Mohanish Verma : Bhai you are the most humble person in our batch. We had an amazing Journey together and I will cherish that forever....those football matches, those classroom's bakchodi will be reminiscence. We will meet for sure and I can give you that guarantee. Just stay in touch. And have a great future in IIM.. Udhar bhi machaana brother

Adithya Iyer : BROOO ! I think most of my insti tenure went about with me shouting to get you to pass me the football, but you somehow always managed to save my ass in games XD. Congrats on netting another brace(IIM A &B), vahan jaake atleast logon ko ball pass kar dena! Could not have imagined H9 without you, I hope the barca scarf meri yaad dilate rahe XD! Stay in touch man!

Owais Chunawala : Best Roomie Ever! Best Gamer in the Insti! Best football player in the insti! and so many other accolades that you have. You are an inspiration for me. I'm so lucky to have you as a roommate. Thank you for being so kind and generous. I'll always remember that you used to turn off both the lights when I wanted to sleep on your own, giving me medicine when I was sick. Thank you :'). It is always so fun to see you pulling leg of Peru, Nima, Porag and Sisodia (and they just trying and never being able to pull yours ;)), you giving gaalis in hindi while playing games as well as our wing treats. Congratulations for getting selected to IIM-A! So proud of you! All the best for the future!

Trishant Roy : Captain Toshan! A good friend, a true barca fan <3, awesome football player and gamer are some of the many things I will remember you for. Really lucky to have been in the front seat in your and Siso's "discussions" XD Best of luck for the future!

Karan Kothadiya : You're a really sweet guy man! Your Hindi is really funny xD It was great to get to know you through Aavhan. All the best at IIM! :D

Nalli Satwick : I didn't know that we will have this long journey together with the sports council after becoming your orgie in MI for the first year. Stay Smart as ever and cool! All the best!

Vijay Ramchandani : Yo Toshan! You're an amazing guy bro. It was fun to work along you in the council ! Keep in touch. Loads of love ♥

Prathamesh Patil : Toshan bro. From the first year till my last year, I played with you. You were the coolest sports council member and we were proud it was from football. We have had some good matches and some bad ones too but you will always be the teammate I'll always love to have. Also, your improvement in hindi has been wonderful over the years. I will surely miss shouting "pichhe de toshan" and "wing pe". Do come back to play if and when possible. Never got to play that last IFL with you guys. Stay in touch bro

Swapnil Agashe : Yo Toshup! Man of few words. Glad to have worked with you man. Thanks for letting me play in that match against Decathlon team even if it was only for 10 mins and I had to play left back 🤔🤔 Only regret is you never made a after movie/video for the FIFA tournament, I was looking forward to be featured in that XD. Our official score is 1-1 in FIFA, lets have a decider match whenever we get a chance. All the best for future <3
