so much to say & at the other, kuch nahi hai - Roz itna pareshaan karte the/ho! Aise hi karte rehna, please - I miss you so much! Thank you so much for ALWAYS being there (even at times when I didn't want xD)!! I am totally blank when I imagine my insti life w/o you. We have literally done it all! Kitna melodrama jhela hai! Will very fondly miss those 1000+ (easily!) outings, ChEA, Gullu, anytime chai, H12, especially - Utopia & Surat trips!! Sbx on March 10 '20 was the best of all, you know! xD Sab kuch kar lena - MBA, UPSC, consult! 1+1 is on & US aate rehna, please! Loads & Loads of Love! Tamara, Baba PS: Kabhi bhulna mat, aur ruthna bhi ;)

**Abhinav Kumar :** Hello Mohit ke Papa. Kaise hain? Well, I can't describe apni bakchodi and aapka gyaan in 700 words. Don't remember kab mile the first, but jabse mile hain, meri life hi kharaab ho gayi hai :p. Department meets, apne EXCLUDING member ko gariyaana, H-2 canteen treats, insti IBs bekaar hain waali talks.....hahaha. Your constant emotional support and boosting helped me a lot. Remember, wo bus driver ke saath ladayi, and trip par 1 banda missing waala kaand..... Aap ke saath trip par nhi gaya (kyoki aap nhi jaate the); thanks for all those STARBUCKS ki treat. But aapki infi bandiyon ki stories sunna baaki hai. I hope we will be in contact throughout life. Miss me please

**Bidish Ghosh :** Bro can't stress kitna ego clash hota tha tere saath first year Labs me because we were in the same group xD I had no idea how much we'd both change since then. Thoda zyada feku hua karta tha tab, but with good reason - you actually did pull shit off. Apne gym sessions were really cool, and ELIT was extra fun with both of us in it xD Really wanna attend a (Punjabi) wedding with you taaki ek crazy drunk story apni bhi ho xD I never knew you were a Linkin Park fan but; apni bonding kaafi pehle ho jaati fir. Thanks for helping me out more times than I can count :D Let's meet up soon once shit goes back to normal
