**Rushikesh Avinash Navghare :** Hey dude, if I were to define you, I would do that as Mr, perfectionist. To be honest, you are a bit intimidating at times but you are mostly sweet 😊. I miss the discussions we had while dropping mixed-signal 🤔. Abhi bohot PubG khelana hai saath me. Taiwan me machaayenge 😊, cheers man 🙌

**Arindam Sarkar :** C P The Boss. Most hardworking and most dedicated person in the group. One of the guys who inspired me the most. A bit scary and intimidating at times. Undisputed Head RA of WEL. Best of luck for your future.

**Harsh Kumar Bhargav :** One of the deidicated and hardworking person, my padosi in final year :). In first year i thought you were too strict person which is somewhat true. You explain the things well, it was fun while preparing for placements with you. I remeber the incident happen between you and chandan :P. Wish u all d best bhai :) stay blessed.
