Kirtesh Ajay Gadiya : I felt bad when Aakaar got cancelled. No worries! You will be leading many great projects in near future. Are you planning to start your firm name Sharma industry? Good luck and make civil great again!

Potlapally Sai Kishor : Momo, motu , tiktok, my only girlfriend😂 you are all in one. Mera life boring without your irritating behavior during summer intern and Aakaar. Diet mat karna please, tu waisa (motu) hi acha rahega. Phir se chance milega tho pakka chalna mera Saath proom pe. All the best for your future and job me atleast assignments kudh se karo and daily itni baar potty karna bandh karo😂.

Jatin Chandawat : Momooooo.. bhai mera OC rival 😂 Bhai kitna machaya h tu Marki me. Definately wo raat ko 3 baje police station jana(bhayankar hugga tha wo) Scooty tripling. Bikes k liye ladai. Bhadri Narayanan R : Motu! (Okay, yea we both are. Don't have to rub it on my face now :P) We did try and fail at our attempts to go jogging in our freshie year though :p But hell, it was nice to have your company in freshiezza group dance and surprisingly we even ended up winning! I'll always pronounce BHAAD MEI JA correctly, thanks to you :p You never let go of any opportunity to annoy me or ask for treat. Quite some perseverance there. Thank god you and Utkarsh were there in the awfully boring civil course and that last min project. Have fun in life as always!

Utkarsh Chandra : 'If there was a competition for doing things late, you would probably miss the deadline for registration'. Your extremely chill attitude is just one of the many ways in which you have changed my personality and made me a better person. I cant imagine my insti life without you, class jana ho, lifestyle ho, yaha tak bc room me sone aata tha to bhi tu hi milta tha XD. Tera freshie year me mujhe tum bolana, sophie year me bhand hokar ulti karna ya third year me room me din bhar nachana sab hamesha yaad rahega. Meri insti life ki har party, trip, lab submission aur endsem prep sab bohot achi thi kyuki usme hamesha ek me aur ek tu the! I love you bro!

Anurag Bhaskar : Heman! Apna tiktok. Kaha surya namaskar karta tha aur abb fashion show krke aata hai dusre colleges mei. Tujh jaise helpful aur adjusting aur annoying fellow kahi nahi dekha maine. Dusro ke room ko barbaad karte rehta hai. First year mei beer se bhagta tha aur abb 4K uda deta hai ek hi baar mei. Bas ek hi kaam bacha hai. Paneer samajh ke khana XP

Mtlb apke bina woh saari parties aur trips fun hoti?? Nahi, bilkul nahi. I really wish we all could stay back a little longer and go on many more trips and parties. You're gonna be missed so much. You're very cool, very handsome and awesome. Apse infi good vibes aati hai. Aur apke dance moves toh mashaallah! All the best for your future endeavors (including all the upcoming momos of your life :P). Also, aap aur Utkarsh goals ho yaar <3 Bye and remember me!! - Anugya

Praveen Saran : Bhai apn ne sath milke Munesh ke kitne jyada majje liye hai. Jab bhi wing mai aata tha tu hmesha mil hi jata tha kuch na kuch bakchodi krta. Tata Projects wali PPT hmesha yaad rhegi mujhe xD. But I'm really glad ki tera selection ho gya, you deserved all of it! Ese hi machate rho life mai and stay in touch :)

Mahendra Singh : Dekho bhaaman ji ka londa kitna stud hai . Bhai tere bina 1 st year itna memorable nhi hota. MI ke wo 4 days, exams ke time late night Hiranadani Jaana . Life ke baare m tujse baat krke bhut light feel hota tha. Aise hi muskraate rh. Milte h bhai.....
