**Saurabh Kolambe :** Bro apni placement prep kabhi nahi bhulunga me life me. Best time tha wo pure insti life ka. Random 3am conversations, garam kar ke chod dena (Looooool) :P and all. It was really fun. I still remeber wo laskhya ke room pe jo letter dala tha apn ne raat ke 4 baje. damn boy! kya pagal jaise has rahe the us din :P. HYD-BLR trip karte rehna bich bich me, maze karenge kafi. Always stay in touch bro. Abhi to just start hua hai aage kafi bakchodi karni bachi hai. Xilinx me macha dena. All d bst!

**Ravi Kumar Kushawaha :** I don't know how we became friends. I can't count mai kitni baar tere room chill marne aaya tha. Manali will be remembered till life. You know why. Aur trips plan krte hai saath mein. Keep in touch.

**Rohan Pathak :** Sharaaaaaan, wassup baby ? Bhai kya din nikale the apan ne Noida mein haha Samsung ko kya chuna lagaya tha and Oh God that trip, sab kuch dekh liya tha un 2 months mein. And kaise bewakufo ki tarah PUBG pe bhi lad liye the hahaha. Sahi mein sab kuch dekh liya tha. But I respect you a lot Sharan \_^\_ Tere jaisa itna bhola and sachha aadmi milna bahut mushkil hai yaar. Those 2 months were absolutely worth it thanks to you bro <3 Thank you very much for tolerating me and aise hi maze karenge brooo

**Aditya Tapase :** Lots of memories are yet to be made with you, when we soon become flatmates. But we still have some special of them lived in Insti. You are one of the nicest persons I have met in IIT. Although you seem naive to everyone at first, only your close friends know the real you 😊, and I am fortunate enough to be one. The course projects with you were fun. We always enjoyed making fun about Yashwant and our talks. Our placement prep will be unforgettable. Remember, we were the only ones who went sleepless for Day 1? Honestly, I was really scared for you for the first 3 days. I am so happy now that we will be together. Insti life is over, lets rock the job life together! See you soon mate!

**Lakshya Bandhu :** Hey Sharan, you are very helping in nature and very resourceful (specially in digital electronics). I will never forget those placement prep sessions which we had. I might have been a little mean to you sometime but there are no hard feelings. I wish you the best for your job and keep in touch.

**Mookund Sureka :** Kya se kya ho gaye dekhte dekhte. First year ka Sharan vs Aaj ka Sharan:p. I know I have been guilty of being AOWL from the wing always but tune humesha help kia hai jab bhi need hota hai and genuine hai tu kaafi. All the best for the future.
