

## DESHPANDE HARSH SAIPRASAD

Electrical Engineering

Yearbook  
2020

**Maitrey Gramopadhye :** Yo Harsh! Thankyou for always being the reliable elec head and covering for me so many times. Humare work + bitching meetings humesha yad rahenge mujhe. And ab alum banke ata hu, tab challenge team treat pe!!

**Pranil Joshi :** harsh (not capitalized to piss you off), we first interacted when I did (not) work with you for the MB Patil thing xD. Uske baad we only majorly talked starting in Adobe. And back in H18, we really hit it off! I liked having a friend's room to randomly pop into on my way to the washroom. But seriously, there's a lot about you that I do admire. You have excellent work-life balance, are a really cool person to hang out with, and are really invested in your friends' lives. OTOH, you have some severe unsolved mommy issues xD. Also, you saying "iced tea samajh ke pee" is why I have trust issues. I am pretty sure tu toh US aayega hi. Party karenge!

**Syamantak Kumar :** Yeah yeah, I know mai nhi likhne wala tha, but still here I am, in a moment of weakness 😂. I guess this is not enough space to write about you. (And that's why you have your own story 😊). I don't want to be sentimental because you don't really believe in all that, but thank you so much for everything. And yeah, I guess that's the first time I've said it. It's going to be weird not hanging out with you everyday. Although there are a lot of memories that I recall, the best one has got to be this one time in the second year when I got you to send that message 😂. Yeah ok and the one where we went to watch Meg. Nachos combo dinners be the best. And baaki ke liye PM. All the best brooo! 😊
