Aniket Ranade : Mujhe yaad ni kaise mile apan, par tu hai bohot harami re. bhai voh infi corridor vali harkat, mana meri galti thi par bhai baki log ko tune jindagi ke liye traumatize kiya re faisal. Doon School ke naam pe kalank hai tu par pakka. Tere khudse itne unrealistic expectations hai na ki kya kehena, bets yaad honge tereko saare hi lagaye hue. muh band rakhna sabse acchi cheej sikh li hai re tune abhi. Magic Juice, dipti ki class aur RageGear best combo tha

Abhishek Tandon : I'm not done with you yet , so im not going to write any parting words

Prathamesh Patil : Nashedi janwar. Mera last sem bahut high notes pe gujra tum log ke sath. Abhi bhi neend me uth ke kisi random door pe knock kar ke apna sign dikhata hu mai. Bahut bakchodi kari sath me. Mai nashe nahi karta, PUBG nahi khelta fir bhi tum logo ke har ek trip me included tha mai. Poora insti nashedi maanta hai mujhe. Thanks for making me feel included. Aage jab europe me jaunga toh tum logo ne diya hua knowledge bahut kam aayega. Galti se kuch bol diya hoga tereko to maaf kar dena. Sorry tum logo ke sath Goa nahi aa paya mai injury ke chalte. Bahut regret karta hu mai wo. Anyways, jane se pehale mil le bhai

Hardik Murarka : Tu sach mein pagal insaan hai....tu infi corridor wali incident karke amar ho gaya hai...chah kai bhi koi bhula nahi sakta.Tune department kai saare boring lab ko interesting banaye hai..though experiment mein tera koi contribution nahi hota tha XD .I hope we could have spent much more time in the last sem but koi nah apne milte rahenge.

Mustafa Ali : Aj bhi yaad hai tuje pheli bar maine freshiza me dekha tha. Bohot hi random bakwas krre ja raha tha. Pakka Gurgaon se laga tha XD. Phir aya apna fnm tenure(still the best part of insti life) bohot films banayi, bohot lade bhi almost ek durse ka chera na dekhe wali stage be aa gaye the. But phir uske baad best part of insti life chalu hua🌱. Bhai tere se jayada random aur raees banda aj tk nahi dekha maine. Bhai bohot sari memories hai yr apni sath me list down bhi nahi kr sakta sari, to be true kaafi to yaad bhi nahi kyuki yaad rakhne wali state me bhi nahi rahe kabhi. Best part bhai summer me tha jab har weekend sirf phukne ke liye milte hai aur tu dead ghar wapis jata tha. Kaafi plan the apne last sem ke jisme se sirf Goa trip hi hi paya😭, but wo bhi best tha. Bas insti wapis ake milne ki der hai. Keep in touch wali baat to hai hi nahi coz koi aur option bhi nahi hai tere pass😁. Bas I hope to apne unnecessary kharche kam kr de and sath me infi trips and films banaye apan. Till then #420🌱

Pushan Bal : While my agree that we may not have had a connection at 'that' level, no one can deny that you are my lucky charm. Pushy swag @ MMxxx bol deta tha class me and wo course me hamesha dassi aayi hai. And ye 5 sem se ho raha hai to its not a fluke. But honestly, you are a fun guy to be around. Would have loved to interacted more. Stay in touch.

Pujan Biswas : Dhruv in the bin. GC crying at your room door. Hockey ball se tiles (& pair) toddna (abhi bhi tile tuta hua hai). Freshiezza ka kya idea tha bhai woh XD The burnt Colgate on the walls. That bong and khamba hide in Pussy's room, bhai Karmo ko ignore kiya tha, sabse bada bewda woh hai. ED nights. Your weird sleep postures. Epic movie reviews. Russell ke saath English mai bakar! Life should have been frozen there. Maybe hum itne interact nahi kiye jitna feshie year mai but you never ever had the frown on your face man, I honestly respect this quality. Amiable and down-to-earth you were, except with the speaker of yours :P But TY to that, I came to know J. Cash. Pls don't forget me. Yours, Bisso

Arpit Agrawal : Bhai sabse bada nashedi aadmi hai be tu jitne logo ko mai jaanta hoo usme.... Tune bhai kitne logo se panga liya hai and kitno ki gand maari hai bhai.... Mustu Snehit toh jo pehle BT khate the woh dekh kar toh bahut maja aata tha XD. But bhai tu sahi aadmi hai yaar but jisse BT hoti uski bahut gandi gand maarta hai be tu.... Saale tune kitne kaand kiye hai aur abhi tak zinda hai :P.... Kya kuch nhi ghumaya hai bhai aur kitna paisa hai be tere pass XD. Bhai apni dosti last year hi hui thi but utne me hi tune bahut senti maari hai and bahut gand bhi maari hai... Yaar tu bahut chill aadmi hai and kisi baat se farak nhi padhta yeh attitude best lagta... Bass mujhe jhel lena aage bhi aise hi XD

Mohit Deshpande : Tu mujhe first time H16 me TT khelte time mile the(in that stripes wali t-shirt) jab tu infi mota tha. Tujhe itni english bolta dekh mujhe laga tha ki bohot high class launda hoga...but lol. Phir aya insti ka wo epic din jab apanne Boner Hider Jaylakshmi Chata banaya tha XD. uske baad toh sab jagah bakchodiya chalu ho gyi thi. tu me piyush har lab me sath rahe hai aur barah bajwayi hai apanne. terse zada toh tere kisse famous hue hai insti me, ICU, bed pe swimming.. aur list bohot lambi hai. kutte ke darr se volley court ke samne ki long jump se leke goa trip pe unka activa ke peeche padna🐕...time kab nikal gaya pata hi ni pada. Milte rehna aage bhi warna tere kisse toh pohonch hi jayenge!

Pushkar Saraf : Rishithhh... tere ko jabbbhi dekhta tha khush hojata tha... kyuki apan milke direct bakchodi chalu kardete the. It was much needed bakchodi. Thanks for making me smile irrespective of the time and place. Aise hi happy vibes mai rehna dont ever change!!

Rohan Kaushik : Hi fren. Not sure what to write here, bohot kuch kiya hai saath mei. If these four years were a movie you'd feature heavily. First year MI to 5 am Beer Cafe trips, that Ahm trip (by bus nonetheless) to bhand crying in 101's washroom and a million other things. I've seen you transition from a naysayer to a true believer 🌱, arguably one of your better decisions. I know we drifted apart thoda, but I'm glad we had the times we did. My insti life wouldn't be the same otherwise. ♥ #Gallesus
