MITESH MALAIYA
Mechanical Engineering

Yearbook
2020

Parth Parmar : Yo Mitesh! If you remember, We have decided roomies by flipping coins, you got the money mahn! From the daily shirucasse chilling to many many weekend trips it's been a wonderful journey. From the gamer to game developer, I've seen you evolve as a person. I wish i could say phycially. Though you have put so many hours in mess :p! Your ever helping nature is what i admire the most. Even for the smallest of the problem, you've always been there. Thank you so much mitesh for everything. It means a lot. Baki najik na bhavishya ma japan shift maro ! bhega machaisu !! Eagrely waiting to play your first game and definately some ps X game !! Stay in touch, Bro. Much love !!

Yadav Vipinkumar Nageshwar : mitesh!!! what to say about this person. I found you the most supportive friend among our kfc group. Thanks for teaching me the real essence of life. Also i want to thank u for realizing my inner potential. I must say u will make great game someday.....

Tanmay Nagar : KPK k chhatr ko sadar naman🙏, gamer aakhir main gaming company aka ubisoft main place hua hai😁. Bro we don't have much memories together, but you are cameraman(oneplus wala banda) of birthdays celebrated😂. All the best & stay in touch🙌👍
