Modani Abhishek Sureshchandra : Bam Bhole!! Iss ekk vakya me iss insaan ka sara saar bhara hua hai. This beautiful journey of friendship started with, "Sutta marega kya ?". If any one of us had any crazy idea, the other one was always ready to jump into it (at least try toh karte the). Let it be impromptu lonavala trips or diving into narmada or going to rajodi beach on bike to learn surfing (just inquiry karke aagae LOL). You have always been to one to whom I went in my lows kyuki tujhe dekh ke yakeen hojata tha ki apne jaise beep aur ekk hai..Cheers to our friendship..It all started in IITB but will not end here. All the best for the future and always be happy. Pranam ;)

All d best for ur future bhai 🙌📅 Stay blessed 😊

Pushkar Chaudhari : The first day I entered the room, I saw a military styled speaker and a guitar lying around and I knew - ye roommate bahot shaukin hai :D. Had some crazy memories from H1. Rat entering was not enough, when a bull entered in the room and couldn't figure out how to take a U-turn and get out. You are a very lively person mate. Everyone in H1 learnt using the skateboard because of you. The lighting all over the walls during Diwali was awesome. Going to miss those days.
