Abhay Tomar : Tu kitna bhi hero ban le lekin apne wing me wanna be hi rahega 😊. Always confident about every situation but jaise hi koi problem hoti sabse pehle tu hi hadbadata hai 😂. But bro jitna confidence hai utna hai motivation bhi hai life me aage badhne ka and I am glad that you have always been at my side pushing me forward me. Even daant bhi laga deta tha when it was required 😂 but really if it was not for you both, I would not have been the person I am today. And ofc wingies were there for us everytime. Bas apan teeno me se har wing trip pe ek banda rehe jata hai, lets make sure to strike it off our list as soon as we get a chance to meet next 😊. And han the trio is forever :p

Sourabh Surage : Let me start with.. wada wau wau wada wau wau.. (hahaha) I'm really fortunate to you have had you as a co-manager.. (Jodi Kamal ki).. always understanding each other and laughing in serious situations.. I still remember how you taught me the night before that exam and how exactly only those things came that you taught (I even learned how to learn).. I also remember how we talk funny things in a serious way (even using hand gestures) so that it doesn't look funny (hahaha) Always stay as machua you are bro, keep in touch

Raj Gautam Kumar : Yo J**** R****!! Haa ye naam hamesha yaad dilayega mujhe teri. Apne life ko sorted rakhna koi tumse sikhe. Tumhare sath wo late night endless discussions, never going to forget. Tumhare fundaes, mess me discussions, gullu and laxmi, saath me milke sharma and tomar ko roast karna hamesha miss karunga. Bandiyon ke baare me apne discussions, omg, it was lit af🔥. Gsec election me polt, however you are not good at it 😊 phir bhi mere liye polt machaya. Tumhari gaaliyaan 🤪, hamesha calls pe dete rehna otherwise mai gaali dena bhul jaunga. Bike trips, bribing a police...wo din bhi kya din the. Unplanned trips pe chalte rehna. I am feeling blessed that you became my wingie.

Pushan Bal : In a wing filled with fourthies, ours were one of the very few rooms of sophies. Sarcasm karne me bohot maja aaya tha tere saath. The way you smile every time mai tujhe raaste me namaskar karta hu is awesome. Ek hi joke pe itna kyu hasta hai? You are a gem of a person and a great friend. I wish final year me thoda jyada interact kar pate. Please stay in touch. Warna apna ex wingie/common mentor chodega nahi :p.

Jovina Vaswani : Hi Rathi. You are one of my favourite people in insti, and I would take this moment to thank you for being there and being what you are. Our third year study sessions were so awesome dude. I am happy we got to spend so much of time together that way. I look up to the compassionate and ambitious boy you are. Thank you for taking me out on a Scooty ride that night. You changed a bad day into an amazing one. 😭😭 Thanks for checking in during the low moments of my life, for making me a more confident person. ♥ Your positivity and passion with a tinge of that playful attitude makes you very very special 😊. We interacted so less during the last sem kiddo. I miss you sometimes! 😊 XOXO Jo

Aniket Ranade : Are Rathi kaisa hai re tu ekdum mast aadmi. Gaali sayyad tu akela hi mila hai joh mere se jyada intensity se deta ho. Tenure to infi fun tha re, log ke maje lena sapne dekhna aur baad mai sabka chutiya katana :P. Dedication aur hard-work ki tu mere liye har bar hi ek misal raha hai. bhai bakchodi karna bhul mat jaana re, mujhe bhul gaya toh bhi XD

Mohit Agrawal : Adarsh is one of the person in institute who is the inspiration for me and his motivation always helps me to go forward and achieve my dreams. Thanks Adarsh for guiding me throughout this journey !!

