**Chainika Chauhan :** Hey bestie!! Delhite+Haryanvi+Punjab+Kashmiri 😊 First impression is the last but was wrong. When I saw you for the first time in H8, you seems lil bit serious to me but you're too talkative. You're cute, affable, industrious, kind-hearted, sometimes childish as well as mature too. I will miss our gossips, funny fights, Holi Dance, Kalsubai Trip camp incident 😊, plans for farewell party 😘😘and many more. You were always there to listen me, handle my moods and love you for that. Don't worry, I will get to know your nickname soon😘 Good luck to one of my fav person in insti😘 Keep dreaming!!😘 Miss you!!❤

**Amrit Prittam Nayak :** Looking through the crowd to find you on Lab orientation day to "Jaldi niche aa, I am waiting(even at 3 am)", time flew by. From "Aap ne yeh exp padha" to "Chal abhi DMart nikalte hain", the conversation took turns. From taking awkward selfies to "Eiffel Tower wali photo", we created memories. I don't know how, but you have always got my back. Impromptu night walk by the lake, endless bike rides(my favourite), your constant ranting, grooving to punjabi beats, stupid fights, my failed surprises and SPECIAL MASALA MAGGIE , I will always cherish them. Your smile is contagious. Keep spreading it. No matter how much twist and turns we face, you will always have a special place in this journey. ♥

**Rohit Kumar :** Tere nam hi se hi maharani wali feeling aati h or airport par dekh bhi liya bhai tu to shi me mharani h (remember?) 😊😊 I think ham jab bhi bat krte h pandit se hi start hoti h or pandit pe hi khtam #your pa 🤔. I remember first time we met outside the convocation, after the orientation. Someone told me that she is also from career endeavor then I said hi to u but u didn't reply, damn it bhut bejjti kar di thi yrr tune 😊😊. However, with time we became good friends and I hope will continue it till last hours. Bs ase hi sb kuchh khate pite rhna (do u know what I mean ? 🤔). I wish you get everything what you like and touch the clouds. 😊😊 Keep smiling always, with all the love and prayers.

**Harishankkar GK :** I can, sadly without any pride, say that u r the person I talked the least in our class..one incident comes to mind..it was a rainy day, and after the mp class in the 3rd floor..after the class, while u were down by the steps, u fell down all of a sudden..I was terrified as I was watching it live..but luckily nothing happened :D my impression is that u had a great time in IIT as u always seem to enjoy the life there..all the best for ur future!

**Writasree Maitra :** You're the coolest girl of our batch. You've an amazing balance of excitement and calmness; this is very rare. Stay like this always. The study room memories, group theory discussions- I'll remember all of these. Keep smiling; stay happy. All the very best; hope you achieve every single goal of your life.

**Neeraj Kumar :** Soniya, you were the first person I met on orientation day. Pehli Baar dekh ke to tu badi sidhi sadhi lagi... But later I found you at the pinnacle of craziness. You are very jolly and open-minded person. Sorry for disturbing your setups in lab. Since we come from same culture, I will like to say, "Mahari chori chora sa kam hai ke." All the best for your bright future. Stay connected.

**Rahul Verma :** Miss Sonia, the nadaan balak. a person with -ive attitude. Always kind to everyone, hard-working personality. Jaise ho, waise hi rehna... Maggi or coffee campus mein aakr pakka milegi aapko...ithaas mein aapka naam sunhere akshoren mein guava lover ke naam se jana jayega... Keep smiling, thank you for being the part of this phase of my life. All the best and be in touch

**Harsimran Kaur :** Hi roomie! If anyone could have tolerated my unusual out of the time sleeping and studying habits, my loud nature and A LOT of noisy tantrums that would be you. XD though you never complained I know I am a very annoying person to live with. Thanks for waking me up after my alarm clock failed to do so after ringing for 100th time. XD (sorry for ruining your sleep). It was quite a journey. :P. Thank you for being patient with me. During this time of quarantine if I am missing anything the most from IITB it is our room. You adjusted quite a lot to stay with me without any complaints which I never thanked you for. Thank you so much for everything. I hope we stay in touch.

**Srestha Banik :** You're a mixture of sweetness and coolness.. 😊 I like your dressing senses... Your smile is beautiful.. Be always happy.. Best wishes for future.. Stay connected 🥰🥰
