Aditya Dev : Dude, a whole floor sailed thru core courses because of your help sessions and your notes :P I'm glad our batch had someone as selfless and caring as you. Probably the only infi maggu in insti that helps out others. All of this aside, working with you and competing against you in tech/coding has always been fun. Can never forget our ITSP wala summer and our trip to south Bombay on a rainy af day. How did you even find time to join us on AoE, polytopia, etc XD. Had fun teaming up with you. Could have reduced that siege onager production though :P Also, had so much fun wakin up early and going to merwan with y'all for chai and mawa cakeess. P.S. har cheez me machane ka zaruri nhi hota ;D

Apoorv Srivastava : Sir. sbse phle to thanks for all the notes, tere bharose class chhod deta tha mai. Itna discipline aur work life balance thoda mujhe bhi sikha do. Exact discussions to nhi yaad mujhe pr itna yaad ki jo bhi the ache the. Infi machaya hai tmne, aur aage bhi machana, bs bhul mt jana. :D

Aditya Raj : The most disciplined person that I know of. Most of the times inspiring, sometimes irritating XD. The biggest maggu of Civil, atleast in our hostel(no offence to Sehgal XD). Your eating habits bro, how did you came up with that(well perhaps the first line that I wrote explains that). The moments we spend together, be it squash games or the fitness sessions(I couldn't keep up with you man, your dedication was on whole another level) are one of the memories of my campus life. It was nice knowing bro. Wish you all the best and I am sure you will do great in life. Btw I am very happy with your squash improvement, a teacher is truly successful when his student surpass him haha.

Hardik Murarka : SHUBHAM !!! Most disciplined , hard working and honest person. Yaar you are always ready to help and never looses your calmness.I really think sometimes that how I can write ITSP on my resume 🤔 when I did nothing (Dev bhi agree karega) and phir interview se phele aake tujhse saari chize samjhana. Thanks yaar mujhe pure ITSP tolerate karne ke liye and GOT aaram se complete karne dene ke liye. Haan ek baar yeh sab normal ho jaane de then we will definitely go for a trip.

Bhai tu kafi hardworking and dedicated banda hai, tu life me bahut machayega. Stay in touch. All the best♥

Animesh Singh : Phantom Leader of the team... Though never official you were just like the leader. Your dedication and motivation towards the team was astounding. And the way you balanced your academic live along with the work of the team is superb. Though it is a little sad that we didn't get a change to represent our team in AUVSI, I think the three years I spend with you and the team were very memorable. Ab job mein jake machana. All the best and have fun...

Jatin Chandawat : Shubam bhai I honestly thought of you as nerd up until 4th year but no you are actually a dude. Wo Rishab k room discussion s leke mess wale discussions tak I've seen a lot. Baki bro tere notes vagarha bhi padhe kai uske liye thanks or haa wo jo POR wala jo tu bola m to fir bhi comparatively bahut kam marketing karta tha. Baki cheers Good luck for future :)

Vivek Sehgal : Bro you have been such a inspiring person. I have learnt a lot from u and you were always eager to help anyone. We have spent amazing time with amazing conversation that I will always miss. Hope you continue your excellence ♥...

Ramkrishna Lanjewar : I remember the first day I met you and thought.. kya maggu h yr itna pdke kya hi krega but later realised it is also important to fetch you a job 😊... Bhai tere jitna stamina shayad hi civil me kisike pass ho..hockey me kisi bande ko tujhe se acha mark krte nhi dekha opponent bhi sochega kis ghode ko piche laga diya yaar 😊... Tera mess co ke tenure me jo dedication tha vo life me rkhna xD..koi kuch bhi bole or tune machaya tha tenure 🔥..all the best for making millions..billions ahead 😊

Luv Nainwal : Jain Sir, kitna sab kiya yaar insti life me. A silent hero with so many achievements. People are finding goals & options in life and you are changing goals just like changing clothes. I have always thought that Civil didn't deserve you but having done so many things is a blessing and you know it. I remember you teaching me EE101 and tujhse padha hu har course machaya hai xD Infact, poora 10 th floor ka uddhar kiya hai aapne. Sorry, for all the puns i've made on you. But you will always be the most Disciplined Guy i've ever come across. Your notes will survive even after 20/30 years. I'll always remember *this* post coz 10 years down the line aapka appointment lene ke liye use karunga isse.