Anumay Ashish : Rathi bhai, first year ke hospi se leke last year ka baap time tak... Had great 4 years with you as a friend and as a manager. What I will particularly miss is your ability to speak with everyone with the same decent words! Aur haan Paisa important hai

Apurv Tiwari : Adaaaaarsh! Bahut pyara bachcha ♥ Jab bhi tumhara naam ata hai kahin to main ek smiling Adarsh hi imagine karta hun hamesha, tumhare ye yearbook wale dp ki hi tarah. Main initially tumhein as Safru aur Teddy ka wingie hi janta tha, fir ek baar baat ki and realise kiya ki tum to bahut interesting baaten karte ho aur kafi machau bhi ho. Maza aata tha hamesha interaction mein. Aur fir 18 mein roz do teen baar dikh hi jate the mess mein phone par poore time muskurate hue "kisi" se baat karte hue 😊😊 Dhyaan rakhna apna and khush rehna hamesha and smile karte rehna 😊♥

Ashi Gupta : Yo Rathi, your name is changed from CR to Rathi😂..... Confidence, to ambition, to friends ke liye Hamesha time nikalna.. Kitna inspire karte ho sir.... I never understood jokes of you, Sharma and Tomar😂.... Random bets jarur yaad rahengi😂... Jo Kiya machaya be it CR, TF, placements🙌... All the best for future 😊... Bhool mat jaana

Modi Harshit : Although our interaction was more like a student teacher! But still never thought ki I will ever get a TA like you to whom I would confront that Yes I am copying and pls let me do (although not in the exact words but atleast I used to meant this when I sit with Dhruv at the last bench of the row)😂😂

Mayank Sultania : Teri — ka, Teri — ka... and similarly kai sarein nonsense but infi hansane wale songs jo tune compose kiya hai during exam preps... I hope woh 2nd year ka sara study session mere room pe, yaad rhaga tereko. Mera random jokes jo tujhe pakkata tha and then tera kuch bhi bol ke nikal jana.. sab yaad hai. Teri crush/gf ka name pe bhi kafi charche hue hai and tere room ke pic leni chahiye thi mujhe as a proof. Mailing, calling, and lots more while cycling.. howww? Dance session in Abhay's room, MA 207 mein tera flop plan; sala hope-ka- less ho gaya tha mera exam mein. Mimicry sessions and exam ke time pe mere room pe kabza ... bhai msst time tha. PPO rejects krne wale barein logg.. milte hai jald

Atharv Nandapurkar : 🤔 itna sab likha tune but gaali nhi nikli muh se... Bhai, Compi Marki bond toh mast tha♥ all those summer fights, saare prize money meets, and then woh ultratech 🤔 Bhai, YES Bank wala association toh humesha yaad rahega mujhe. Btw, thodi gaalian kam baki kr bolte wakt & machaega toh tu bhi bahut life mein. Kabhi sirf Compi Marki treat krte hai be ♥. Good luck and milte rahenge

Karan Kothadiya : Rathi sir aapse dosti karke bahut hi maza aaya. Case group was super fun! Party utni reh gayi hai, uska kuch intazaam karte hai! Ace your career and wish you the best in life man! Love, K

Yash Kothari : Rathi boi. Teri driving pe me iss janam me to bharosa nahi karne wala :p. Wo 2nd year TF ke baad 6 idiots wala kaand yaad hai naa? Aur uss din tu jo bhaagaa tha, mazaa aa gaya tha dekh ke. First year December puraa saath me milke kaafi jyaada enjoy kiyaa apan ne. And remember that prank during MI in front of Gulmohar jo kaafi sahi hua tha. Bhai 3rd year me wingies bane aur GOT S8 aur IPL matches saath me dekhnaa was so fun(especially due to those XL Speakers). Aur haan, Marine Drive aao friends ke saath to thodi der bandi ko bhul jaaya karo :p. MD pe night out ke baad Alibaug le jaane me tune kaafi fight maari thi and it was worth it <3. Ab ek wing ki Meghalaya Trip pending rahi.

