Chirag Singhal : I guess summer intern was when we got to know each other better. I'll always cherish those moments of fun during placements prep & the way we were always searching for alternatives because hona to kuch tha nahi apna. Got to learn a lot from you, especially sincerity and dedication. Cheers, but no cheers you Mr. Teetotaler.

Arnav Dewan : Sir, what you taught me will be something I will cherish forever! To be simple and yet machau. To work hard and to crib also 😊. To give your best and always always be positive till the very end. Thanks yaar!

Sarvind Rankawat : Yo maggu, bhai Kitna machaya hai tune woh likh nahi sakta 700 chars mein, saalaa har cheez mein tera effort max rehta, tension ko kaisey tackle woh terese seekhhaa hai. IELTS se ISMP tak, your insti life is worth penning down. End mein tune nayi cheezein explore kee. "Mein consultant hun BC" is what joy looks like on your face, I am happy that you got what you deserve. Tumhara give up bahut karaya hai mainey, but still you come to my room and ask "Bhai yeh competition launda hai saathh mein kaam karega?". Tumhari special tashreef ko leke aajaana trip pe, fir se kaam ka RR mat karna. The history of yours where you sail through tough situations guarantees the future you are going to have. Bye

Kushal Agarwal : Praveen meri Jaan! Eureka! se leke TTMM tak ka safar.... Teri Khurana wali bt bhi dekhi hai, and teri day 1 placements wali khushi bhi. Woh OC meet humesha yaad rahegi :)

Veerupaksh Singla : Praveen bhai... OC meet to tune hi memorable banayi thi bhai, Kushal to abhi bhi sadme me hai shayad. Aur wo tapliyan 🤣🤣🤣. Bhai teri will power a d determination ko dekh ke hi himmat aati thi kitni baar mushkil samay me bhi lage rehne ki. Aur sahi baat pe tune hamesha support kiya hai, aur mere jokes ka kabhi bura nahi maana ♥. You personify the saying 'Change is the only constant' kyuki khud ko badalne and improve karne se tu kabhi ruka nahi.

Kirtesh Ajay Gadiya : We had many discussions about politics. We will keep discussing it whenever we meet. One of our close friends always used say me that you have evolved as a person. I personally have experienced myself. Keep growing man! Be wild always!

Munesh Kumar Kumawat : Hi Chotu! From unknown to we became best friends. I still remember how you used to fight with TA to increase marks. tune kafi ghyan diya mujhe... And I will remember our discussions and Kaise apn mil kr Shailendra ki lete the. Every moment with you was fun. Aise hi machata rah and Apn Daru ka Theka to kholenge.....

Navoj R : Arey Chhotu! I recollect our first interaction started during ideation group meets. Ohhhh, I remeber that Kharjat wali team trip where u, me and Vedarth ended up talking at hours at the terrace. That was prolly the time I opened up truly. I badly miss our random night walks, that is one important thing I miss. Damn Corona be! But koi nhi, I will always come knocking at your door unannounced as I usually do. And as promised u gotta treat me with Red Velvet Cheese Cake after joining PwC. I can't thank both u and Chirag enough for having my back during and after our tenure. Hopefully years down the line apn saath mn startup khol skte hai. PS: It is true, tu logo ko khachara samajhta hai. Lol

Parag Mundhada : Praveen be! Tere se jyada machau insaan nahi dekha hai meine life mei. Mei tere day 1 slot 2 ke jane ke pehle ki lines nahi bhulunga! "Mei Day 4 tak toh nahi rone wala, uske baad mei rounge tab dekh lena". Terko apni color meet ke pehle wali discussion yaad hai be. Kya waste kiye the 2.5 hours aapne 😊. One of the most honest, sincere, hardworking and efficient person I have ever seen. Tune jo liya hai life mei vo machaya hai! To one of the best co and friend that I could have in insti! P.S.: Moti/someone is love 😊

Vatsal Khetan : I remember when I watched you the first time, ED ke liye aaya tha wing me, you used to be so innocent. So much has changed, from the tutorials of struct to the depressing discussion of our placement prospects during intern season. And Goa trip, bhai sahi time pe ghum liye ♥

Sumit Singh Yadav : hey cry baby you are eternally frustrated for some unknown reason. it's difficult to believe how someone as thin as you is able to walk, kuchh kha le bhai bas ek achhi photo hai, har jagah usi ko DP lagate ho *insert haha emoji* jokes aside, wish you a great life ahead.

Samruddhi Dodal : Praveen! Tere jitne hardworking and reliable log bohot kam hai. Tera dedication, willingness to learn and effortlessly getting along with people - it was a pleasure working with you. Hopefully kabhi karenge firse! #TTMM forever <3

Arpit Kedia : Machau>Maggu! Humesha mujhe encourage karta hai tu. Placement mein toh bas tere instructions follow karke ho gaya xD. Tere sath raat bhar kitne discussions kiye hai, tab tera actual side pata chala, bahut bhola hai re tu xD. Discipline toh alag hai, "20 min waste ho gaye!" xD. Bahut kind aur humble hai tu, always ready to help. Humesha tu original raha hai, bhale hi koi kitna bhi mazak udaye ya bol de - that's what truly makes you cool, and the best part is you don't even know it. Thoda realist bano - "corona 15 din mein puri duniya se khatam ho sakta" xDxD. Trip pe pura wardrobe pehenke kaun ghumta hai re? Tere aage toh success hi hai, ab toh poker jaise life mein paisa hi paisa hoga xD.

We have a long way to go bro! Respect hai tere liye 🙏

Yash Lakade : Maggu, to see what you've become today from what you were when you entered this insti, my heart is filled with pride. Itna koi transform ho sakta, mai soch bhi nhi sakta. Sincerity, dedication, hard work, sab kut kut k bhara hai tere andar. Bas ek chiz yaad rakh work hard, party harder. Bahut aage jayega tu life mein, but humko mat bhool jaana. Har trip pe aana, tere aur Gupta k verbal exchange k bina adhuri reh jayegi trip. Sarvind aur tere saath summer time was lit.
