Vaishnavi Gupta : I don't even remember how I found you in coep but I'm so glad I did....little did we know that it was the start of a long friendship...from juggling BT with coep, finally making it to our dream place together, enjoying freshie year MI together like noobs, to many sunny outings and unexpected confessions :P...to being there to support and listen each other rant during placement season xD..... I have seen you grow, change, struggle with a lot of things but also come out stronger - I hope I was a good support system and also..hope we stay in touch for the years to come and soon have that pending "grand party" we've been talking about since placements :D

Beni Madhav Agrawal : bhai bhai, gonna miss you a lot bro, you are the OG of our wing, :P gonna miss hanging out one last time with you and learn essential skills ;P

Mustafa Ali : Unmesh kasa ahee. Apan to freshie year se hi sath me rahe hai bhai. I guess mujse jayada teri story koi nahi janta hoga(Actual Sunjay Dutt of Insti). Freshie year wala Goa trip best tha apna. Tere sath kuch bhi karo exciting and beyond imagination hi hota hai. Kaafi mast banda hai tu dil ka kaafi saaf hai. Kaafi trips saath me ki hai aur tere funde aur soche ka tarika to alag level hai. Tu wo banda hai to freshie year me BFG ko chup kara ke aa gaya tha XD. Bhai kaafi transition dekha hai tere me through out the insti life and placement sem the to alag hi tha. Bas wahi dedication se age bhi rehna and I hope bas degree time pe mil jaye tuje 🙏. Baki Pune to paas me hi hai milte rahenge ❤️

Abhijeet Aanand : Yo bhai!! I would miss those endless rants and late night discussions in our freshie and sophie year. Well to be honest, I have seen the way you have grown over years. The way you fought your inner battles is commendable. Ab to degree bhi nikaal li finally elec se mukti lol... Stay in touch man!! Best wishes aage ke liye!!

Rushikesh Bankar : Yo raskar bhau Apan pehli baar mechanical workshop ke time mile the. First year pe apan ne goa trip pe bahut maje kiye lekin mashroom ka plan reh gaya 🤔🤔 Uske baad apna contact zyada nahi tha lekin last sem me mess me bahut bakchodi ki hai apan sab logo ne sath me Tune mere ko ghar aane ke liye bahut baar invite kiya lekin ho nahi paya. Ab next time jab pune me rahunga tab zaroor aaunga. Tera btech bala decision ekdum sahi tha 😎👍

Siddhant Jadhav : Yo.... First year me h16 ke mess me mile the aur tere stories sunke bohat maja aaya tha. Fir goa me kya bohat bakchodi ki thi. Second year se hostel alag ho gaya lekin lab me kabhi kabhi milna hota tha. Apna ek mushroom ka plan abhi bhi pending hai 😊. You are so humble and soft to talk to. Yeh dosti hum banaye rakhenge aur hamesha milte rahenge. All the best and stay in touch

Zote Ajit Sanjay : Yo brooo!. First time mile the jab hum log h16 ki taraf wapas jaa rahe the. Us din bohot mazedaar baate batayi tune Tiffin time pe. Fir uske baad me Goa trip pe sathme the waapas aate waqt. Tere aur Sharath ki lap pe soya tha Mai for half an hour bus me xD. Tu bohot soft spoken hai re. Tu puna bulaate Raha but sorry Nahi aa paya Mai. Jab jab mess me milte the ,baat karte the ,Accha Lagta tha. You are the only guy jiski Puri family ko Mai pata Hu / Mai jaanta hu. All the best for your future. Aur dosti to badhegi hi aage, usme koi sawaal hi nahi, Tu puna sahi hai so touch me BHI rahenge hi xD.