Sarthak Sharma : Rathie Sir _/_ Thanks for being the best CR ever ♥ Aapse kafi seekhne ko mila hai over the course of these 4 years and your hardworking attitude is really inspiring. Hamesha acad related help ke liye thanks and sorry thoda lab mai katata ta :p Mess ke apne discussions epic te, will surely miss them. Stay in touch bro :D

Sriganesh N : Yo Rathie! You are a very sociable guy and har baar enthu me dekha hai tujhe. Tu kahi bhi mile timepass toh ho jata tha. Tu mujhe tips deta raha ki final year me kya kya karna chahiye, me kuch cheeze kiya, baki postpone karte gaya fir sem hi khatam ho gaya xD Tujhe case prep karane me aur tere placement ke liye on-ground strategies banane me mujhe maza aaya. Tere efforts se me impress hua tha bhai. All rounder sunke tu hi yaad aata hai - masti bhi bahut karta hai aur kaam ke cheeze bhi. Good luck for your future and stay in touch...

Pujan Biswas : Rathie Boi. Cool and Calm but gazab bakchod launda hai tu yaar. Acads, PoR and bakchodi sab mai fode ho yaar. Dil se respect hai tumhare liye. H18 ke mess discussions bhi masst they bhai. Bhai AbInBev se daaru nahi aayi yaar. Jab Investment Banker bann jaooge Harvard se toh bhool mat jaana. Keh ke le lenge. Yours, Bisso!

Animesh Singh : All-rounder would be an understatement for you ... Koi bhi field nahi bachi tujhse - PoR mein top ka, acads mein sabka baap aur ab ghar jake gana garaha. Bhai kya khata hai tu... itni energy kahan se aati hai. Whenever you go you leave a mark and this has been a constant about you from school days. Aur kya hi bolun - insti mein itna busy rehta tha ki baat hi nahi ho pati thi :P . Aise hi machate rehna bhai ... kuch samay baad tere naam hi all-rounder ka synonym ban jayega xD . All the best :)

Avani Mangal : Rathiiii :) tenure was really the best space I got in insti life and a family which acquainted me to you. From bournvita milkshakes to all the leg pulling you did (I bet you owe me for keeping up with each one of them XD). I'm sure you remember OC meet and my anger on that pizza slice because of YOU XD But whatever it was...everything brought us close together. Do you remember the packing and moving industry wala case..which kept on going and going and made your mind go F**ck XD You are very hardworking rathi and you are mature enough to understand your own good and bad. Thanks for being there whenever I reached out to you, I'll cherish our memories forever!! Keep in touch Bains**d :p -Avan

Abhishek Singhal : Chup Raatthi chup xD, jab mai starting mai mila tujhe to laga kitna arrogant aadmi hai yeh(abhi lagta hai ki bass try karta hai banne ka :P), par bhai tf ke time pata chala ki how much you care about your friends. Thanks yaar tune hamesha hi help ki hai acads ho ya intern ke time khud se help, aur dosto ke placements ke liye tera dedication dekhkar respect badh gayi tere liye. Apne Tf ke kisse likhunga to limit exceed kar jayegi, par still most memorable are fights during summers and bike par ghumna before fest(aur tera accident bhi :P). Aur apne grp ko ppt mai tune hi bachaya hai after all the shit we use to put in the slides xD. Always stay in touch!!(word limit khatam ho gayi :()

Lift me holi khel liye the bc mazze me, aur wing me galiya de rahe the, toh pata chale ki vinay ke relatives aae hue hai😂 Apni Imagica trip bhi mastt hui thi! Be happy, and aise hi hardwork karte reh!♥ Take Care man😊

Sachit Mehrotra : Tu pehli baar team selection k time sunne mei aaya tha, IB equivalent of a stud resume tha tera. Record setting marketing team ka important piece tha tu, as were the others. You were one of the few who questioned questionable practices we followed, keep it up! Aur gussa toh yaar aadha bi nai dekha tha tumne, kala ne bacha liya tumko. Placements se beech mei jab giveup hua tha, tab teri ek hi line ne utha liya ekdum! I'm glad ek dusre ko motivate kiya hai apan ne, aage bi karte rahenge. Hopefully jaldi milenge! Cheers

