Ankur Tiwari : Hello bhai... I think apan Debi k wajah se mile of course... Initially jb 333 me aata tha u were nowhere to be seen tu hmesha gayab rehta tha... But jb dhang se I came to know u with those late night chatters with Raza, Manish and Rajiv... That hangout became super entertaining. Apan dono ne collab me pehli trip to lonavala krwai... Tu laptop pr train tix book kr rha tha aur mai lab me TA k beech... That trip, farmhouse became a core memory of IITB. You are like a driving force of all such plans... And whenever u are there... It's like kuch sochna nahi hume... Ramu will handle everything. Thanks for being there everytime. Keep smiling...coz tune history machai... With Placement! word limit 😊

Rajiv Kumar Saw : Ramu aka Ramu G**u. Bhai 333 ki bakchodi lyftime yaad rahegi, sab chale bhi jate the to mai pada rhta tha tujhe irritate bhi karta tha. Bhai Mere jaise technically handicapped person ki bhut help ki tune. Mere sare project reports & ppt last day me suru karta tha & tere help ke bina kuchh possible hi nhi tha. Aur kahin jana bhi ho kisi kaam se to Ramu. Tumhara CTAM ke lie possessiveness ke karan tumhari khichai me mja aya. Sorry, humlog tumhe DPC ke lie jita nhi paye. Aur hum siddhi vinayak.... jarur jayenge.... the 😂 our placement opener. Bro Japan jake bhulna mat.

Vinay Maurya : Ramu Bhai!!! Sabse khush pure saal agar kisiko insti mein dekha hai to wo tum ho bhai. First year pe jo tumhare room pe panchayaat hoti thi uska hissa banne ka avsar mila mujhe. Baki placement se to tumne sabko hila hi diya hai. Ab apne Japan mein maze krenge. Aise hi haste rho; khush rho aur touch mein rho!!!

Mohd Raza : The man who hit the ball out of park with his dedication and hardwork. Placement ke pehle din tune dhamal machaya. You were always working on projects vmcc ko hi ghar bna liya tha. Gaming laptop par ek bhi game nahi kheli. Election results dil par le liye tune. Bhai emotional toh hai tu. Btw cycle ke liye bohat wait kiya and you always had a nack of picking up good deals 😂. Lonavala trip was memorable ♥. Bhai Japan mei akele nahi rehna 😊

Debiprasad Bhakta : Third person in the room-aise hi hum log roommate bne the. Pehle kuch din toh mile bhi nahi. Uske bad jo bonding hua that was amazing. Chahe room ho aur wing, kahi kuch hi jaye toh complain ramu hi krega. Raat ko koi bhi bahaar se aye 2 plate fried rice chahiye😋. Phir pata nahi exam k pehle hi humlog puri rat batiyate the-kya kya topic tha wo sab😁 But humlog bhot tang kiye hai tumhe specially sone k time pe, phir manager bulana😁. Roj breakfast kliye bulate the jo ki bhot smoothly na kar deta tha. Phir toh bhot ghume hai, masti kiye hai eksath, woh sab alag hi memories hai. H12 aane k baad bhi nahi laga ki dur chale gaye, milte rehte the. Thanks for your inspiration, support and help speci

You promised that you'll tell me your story before we pass out, so keep your promise & All the bes

Ankan Karmakar : Truly you are the most cheerful person I have met till date. But somehow, we quarreled the most. So, I was fortunate enough to see angry Ramu. But, bhai wo last din wala story nhi sun ne ko mila tumhare life ka. Dkho isliye wait nhi karate. Ab wo nhi bataoge toh sala chain se mar v nhi payunga. Bdw, I may only have presentation skill, but "agar tum na hote".. toh sayad bohot sare tech. problems unsolved hi rah jata IIT me. Sayad idhar se jane k baad v tumko call karu for probs.