Yashvardhan Didwania : Unmesh bhaili, kya journey rahi hai bhai apni. First year me apna Goa trip kafi epic tha yaar, kaafi kuch jaana humne ek dusre ke baare me :P. Tera sochne ka tareeka is very different from others, and i know you have always tried to channel it in positive ways. Tera growth and transformation to sabne hi dekha hai. In 4 saalo me tune jo mental strength develop kiya hai that will be invaluable. Baat krke kaam krwalena koi aapse seekhe :P, Bas I hope ab tu digital lab ka kuch deal krle BGF ke saath , and degree nikal le apni . All the best for your future, and aate rehna , apne wing ka last sem trip saath me krenge ♥

Bhadri Narayanan R : Yo Unmesh!! You have always been one hell of a guy right from the first day we met on NSO selections and then during XLR8 when you introduced me to one of the most irritating things of my life (read: sowmya) Why did you have to do that to my peaceful life? Those occasional crazy sunny outings with Vaishnavi and Atharv will always be remembered XD I wish we had listened to you and went on more such dinners.. The amount of mess up and recovery you have done in college is simply out of this world and I'm glad to have been a lil part of that. Stay in touch with your crazy stories :D

Sudhanshu Meena : Umeed hain Sab badhiya . First time meet toh ab yaad nahi lekin first sem mei kafi elec. Ki burai ki thi tune. Ab thoda nasha kam kar de badhiya rahega . Aur politics bhi important hain. Prom ki kafi excitement thi tujhe 😊 koi nahi Baki toh maje karo , paise kamao , ghumte raho. Milte hain hain phir , aur placement ki party bhi de dena .👍

Nilesh Sonune : Yo Unmesh ! It was nice to have those chats with you in mess. From when I had seen you during comms lab in third year you have truly grown as a person now. We didn't talked much before the last semester but it was good to know you. So stay in touch and lets meet sometime soon. Best wishes for your future.

Sowmya Ravichandran : Hey Unmesh!! I am so so proud of you for your journey and everything that you have fought through. I think you are a really strong person for all of that. I am so happy that I could do my small part in helping you through your journey. We met through Vaishnavi for XLR8 and RC plane and soon became really close. Freshie year was amazing fun because of you guys, and I had my first drink with you people :P I will always remember the crazy times we had. Stay in touch bro! You and Vaishnavi still owe me a treat for your placements :P So let's all party once more when we meet for old time's sake <3

Kumar Ashutosh : Yo Unmesh! You are an awesome person to talk to. For sure. I will always remember you were the first person I talked to when we came to insti. You are always fun to talk to no matter what situation you are in. And I am very happy with the way things turned out good for you towards the end! Aise hi machate reh. Mess discussions are always exciting with you. We had a streak of having breakfast together for so long before the lockdown and your countdown before you graduate. I am sad that the countdown suddenly became zero 😞. Will be in touch and will come to Pune (I know the correct pronunciation of Pune, which most people don't) for sure. Best of luck!

Navnit Kumar : Unmesh all the best for what the future has in store for you. Kaafi positive insaan and life ka ek dusra perspective dekhne wala h tu. BGF se baat kr lena woh set krdega sb kuch. Insti aate rehna. Cheers

Soham De : Cancer, absolute cancer. Never seen such a procrastinator :p Met through IE 615, where you had only come for one class and never gave any exams lol. I am glad you liked my teaching you basic ML in the Chemical Department Canteen area xD I am glad that you have improved personally and taking strides and I hope that you even do more. Apne mood control karo and you can do a lot of stuffs. Try to socialize more lol And Dota.....kitna noob cancer lol. You are worse than Pinoys, a thousand times worse :p And stop chasing after MMR and raging and all, enjoy the game and don't torture your mind

Ahsan Aslam : The way I met you was one of my most peculiar experiences: You drew an art piece with shapes and asked me my opinion on that, whom you hadn't talked to before; in the middle of that devices and circuits class when prof was taking a lecture. I was impressed then to find people like you in the campus. I am still impressed by how you cleared all the courses, went to coach and landed a job. I think you are the one I put most proxies for and it didn't matter in the end (Prof didn't take it at the end). I am proud of you and you should be proud of yourself. Wishing you all the best for your future ventures.
