Syed Zakiuddin : Marmik! Mundra boy! the Critical thinker. Bhai ke paas har topics ke short notes milenge but use padhne ke liye aap ko lens ki zaroorat padegi. You teaching us courses and clearing doubts. Man Marmik and vipul have so much in common w.r.t us wingies. Tumlogo ka BC marke Chemical ana humare liye aashirwaad tha Bhai. First year ki toh puri padhai tumhare hi room pe hui hai. you are a cute and gentle man. But dusro ki baat tumse achha koi nahi pakadta. Love you! take care!

Akshay Bhamare : Yo Marmix!! Aise to tujhe first year se jaanta hu lekin team me aake achhe dost bane. Bahut smart hain tu, straight forward, reasonable, chilled out banda. Team meets me mast discussions hote the tere sath. Bahut expectations rahe hain tere se life me aur aage bhi rahenge. Be the way you are, bahut machana!!! All the best, stay in touch ♥

Atharva Jaipurkar : Yo marmik! Tera surname kaafi weird laga tha mujhe start me 😊 abhi bhi spelling galat hi saved hai phone me! Insti ke shayad first day hi mile the apan! Fir vipul se milwaya tune! Kafi mazze kiye the start me! Fir tu chemical me bhi agaya(meta me hota toh kya chill hota xD). Tere birthday treat pe kaafi mazze aaye the! Fir CAT ki classes, kya giveup hoti thi bhai, par sath me thodi bearable hogai thi! Kafi helpful hai tu in general, I remember mai h4 aya tha, tere se Maths ka koi course padhne! Aise hi rehna! Insti me milte hai♥ Take care 😊

Rushabh Vora : Yo Marmik! Although apan same hostel and same wing me hi the, we met properly only after we became managers. AZeo tenure was really fun with you, har meet saath me jana, those discussions, treats and last 2 weeks ki mehnat and execution 🤖. You are really hardworking and sensible ♥. Mera optimization pass karvane ke liye thanks 🙏. All those poker nights in last year were 🔥🔥. Hamesha aisa hi rehna and future me bhi bahot machana. Keep in touch.
