Metallurgical Engineering &
Materials Science

Hostel Council

Yearbook
2020

Atri Dutta : Bhai. Yeh chaar saal to tu constant raha hai. Second year ke chutiya pe se, badminton, tere secy hone ka fayda, random chutiya pe, politics, randi rona, sab hua hai. Pura bhar diya to bhi kaafi nahi hoga. Shakal se bhola dikhta hai, hai ek number ka badmaash. Aasha hai tu Mumbai me hi rahega, hostel me milne aana bro. Mera hostel ka darwaza (18 ya 3 dekhte hain) tere liye hamesha khula rahega. Ludo khel liya kar mere saath kabhi.

Pujan Biswas : Raju bhaaaaaai. Yaad hai tut mai kya mastt dosti thi apni. Humesha hi smile se baat karta tha tu yaar. Tere saath baat karke sach mein kaafi light feel karta tha. Tujhe placement ke time waise dekhke dil tut gaya tha bhai lekin tum toh machaoge hi yeh confidence tha mujhe kyonkin insaniyat sabse upar hoti hai. Padhai toh Bin Laden ne bhi karli thi. Yaar tere smile ko, tere saath itne fresh talks ko and "bas badhiya bhai..." ko miss karunga yaar! Kabhi bhi yaad aaye toh message karna. Hum yahin hai! Yours, Bisso!

Nitesh Pipralia : Raju Bhiiii!! Co maint secy...bhai tere bina tenure boring sa ho jata. Kaafi sahi hua jo second year me pass wala room mila tujhe, jab bhi borr hota tha tere room me aa jaata tha. Mood ke time to room share kiya tha, yaad hai? Mess me bhi logo se kya debate krta rhta h tu, par dil ka bahot accha insaan h yaar. Is baar milke pakka sunny (ya kahi aur) chalte hn. Touch me rhna bhai.. Jaldi milte hn!!