Himanshu Goyal : Rathi bhai! ♥♥ Life kiitni simple thi yaar cordie year mai. 😂 I still remember ki tu merko bike challana sikha rha tha raat ko 2-3 bje, jab Patil ne pakad liya tha. 😂♥ And aapni tripsy bike ride, jab humm lake side gye thee. ♥♥ Hummara mattress ke ghaplo mai toh koi record bnana chaiye tha, techfest ke pass ek aur Guinness world record hota. 😂♥ Touch mai rehna bhai. Bhadri Narayanan R : Yo Rathi! Our friendship sure has been one goddamn roller coaster!! From being the responsible CR circulating notes to the unforgettable Tf arguments n fights that led a super strong bond that I'm sure we'll carry around proudly further. I still remember complaining to mote about you in the summers and look how we three ended up cracking Edge (well we sure know how we got the back door entry :P) I'll remember your awkward dance moves during all the treats and those teasings before you got a gf xD Those early morning bike rides during fest would be treasured <3 Cheers to all the chemical , techfest, placements and competition adventures that we had sailed through together!

Tanmay Garg : Rathiii meri jaan, how are you bakchod as well as maggu bro 😂 it was crazy knowing you bro. Teri kuch kuch harkato pe mujhr gussa bahut aata hain but tere saath nahaane ki feeling trump kar jaati har cheez ko lol, i wish hum naha lete pehle hi :p hahaha bahut l**d insaan hain be tu lol. I hope we do stay in touch and milte rahe apan, after all, bainey boi mumbai to aayega hi kabhi na kabhi hahahaha Cheers bro!

Abhinav Kumar : Roll number 100, Chemical Engineering Department Our first meet in the hostel, you being my Roll Baap. At first, was slightly afraid to interact, but later the scenario changed. From being the one of the best seniors in the insti, my Coordinator, Manager, and then Baap Manager during Techfest, you were my constant support. Thanks for all the love and support. Hope to stay connected with you.

Shubham Goyal : Rathi Ji , the smartest talker , trying to evade every problems with his talk :p humesha itne high tone enthu me kaise baat krta he :p marketing to tum logo ne machaya hi tha kaafi, and suna he kaafi achi marta tha dusro ki :p baki to ab bade aadmi ho gye ho to bhul mat jana , compi me passport hota to next level jaate but fir bhi corona ki vajah se to india hi rehte xD , tum humare party group me include nhi hote because of a habit but i wish woh change ho jaye :p

We've interacted quite a lot during meals and otherwise! I really like how confident you are! It was great having you in the ISMP Subgroup & working alongside with you :) You already have lot many fantastic things to your credit and I am sure that this is just the beginning of wonderful things to follow. Take care and hope to keep in touch. ChEers, Baba <3

Vittesh Arora : Hey Rathi! Infi helpful and machau senior. I am glad that I came to know you. Thank you for helping me whenever I asked for help especially during the intern times. Stay the same and best of luck for your future endeavors!

Aniket Bhatia : Rathi I still remember how I could hear you shouting some 'interesting things' in your wing, from my room in the first year, and they were pretty 'educational' xD. PH108 me infi doubts discuss karte the and that was fun! Seriously you're a really hard-working person. All the best for everything that comes ahead!!!! :)

Vedant Ladha : Bhai, I still remember how we took absolutely no time to gel when we first met in the 3rd sem. 2nd year mein mast dost ban gaye the hum, aur tu kya mast CR tha bey 😊, couldn't have asked for a better one. Bhai tu jis level pe effort maarta hai vo maine placement sem ke time dekha and I was truly taken aback. Acads, PORs, placements jo dekho vo machaya hai tune. Jo bolna hota hai seedhe seedhe mu pe bolta hai aur ye iske wajah se apni kaafi achchi bani. Mess aur H18 floor pe arbit bakchodi bhi mast thi. Stay in touch bhai.
