Anmol Gupta : Yo! The OG meme lord of SSS _/_ (with a decreasing frequency year-by-year :P). Tenure with you was a lot of fun - can never forget that video call with me trying to discuss work with y'all from a completely different timezone and you cycling under the Italian sun all that time XD I had told you pehle bhi ki kaafi galat judge kiya tha terko (especially during elections) but glad that it was just a tiny phase! I'll miss those scattered sessions asking for goss and bitching about some people :P Group pe please thoda reply kar diya kar (saying this for 3 years now? XD)

Aman Mishra : Pobji? Pobjeeeeeeeee! Those random games were super fun, even though I always had to save you and carry you to the chicken dinner ;). Cheers to all the good times, kaafi maje kiye yaar tere saath. Sorry for that wall incident but it was very entertaining XD. I should've played football from early on, kaafi late start kiya yaar maine, it was fun playing with you. You're a damn good footballer :). Naruto for life <3. Dattebayo!

Shreyas Pimpalgaonkar : Wingie then Roomie! Such a mysterious person you are, and pretty much have more knowledge than many people combined. Changing my room was one of the best decisions tbh. I believe I'm one of the few who can tolerate (rather I enjoy) you. Did so much bakchodi n PUBG lol, and of course, the room used to be clean thanks to you. I'm never going to forget the lunch in Goa. Hope your love for cats never ends. Wishing all the best to you and your calf muscles. Ek saal maze karna, aur canedda toh jaa hi raha hai I suppose! Mil lenge jald hi!

Ishita Shah : We never could make it to any plays, insti ended too soon. :(But hopefully we'll be able to make something happen once things start opening up. That freshie year hair braiding thing was so funny (to think about it now) :P i know we'll be in touch <3

Rohan Kaushik : Deep you're a pain in the ass and irritating af. But you're also one of my oldest friends in insti. First year is kinda hard to imagine without Gallesus. From PPS to PES, we've done some shit. All the best man, and I hope they honor your PPO :P. P.S. RN junta, and pretty much all junta would agree with that first statement.
