**Katla Virul :** Yo roomie! Pata nahi kaise jhel liya mujhe 4 saal 😂! Thanks for waking me up after waking to my alarm 😊. Cheers to all those late night talks. Aur haa, Those last minute exam prep, assignments and project works would not have been complete without you🙌. Last sem ke game nights hamesha yaad rahengi (P.S. TT with you is too much fun!). Bhai tere dhoop ke nakhre aur tum-tum ka pyaar are unmatched 😊! Finally.. machadana job mai aur life mai bhi

**Tanya Gupta :** Ab Arpit ne apna HPSC project mention kar diya yearbook pe toh tere liye bhi kuch likh deti hu 😊. Woh course pass karwane ke liye thanks :P Tu kaafi lame jokes maarta hai (just like me I know :P) and jitna bhi hangout kiya hai tere saath its always been fun! All the best for your future 😊

**Kiran Dhope :** What's uppppp? It's easy to debate and gossip but oh so difficult to write a yb post... We've fought and we've laughed... We've ranted and we've cried... Cleared GATE on the edge all thanks to you 😊 and yeah tera maths god hai 🔥 always keep your spirits high just the way you are... Hila dena Intel ko... Thank you for everything 🙏

**Arpit Agarwal :** Why did you have to remind of the hours of efforts put in Aptitude, Puzzles, GD, Coding Tests and the internship experiences we have had to eventually get our dream job?😂 You were the guy who handled travel during placements really well- otherwise reaching control room before the start of slot was impossible.. Kaafi stud hai re tu elec and coding mein. Ek HPSC ka course saath mein kiya tha, pura comedy!! Teri wajah se do outings ho paye-Gujarat and Tarakarli warna mein thoda zyaada so leta😂. Both were fun- lift maangna truck waalo se, and teri woh request to not share a video of Tarakarli trip😂. Aage bhi milke maze karenge!
