If you could pack up a bunch of things from the institute to keep with you forever, what will those be?

If I could I would like to stay in insti forever. A bunch of things won't work.

Harishankar GK : I like the way u face everything with your smile.. the way u silently go about things with occasional outbursts like the sound of a royal enfield :D and I admire your fitness..keep it up...wish you all the best for your future

Neeraj Kumar : Yo buddy, as we were witnessing the diversity of our campus, you were the closest to my place. You are a dedicated, hardworking, and extraordinary person. Remember our last moment studies in initial times- Jindgi me bahut daring kiya hai aapan ne; and R-City day, where we tested quality of all iconic brands... We were an excellent Foosball companion, I'll miss our down sprinting, I would never have gone alone. Thanks for making my two years memorable.

Nehal Sadmake : Ghani Khamma ! Swamiji 🙌. First thing I remember about you is your pull ups and push ups. Aye haye ! Right from the first sem you used to run 10 rounds of ground, mere se abhi tk na hue😓. You are a guy who is always ready for bakc**i😂😂. You like talking to people and whenever anyone comes to your room, you entertain them like a hell. I still remember that "muze ghar jana hai" wala video of Alia Bhat that was damn funny bro. Tu jaisa hai real hai bro. You are fitness freak, entertainer, helpful. Don't lose that killer smile and self confidence. I am always here for any help..... bas yad rakhiyo muze. 😊😊

Vijay Vijay : Riding bicycles almost everyday even in b/w lectures and at night in the whole campus and riding children swings in parks and showing stunt with bicycles and bicycle race sometimes are some of things that I would love to do again with you. Wish you great heights in life!
