Naman Chindaliya : Onix! You're the best pokemon ever. Thanks for carrying the water bottle to the class. Aap na hote toh ham dehydration ke shikar ho jate. You're a very helpful and awesome person. Endsems mae help karne ke liye thanks. Lob you always.

Veerupaksh Singla : Oinxxx. Saath me 2nd year me project. Saath me URA! Sorry maine dhokha diya uske baad 😊, but you took your revenge in ECRE project. Here's to our #BroDates. 🥰 Ab to saath me Postgrad bhi karne ja rahe, looking forward to exploring amazing food with you! Learn to move on pls. Also, pls keep bringing Bengali sweets for me. Apna safar to abhi lamba chalega saath me ♥

Debanjali Chatterjee : Shesh koj, ei toh shuru. Purdue te dekha hochhe :D

Abhirup Majumdar : Aare boss!! Sob bhalo toh??

Binayak Sahu : Hola omnivore, I guess you have consumed everything except humans, mayank wouldn't even allow you to come near him at least 100m, don't stop sending those creepy things you eat and send Mayank too, thanks for always inviting to H9 special dinner and very much thanks for helping me pass material science course, also remember all those polt done for changing the lab group but "kuch kaam to kar leta", half of the time was wasted for telling you what to do and rest half for scolding why you copied stuff, we will keep bitching about dept and people always. Also friends ko crush se jyada importance de bhai.

Vaishnavi Gupta : Anikkk....ECRE ki wajah se apan mile and I wouldn't have made through the course with good grades if not for your expertise n guidance _/_ :P Profs se kaise baat karte hain koi tujhse sikhe xD Thanks for introducing me to bengali sweets and that amazing bengali sweet shop...I'm probably guilty of sleeping through alot of our sat. morning plans sorry ...Purdue jaake bhi apni weird animals khaane ki hobby jaari rakhna ...im sure tu vahape bhi machayega all the best and stay in touch :)

Akshay Bhamare : Anik!! Bhai kithe saare courses me sath me hi baithate the, ChemE will always remind me of you. Thanks for teaching me so many things and for all the assignments and what not. You are so hardworking, dedicated, smart, bro. I am sure tu research career me aag laga dega, wish you all the best for future. Touch me rehna bhai, bhulna mat♥♥♥
