Adhishree Apte : You were the outspoken person who spoke your mind. You were keen on our learning and very approachable and responsible. Wish you health and well being. Bye

Bhishma Dedhia : Taraniya bhaiya god hai_/_ Freshie year mein mile the tab baat karke aise laga ki ek hi aadmi itna savage kaise ho sakta hai? But jitna tu savage hai utna hi dil ka acha hai. Hostel mein bakchodhi karte and arbit baatein karte karte pata nahi kaise 4 saal nikal gaye. Our daily morning squash plans never took off, did they? Sorry about that :(Never let that research enthu die! Milte rehna sir and stay in touch <3

Pujan Biswas : Mr. Research, Damnn dude, itna bada impact kaise laa diya humne :P Waise, I really really appreciate your puns on insta, bas thoda centre ho jao politics mai :P Aur rahi baat EN ki, woh toh tumse hi seekh lete, proxy ka due jo hai, haha. College ka toh mat socho, aap jaahaan bhi jaaoge machaoge aur hum aapke saath humesha se rahenge. Your insta bud, Bisso

Kale Ninad Naresh : Bro.. kafi sorted hai bro tu. itni clarity kaise hai is bande me ye sochte sochte 4 saal nikal gaye. tune aek baar poem sunayi thi mujhe. Bro us din chamka tha ki complete package hai tu. Himalaya trip me mostly saari planning teri thi hardly kuch dekhna pada tha hame. And kafi maja aaya tha bro us trip me. Tera composed attitude kafi awesome lagta hai mujhe and it was really fun being around u. Machate rehna hamesha. Will miss u buddy

Sudarsanan Rajasekaran : Yo Anant.. Tera tech and research mein enthu dekhkar kafi motivation milta hai.. You always had a practicality in your views.. Always enjoyed your jokes and witty remarks. Bro Himalaya wala trip was really awesome.. going to miss those days. Aage bhi aise trips karte hain.. All the best man.. aage bhi machate rahna.. Insta pe pics daalte rahna :)).

Athul Arun Nambolan : Yo buddy ! I don't know whether we talked after the Nuclear course but anyways, you were really an awesome junior at AUV. Those night-outs where you helped me in making those long-pending kill switches at team, really kept my spirit. Hoping ki your fluids enthu is even higher now. All the best yar !

Ananay Garg : I know you nahi pass out ho raha - lekin sun le na bsdk. acchi hi cheezein bol rahe hain. From day 1 at AUV apni bonding ek number. MI wale din bhi waise hi thi. Aaj bhi waise hi hai. Waise woh MI wala zyada hi wild ho gaya tha, hai na? Apne gayness ka level hi kuch aur tha, yeh log kabhi nahi samjh payenge. Bro, your opinion always mattered whenever i had to take a decision. Tu instanly samjh jata tha ki main kya kehna chahta hoon. *wink* *wink*. Kaafi simple and pure soul hai bro tu. Thanks for making AUV special for me brother. It wouldn't be the same without you. Lodu, mil liyo yaar. ly. tata, for now.

Vipul Ramtekkar : AUV mein infinite mazee kiye hai and discussion too! Pura energy dept ke saath library ke samne ki charcha ho gayi thi. Lets hope ki aage bhi milte rahe!

Yash Shrivardhankar : Taraniya sahab! Sale bakchodi se technical kab jump maari pata bhi nahi chala! Tu aur Indu might be the most technical pairing insti have ever seen. It was good knowing you since freshie year. Kaash hostel same hote bhai, taaki aur bakchodi kar paate. Tune macha toh bahut liya bhai! Aage bhi aise hi macha diyo! Stay in touch and All the best!

Akshat Raj Lad : Tussi jaa rahe ho!? Tussi na jao! Oh wait, tussi nahi jaa rahe ho...XD

Aayush Anurag : Taraniya Bro, tumhare kaaran Sydney kaafi awesome experience tha <3. Tumhare aane ke pehle, Lakshya ke saath bohot BT tha, bacha liya XD. Tu nhi hota toh costs count hi karte reh jaate hum dono. Woh train rides, tumhare humorous comments about places and australian way of life (Grass & Stroller wale comments🤔) zindagi ka pehla Pub Crawl, shark spotting aur tera saare place explore karne ka enthu♥. Future plans jo discuss kiye the, aaj alag hi direction nikal liye😊. Phir kabhi tumhare haanth ka lazawaab khaana khaane nhi mila, bas iska regret hai. Pehla energetic, anant foreign trip hamesha yaad rakhega ye Pandey.
