**Harsh Chandak :** Yo Bandhu bro! Bhai tera toh literally transition hote hue dekha hai - first year mey itne bhole bhale massum bacche se final year ka not so massum ladka. Bhai infi maze kiye last year apan ne saath mey. Patte, poker, badminton, cricket, bahar khaane jaana aur dance karna. Dono baar apan escape room saath hi gaye xD. Tera gym aur BB ke liye dedication ke liye hatsoff. Humesh aisehi rehna :D. Bangalore mey mast maze karenge :D

**Aditya Tapase :** Lakshya mere bhai, 3rd yr mein jaake tere jaisa dost mila jisko 3 saal se dhund raha tha main. Tere sath jo bonding hai vo kisi aur ke sath nhi ho payi. Saari baate share karte the. Apni jaisi soch (you know kaisi 😊) vale bas apan do hi the. Har baar tune mujhe samjha aur support kiya. Last yr ke maje zindagi bhar yaad rahenge. Apni parties alag level hoti thi...Trap..D72..Rude lounge. Manali trip pe bohot miss kiya tujhe. Bohot plans banaye the yaar job life saath mein spend karne ke. Tujhe sabse jyada miss karunga main. 'Tu mera bhai hai' vali baate yaad aayegi. Fir bhi apan milte rahenge, plans banayenge aur nadiyan bahayenge. Apna club ka plan abhi bhi pending hai..bta kab jana hai 😊

**Krishna Subramani :** Bandhu!!! I think we have spanned almost every conceivable topic during our mess discussions :p I also really appreciate the calm demeanor you have, both while working and while discussing, that is why it is really enjoyable to talk anything with you man :) Aise hi thand dimag rakhna boss, and all the best for your job!

**Snehal Dinesh Bhamare :** Yooooo! Of course nahi bhulungi. Tu bhi Enphase me ja ke bhul mat jana. Let's hope to meet in bangalore and continue our outings. You are also down to earth and hardworking. Don't worry about the jokes, chill maar. Apan micro wale courses k liye rote hi rhte the 😊, which made all those outings possible. Stay in touch.

**Patel Rajat :** We all were very surprised jab tu hum log jitna he harami, kameena, bakchod and many other things nikla. Tera karan he and khali tere saath he bollywood movies phirse dekhi theatres me. Abhi to bahut time nikalna be saathme Bangalore me. It's been an absolute pleasure to have a good friend like you. Coorg, lonavala,high hona esi bahut cheeze karenge. Bas kutte se dur rehna kahi maar na le

**Mookund Sureka :** The first memory is of ED lab. We had our fair share of differences but eventually I think we figured out the winning combination :P. I know nalayaki kafi kari thi maine tab and kafi give up karaya tha tera . Baki it was always fun talking to you and all the best for the journey ahead.

**Sanket Agrawal :** Bandhu Bro!!! Bhai kya nostalgic kr diya yr tu :) Those lab days were something to remember. Those long lab hours, struggling with the procedures and faulty equipments, ranting about the illogical things they made us too, frustrating about the pre labs and post labs, man we did spent some good time there! You really put a lot of thought before doing anything and stay calm in situations which is something I really want to learn. Also, it always felt good greeted back by you with the same enthusiasm and smile. Achieve loads of success in the future, all the best man and stay in touch :')

**Satyam Mohla :** Last year we've drifted unfortunately because of placements and DPP and what not, but I am glad we met and talked in DSP, i think thats when I really got to know you well., no wait i knew you since way back when you joing udayan's group remember? Good times! Also underneath the bus stand at H5 when it was raining well and we were stranded with a cow besides us :p and also during countless boring udayan meets. Wait we havent drifted lol, strike that :P Last 5 years have been good man, will miss just casually bakaring on the dinner table or during Udayan's meet and what not. Stay in touch man :D

**Pawan Kumar Khanna :** Yo Lakshya! It has been so much fun to know you from my first year. I don't know if you changed or I got to know you better during 4 and 5th year, but your sense of humor and calmness evolved to a whole new level! (Although your jokes are not always politically correct :) ). It was so relaxing to interact with you during the stressful times in insti and also doing so many courses together. I know for sure I will try to keep in touch with you, baas tu ignore mat karna :P

**Saurabh Kolambe :** Are bandhu! kafi chillax banda hai be tu. Kafi miss kiya tuze manali me sabne. Respect hai bro tere liye, regular gym jata hai tu. Bangalore me touch me rehna and ho sake to mujhe bhi leke chalna gym regularly xD. Abhi mast license banva ke bangalore me road-trips karenge weekends pe. Full on boys from the naka mode! xD. Aise hi chill marte rehna life me and bhul mat jana mujhe, I really cant afford losing you guys now. Kafi maze kiye apan ne final year me, and aage bhi karte rahenge aise hi.

**Sharan K Pujari :** Guess placements helped me land friends too. Glad you are one of them. Lets get together and make fun of again and again :P
