Ankit Raj : Jai shri krishna ! Tu wo bhai hai jisne hmesa hi hasaya hai, we have lots of memories in very short span of time. Election ke wo din my god or wo kutte ka pichhada krna with apne mkc. Late night discussion, strategies and last wo mobile ka charger hota to aaj 400 apne side aa jate wala. Will miss u bro 🙌

Samriddhi Shrivastava : Hi Param! I am glad that I decided to be a part of Meta council and thus got to meet u, otherwise I would have missed on making so many wonderful memories in my life 🥰. I wish I could spend more time with you in insti par... 😊 Param the one thing I love the most about u is your constant desire to learn new things and work harder 🧐. Please never loose it. Stop being lazy like me 😊 and stay motivated. And I am very sure that u will always achieve anything and everything u dream in ur life 🥰. Always stay that weird and keep irritating me forever like always 😊. I can't believe that I am actually falling short of words 🤔 😊. Khair tu milte rehna aur baat toh obviously karte hi rehna, well u clearly don't have any option though! 😊 Dude I will miss u alot in insti 😊❤

Ritij Saini : Yo Param! First time I met you in street play GC orientation (haan uske baad koi interaction nahi hua LoL).
