Ankur Tiwari : Hello bhai, Mereko to yaad bhi nahi when did we first meet. Shyd Raza k wajah se? Roommate connection... 😊 Tarun X soni, Prabhu pure batch me famous hain and ur sudden placement may have put many in shocks... but it rockd and was well deserved👏 Tu aur bilwal wala apna Movie Tigda... I don't think future me milega... Kaash aur movies dekh paate.... 😊 But anyways ab wo cliché wali line.... All the very best for future n stay in touch.

Manish Yadav : 13 july 2018, civil department ke gate se bahar nikalte time ek phone aya ki main tum logo ka 3 roommate hun chabi do, plan banya ki isko dara kar bhaga denge but tarun ki gutane se fati pant aur BOOm BOOm ki t-shirt dekh kar laga koi bada badmass hai to lagga room main le lete hai baad main dekhenge, iske baad to 2-4 dino main 3 room mate se asa bna ki vo hostel 4 ka room no 331 swarg lok ban gya, ye bhulna muskil hoga ki saale tu kase 10-12 ghante gate par wifi ke chakkar main baita rahta tha, teri vo atrangi printed t-shirt, vo mil kar tedi naak waale kutte ko bhagana, mir shaba ke saath raat bhar bakchodi katna, prof maji ki class main last row main baith kar bakchodi karna

Abhishek Bilwal : Ab sakshat Prabhu ke bare me kya likhe, literally like Prabhu you have so many names Professor X, Tarun X son y ab to count bhi bhul chuke hum. Bhai bahot maze kiye hai apan ne countless movies and outings gonna remember all that. One of the few people jise kahi bhi bolne ko chalo always ready, kitni tang khichi teri lekin kabhi bura nae mana (Rare trait), and our special group decisions on your future hypothetical wife about whether she gona eat onions or not😂. Bas aese hi mushkurate raho khus raho

Rajiv Kumar Saw : Prabhu apke bare me ham tuchhh manav kya hi bol sakte hai. Wo jab bhi kabhi TT khelne ka man ho ya khi bahar jane ka koi 1 banda jisko mai hmesha bula skta tha. Parantu aaj bhi samajh nhi ayi itna kaam bhi kar lete ho aur itna khali bhi rahte ho, ye sab karte kaise ho. Aakhir islie aap prabhu ho. Btw yaad rakhna. Fir jahan milenge wha machayenge aur tujhe pyaz khilayenge 😊

Debiprasad Bhakta : First official roomie - prabhu. Bhot kam logo ko hi prabhu k saath milta hai, aur jab prabhu khud dhoka de de toh, woh prabhu k ichcha samajh lena hi better hai 😊. Maze wala baat bhi kaise itna seriously bol leta hai, woh aj bhi sochta hun. Aur kisi bhi chiz me apka gyan 🙏. Aur aapke bare me kya bataye, sab toh ap jante hi hai 😊. Apko tang karne kliye khsama kijiye 😊. Apka peyaj na khane wala scene abhi tak mujhe samajh nahi aaya.

Vinay Maurya : Tarun Prabhu!!! Aapke baare mein to hum kya hi likh sakte hai. You are the most confident person of our batch who has some sort of sixth sense. Tu Remote Sensing ka bhi hoke TSE ka ek integral part ban gaya. Hamesha party aur movie ke liye taiyar rehne wala!! Gyaan ke mamle to koi bhi teri barabari nhi kar sakta. Ab to US wale ho jaoge par hume bhi yaad rakhnaa!! Be happy; keep smiling aur hamesha touch mein rehna:-)

Mohd Raza : Tarun sachi pehle din pura plan tha that we won't let a 3rd person stay in room and on top of you you were away for first few nights. Pure Mtech ke maze tune first 3 days mei hi kar liye. Jab tere liye room dhunda tab lga nahi tha room change karte time itna serious atmosphere ho jaye ga do teen din tak toh room mei baat hi nahi hoti thi Yadav sab aur mei silent mode par thae. Tujhe kabhi mei padhta hua nahi dikhta tha 😂😂😂😂 And you never saw a book in my hand. Baki placement mei toh sab se best tera scene hi raha. Bhai all the best for future .

Ramakanta Behera : Trun bhai, I don't know why people call u prabhu 🙏🙏, but u r a versatile man. I guess u r well recognised by most of the people not only from civil but also whole insti. A mutual friend seen in almost all friends. I was so happy when I came to know that u r also a jnvian, as we knew the life at JNV. You are also an enthusiast person, a frequent traveller, i was amazed when i heard that u even enjoy the travelling with unknown people, that's a different art bro. You have always some answer to every question. So might be u r prabhu. Keep it up bro. Wish u a bright future ahead. 🙏🙏

Monimoy Paul : Tarun X Soni se Tarun XXX Soni, is naamkaran mein mera significant yোগदान था. Prabhu. Almighty. God of Gods. Manish ke room mein tere sath mila tha, uske baad se toh tu aadha TSE hi ban gaaya tha. Mujhe abhi bhi yaad hai ki ekbar structure wale fight kar rhe the ki Tarun Remote Sensing ka hai ya fir Transpo ka. 2nd sem ke baad mujhe har subah gym le jaane ki responsibility tune kaafi ache tarrike se nibahya. Will always be grateful for that. Tere sath bohot baar maine no-onion pizza bhi share kiya, jo ek alag experience hai -- . All the very best for your future and stay in touch always, kyunki Prabhu sath h toh darr kis baat ka!!

Pravin Telang : Baba Tarun ki jai ho 🙏. Koi bhi pareshani ho, babaji ke paas aye aur mukti pae. Bro, you have a unique way of explaining things, though sometimes it seemed boring 😊. We had wonderful memories in Goa and in all the parties we did. Thanks for riding the vespa for most of the times without any complaint. Aap hamesha apna gyan sabko pelte rahe aur Professor X ka naam roshan kare. All the best for your future endeavours.

Mayank Bansal : Shri Tarun Ji aapko saadar pranam 🙏 aap ek mahaan aatma h, hum aapka majak nhi udate balki dusre tuchh manavo'n ko aapse avagat karate hain. Mujhe aaj bhi yakeen hai ki H12 k 7th floor pe aapka room isliye hai jisse aap hum sabb par har samay apni krupa drashti bnaye rakhe. Placements m to machaya h aapne, fodu vyakti h aap, mujhe pura yakeen h aap jyada din pune m nhi tikne wale hai, jld hi USA ya or khi. Bhool mat jaiyega hume, yaad rkhiyega or krupa banaye rkhiyega. Aapko kya hi all the best bolu abb mein prr fir bhi best of luck mere bhai. Kuchh galat likh diya ho to kshama 😊

Jasmine Lokesh K G : Trun..During the CC groundwork, I came to know that you have an amazing memory. The treasure hunt was one of the craziest things I've ever done in my life! :D And our group was perfect! (Better than AAD :P) Mood I to Anjusha ki meherbaani hain sab :) But I really enjoyed dancing with ur sister :D Baaki to transportation k saath zyaada time rehke bhi place to tu core me hi hogaya. Aisehi machate rehna!
