Mayank Sultania : Apne dance steps superhit hai and rahnge! Aise hi apne kaam ka boojh dusro pe dalte rehna.. I hope you got it, hahahaha.

Arpita Mishra : Vibhiiii <3 I remember the first time I met you when I asked you for letting me walk with you in your umbrella to the tumtum. I dont know if you remember XD. Second year was epic when your room was on the same floor as ours! You got exotic sweets and chocolates for us. Not to forget our lonavala and goa trip and the bhivpuri trip that we couldnt do :(And the clubbings. And the drunk nights in third year when you were trying to walk like a model XD And your rooms took a huge transformation from being super messy to super pretty in fourth year. And all those skipping classes and sleeping! Ill miss you a lot! Hope we are always in touch and there for each other. Love you!

Arpit Agrawal : Vibhaaa!!.... Like I guess describing what I feel for you in 700 words would be a difficult task. But to be honest, you are extremely stupid, the most irritating and annoying kid I ever met. Late night walks... Drunk talks... Stupid conversations and fights... Ordering the same food every night... Going out at random places... All the laughs and cries in closed spaces... Sneaking in and watching movies... Late-night talks and sharing insecurities... Cheers to the amazing placement prep we had and several memories and to the amazing trips, Lonavala (Water-fall), Pondi, Karjat (Not-so-perfect-but-best), Alibaug, Mahabaleshwar and Goa (Best-day-ever) and several mini-trips :) Meet you soon!!

Ashi Gupta : Hey Vibha, The only person I used to speak in English with 🤗... All the best🥳... And keep on touch🥳

Kushal Mittal : Hey Vibz... You are so stupid yaar. It's not been very long since i have known you but it surely doesn't feel like it. After so many movies, outings, nightouts/trips :p which you were always a part of (we knew we could always count on you xD) i have got to know you so much. Remember pondi waali trip jisme 2 infi bhand logo ko sambhalna pada tha mujhe akele :(it was a trip worth remembering <3 Loved our small fights, eating same pizza with you and arpit for idk how many times and teri bhand dancing is epic :p Looking forward to meeting you and many many more trips and memories. Btw all the best living in gurgaon hope you make it alive jk xp Be prepared i am going to keep teasing you forevrr

Priyanka Lakku : Hey Vibhaa<3 My two month roomie. Honestly, intern wouldn't have been half as much fun without you. Those games, lunches, walks, bitching sessions:p, that trip with your friend, World cup (obv) and everything else in those 2 months will be the best memories of us. You're one of the coolest person I've met in insti sachii. Always cheerful and easy to go and a trust worthy person. But stop teasing me okay? Wish we had more time together. Wishing you all the love and luck. Stay in touch :D

Rohit Kumar Gupta : Hi 14 year old nibbi (I remember ye naam tujhe Diwali 2k19 ko mila tha). Mujhe yaad hain maine tujhe sabse pehle meri FB friend request accept karne ke liye text kiya tha taaki tujhe cover photo mein tag kar saku... Your signature excuse during fest was damn lit and is immortal - "I gave work to my coordie". Agar tu aur ashi nahi hote toh main kisko roast karta... marr jata re main😂... apni sinhagad ki trip kabhi nahi bhulegi yaar (19th may 2019)... it was one of the best memories of PUNE 🧡... Au haan tune mafia mein jo mera popat kiya tha uska badla maine tujhe GC ke b'day par rula kar le liya tha. Keep reacting on my memes, dost ka aashirwaad hamesha saath rahega :P.

Kajal Kumari : Hi ex-roomie forever homie ;p Sorry for the last minute trouble. You will always be precious possessions that i will take back from insti. I hope you have better life ahead. You will always be a person who i could confide in, and share everything with. PS- You really are a stupid kid like all the other posts say, but also the sweetest. Cheers to the countless memories and many more to come ILY <3

Bhadri Narayanan R : Hello sugarhigh! Couldn't say no to your wishes, so here goes my entry :) Should I start from the fact that you asked me out for the freshieyear Salsa-night? Or how you get caught everytime you try to hide something from me like your tiktoks? Oh should I even mention your weird crushes on you know who from cs ? XD I can keep going for pages, but I think I'll stop cuz I'll save the rest for the letter. I'm super duper happy that you went from ms.creepy pants in the first sem to such an indispensable part of my college life. To all the drunk dances, near-death mountain climbings, teasings, bitchings, secrets, ipl matches and happiness we have shared and to many more in the future :D

Pattisapu Divya : Vibhaaaa, the witty girl who always has a sarcastic joke to add to every topic. You're soo sweet and friendly, easy to approach and you listen well (thus an easy target for most of my late night and dinner claptrap). Remember our bio study nights? Thanks for introducing me to Superwoman, now I spend my time doing one extra useless thing :P. We've shared so many jokes, I wish I'd written some down. :(Do keep in touch!
