Mohanish Verma : Yaar tu bhot sahi banda hai. Bhot jaldi senti hota hai and sabke liye senti hota hai. Hostel council ne bhot shikhaaya tu hmesha saat hota tha. And bhai tera support mil jaaye tho vo haar hi ni shakta. Just be like this, you are one of those humble people always down to earth. Will miss you and stay in touch.

Mohil Patel : Naveen bas ek he baat bata de yaar. Tu Tamil hai na?? Nahi nahi i think tu kannada hai😅😅. Oh sorry yaar me bhul jata hu ki tu malayali hai. 😊 PS: Apni bet yaad hai na google reminder bana rakha hai

Ganesh Chelluboyina : Newton mama! One can't find enough senti when it comes to you. Always bubbling with undying enthu, you're by far the most outgoing guy I met in insti. The unforgettable train journeys from Hyd to insti, getting down at random villages just for fun. D3-T3 tuts, doing solid mech lab together, braving all those courses. We partnered up or were in the same group so many times I've lost track. You always dealt with anything with the classic "Rock cheddama mama", no matter how hopeless the situation, haha! I was looking forward to our last Telca this year, alas, it looks like it is one of many things we've lost forever now. Wherever you will be, I know you'll keep spreading happiness. All the best!♥

Anuj Sethia : Bhai tu itna enthu kaha se lata hai? Thoda bandi ko leke kam socha kar...kyuki terko shayad hi koi milegi. Jab tu Kavya se mile meri taraf se hi bolna usse. Tinder thoda kam chalaya kar. Abhi tak teri telca fest ki biryani due hai. Aur kaam peeya kar...wing mai rengana band karde...Tere baal udne waale hai toh jaldi treatment kara lena..Pata chal jab 5 saal baad milenge tu takla hai...lol Aise hi pagal rehna aur logo ke joke ka source bane rehna

Rohan Potdar : I thought derogatory terms allowed nai the (Derogatory means direspectful, felt a need to explain that word) :P Poore wing mein itni li nai kisiki jitni teri li hai, sach batau toh maza bohot ata tha :P Mere jokes ki uda raha hai toh unko copy kyu karta hai? On a serious note, kaafi light leta h tu cheeze which is commendable. Tinder chalana band karde ab kuch hone nai wala :)

Aman Mishra : Newton boiii! Jai Mahishmati! Kya mast insaan hai yaar tu. Had infi fun with you during all the basky times and then during velo :) Best to apni post-game bakchodiya hoti thi XD. Yaar kya kya karte the XD. Swag to bhai tera kaafi gajab hai, jo tere "yo yo hip hop cap and old school tie" se pata chal hi jaata hai XD. Tujhe dekhte hi dengei nikal jaata hai muh se, tune yehi ek word sikhaya hai ab mai kya karu XD. Infi enthu hai bhai tujhme, always kep it that way. Machate rehna life me. Also, tere andar ki tharak kam karde thodi XD. One on one khelte hai jab next time milenge, though pata to hai hi kon jeetega ;)

Sanchit Jain : Isse zyada bakchod aadmee nee dekha insti me. One of my lifelines in the 4 years. My NSO partner and my support in Basky. Tote and tere saath itne maze kiye hai on and off court kee they are countless. I will always remember you stopping me and saying "Tera toh sab set hai" to me everytime I cross you on the cycle mid road. On a serious note, a very helpful, fun loving, full of life individual who is the definition of the meaning of "MAST". You told some of your secret about your insti girlfriend(s) in the 4th year which is safe with me don't worry. I love your genuineness. I wish you all the best in life. Surely will play a Basky match with you, just tell me kitne score se haarna chahega.

Raj Savla : are naveen sir!! same wing me rehte the, but kabhi interaction nhi hua tha pele. And jab finally saari ice break ho chuki thi election ke bad tab saala time hi nhi mila kch bakchodi karne ka. Apke baal kese gayb hue thats still a mystery. But baal ke sath hasi bhi gayb ho gyi yar apki toh XD

Ahsan Aslam : Newton bro, you are the powerhouse of the Mechanical batch. You are always there to entertain no matter what the event. I don't think anybody has cared more for this batch's unity than you. Always the first to speak and strike a conversation, you are so open and friendly. You are extremely positive and always bring a smile to my face. Never change bro. Rock on!

Hiranyagarbh Narale : Bahot innocent and full of energy hai tu! 🤔 Telugu gaaliya sikhane keliye dhanyavad...abhi bhul gaya hu though. 😊 Mess table waale 'deep discussions' yaad rahenge! 🤔 And ek baat samajh le ek hi chiz ko baar baar batane ko humor nai bolte...eg. Tu Sanit ko Jihadi Jihadi bolta rehta hai...ek baar kaha thik hai, tujhe bura na lage isiliye log has denge but phir se wahi dohra ke hasane ki try karega toh gaaliya hi denge sab...sudhar ja! 😊 Keep sketching! 🤔 And iss baar Kolhapur aayega toh Ghar aajana...mil lenge! 😊 All the best! ❤️

"!! I wish last year bhi apan log Velo continue karte. Team me sabse jyada enthu tumhara hota tha. Meets, recruitments, ppts, proposals sab tmhari lead ke bhina to na ho pata. I think you are the best project manager. Project ke alawa bhi tum kafi helpful and supportive ho. Stay in touch bro and full enthu me machate raho.

Trivedi Karan Paresh : Naveen haggi! Yeh 4 saal me ek dhang ka joke nahi maara tune. You really need to work on your sense of humour. Mess me teri lene me kaafi maza aata tha. Jitni polt machata hai utni padhai kar li hoti 4 saal me toh accha rehta. But you've got a big heart; you are the epitome of being a team-player. You singing 'Jo bhi mai' after returning drunk from a treat was so hilarious! Social media pe stalking avoid kar jitna ho sake, joote kam padenge logon se. Baaki toh milte hai jaldi, bakchodi karenge jam ke... :)

Sumitra Barhat : Mujhe aur gulti(pyaar se bola hai re) junta ko jodne wali kadi hai re tu... Freshie year me kitti baar sablog milke bakchodi kiye hai. And for the record tujhe jyada south Indian films dekhi hai mene..bss naam set max wale pata hai. And konsa kuch bhi kaam me khud se kar lungi jo pehle se inform rahu 😂😂. Tum log ho na batane ko. Lighter wala kissa mast tha Pongal wala. Logo ke photo mat kheencha kar sote hue..video to bilkul nhi😂😂 dahi doodh ke alawa cake tha na khane ko♥