Vatsal Khetan : Bhai if it weren't for you S2 batch ki lag gayi hoti. Thanks for being so approachable, exam ke pichle din 10 baar call karta tha tuje- and you still responded. Thanks for being so helpful. I wish you all the best in life and hope we don't lost touch

Swapnil Agashe : Yo bhai! Itna kaise mag sakta hai koi XD. IEOR first course yaad rahega hamesha, thanks for helping out. Uske baad toh tune saath chod diya hamara :p. Mujhe Abhi tak tera bas sabji khane wala reason sahi se samajh nahi aaya :p. Bhai AOE itna lamba chalta hai(same with Catan) isiliye mujhe thodi bt hoti thi and kabhi kabhi genuine dusre kaam bhi hote the. In my defence, tujhe kabhi CSGO nahi khelna hota tha. But looking back, I wish ki maine jyada AOE and Squash khela hota tere saath. All the best for future, Bhul mat jaana XD.

Ravi Jain : Shubham bhai, pabs hamesha chill rehti thi teri wajah se. Tu bhale reading k lie bht BT deta tha pr baad m no bhi usi se milte the. Har baar last m file bhejne ke lie thanks bro. Bas aise hi life m chill rehna aur madad krte rehna. Baki be in touch 😊

Rituparna Samantaray : Hey Shubham! I have lost count of the times I have panic called you and someone should totally hear the two sides of conversation- Me freaking out and you answering me calmly. Need I repeat myself by saying how helpful and understanding you are despite being a topper. Even this yearbook post was an advice for me. That advice actually made me realize how important it is to be diplomatic. I surely will keep that in mind. Stay in touch and keep slaying.

Pranay Raj : Yo Shubham. Bhai tu bahut zyada chill banda h and this is what inspires me the most about you. Tujhe kabhi kisi cheez ko leke zyada tension lete hue nhi dekha. Aur exceptionally talented toh tu hai hi bhai (Sports se leke acads tak har jagah machata h). Tu thoda talent saare insti ko bhi baant de toh shayad tere takkar ka nhi rhega koi. Bahut kuch seekha h maine tere se. And keep recommending good anime to me. Probability bhi saath me complete krna reh gya aur trip bhi reh gyi. Probability toh nhi but trip pe chalte h kabhi apan. And about the novel, I am also waiting for my first one. But when I complete it, you will get the first copy. Cheers and have a great journey ahead.

Desai Darshil : Shubham bhai! Playing squash with you was super fun and I look forward to the games yet to come. You're one of the most hard working, intelligent and productive people I know, and I am sure you'll excel in whatever you take up in life. I wish you all the best for all your future endeavours and until next time :)

Bidish Ghosh : Bro tu literally chupa rustam nikla; first year me you stayed low aur fir second year se literally har feld me excel kiya! Your sincerity and discipline are remarkable, but H5 warden ko quote karke thoda sad kar diya mereko tune :P Wishing you all the best for life ahead! :D

Mohit Deshpande : Jis tarah tune warden sir ko poore saal handle kiya uski toh shabashi dena banti hai. More than it speaks a ton about how well you can handle people. Honestly, I haven't exactly reciprocated your efforts for starting conversations, but it was fun working in the council. You definitely set the bar very high for all the future Mess Cos. Baaki acads pe toh me kuch bolta ni but apke kisse sunne hai usme bhi. Aage bhi machate raho aise hi, All the best for the future !

Ramavath Rajkumar : Hey Shubham! Good things about you is always admiring others work & also always exploring different things (you forcefully dragged me into this). Do you remember one day you forcefully took me into juniors band competition and I started liking once the girls started performing? the freedom wall? the international custom day in convo? hockey match? talking about things after class? food taste in sac? Had great time talking to you. PS: We'll sure have a treat once all this pandemic goes.

Vinod Mewa : Dear Shubham, ab tere kya aur kitna likhu...tu bohot sahi and chill banda hai yaar <3 Insti me sab chahte hain ki usko tere jaisa roomie mile 😊 and I was luckiest one to have you as my roommate ☺ pata nhi humne kaise ek saath me last ke 4 saal hanste-hanste nikaal diye, even final year me bhi mere dimaak me yahi rahta tha ki shubham is my roomie and kabhi kabhi me tere room ko apna room samjh ke tere room tak aa jata tha and phir yaad aata tha ki abhi apna room alag hai :(Agar tu nhi hota toh pata nhi abhi tak kitne courses bache hote, all I want to say that thank you so much sab courses me pass karwane ke lie :) :) Bas kabhi bhul mat jana, yaad karte rahna!
