

ANKIT KUMAR KANODIA
Civil Engineering

Shubham Gorase : Bhai, 2 saal burai hi ki aaj jate jate sb achha likh deta hu. I am SORRY for all the fun I made. I am SORRY for revealing your Panauti shakti to the world. But I admire you for lot of reasons: 1.The attitude with which you accept the jokes, I've never met a person who can take jokes about himself as sportingly as you could. 2.ZERO EGO- You can talk to a gardener or rikshaw wala with same love and compassion as you can talk to professor or friend. Not many people can do that 3.Money Matters- Whatever little money I have saved in the insti, credit goes to chindi-giri shown by you. I used to call it chindi-giri, seems like it was an effective money saving plan. Love you more than you love money

Nikhil Pisal : The man with all kind of schemes(I'm still waiting for ek ka double scheme) and also incredible power (bhai kabhi kabhi dar lagta tha Peet na de tu kisi Ko). Sorry for making all the jokes(Lekin Bakri vala funny tha yaar 😊).but Jokes apart I do admire your modesty. And thank you for sharing some vital lessons (with prof. Shakuni and Manchu Baba) For sure I'm gonna miss you guys(WRE Bois forever). Koe Naya scheme aye to batana 😂

Mithilesh Patel : ANKIT KANODIA. if i say i became little calm this year undoubtly the credit goes to you. i know one day you will became an ideal son of your father. the whole period of 2nd year m.tech in insti was amazing with you bro. u are really grounded and self controlled person. self control par mghe thoda sak hota hai qki mghe lagta hai kahi teri shadi to nahi bachan m hi fix ho gayi hai, qki baki k rajasthani ladko k sath common hai ye.

Akshay Kadu : I was blessed to have you as my neighbor in hostel. You are the person with whom everyone would like to talk to relieve their stress. Tere wajahse hi mujhe aur baki logonko fruits khaneka motivation milta hai hostel me. Tu na hota to shayad hostel life itni interesting na lagti. At the end I would like to say sorry for each of the time I misbehaved with you out of my anger and frustration due to few things in my life. I hope u understand ki ye banda thoda rude hai but dil ka bura nahi hai 😊. All the best for your life ahead bro.

Roshan Jha : Bhai tune mujhe tab sath diya jab me akela tha! tujhe laga hoga aisa bolunga mein!! Tujhe agar kuch na kahu toh khana hazam nhi hota!! Hostel 12 ka har lunch aur dinner yaadein banke rahengi!! Par jo bhi ho..you are the inspiration! Tu clear tha tujhe kya karna hai. Ab bas shaadi karle bina dahej liye!

Sarosh Alam Ghausi : Bhai, u are one of the most cheerful and positive person i met. U are one of those rare person whom everyone will want to be friends with. Those group meetings in hostel rooms and terrace are unforgettable. Many people will say lockdown happened because u decided to go home in later march but u shd knw that i will never agree with them. We will always stat in touch and i will definitely contact u to arrange a separate AC coach in train whenever i need. Will miss u bro!!

Nishikant Kumar : Ankit bhai! Like bda bhai. Hamare batch ka most attracting ladka. Your hardworking is remarkable. Bhut kuch sikhaya tune. And money saving is one of the yr best quality. Koi v situations ho achha manage kr lete ho. Bhut suna tu meri kamjori wala dialog 😊. Bhai raat ko jo Anar khate the group me bhut miss krta hun. Always love you bro. Or banki koi vacancy aati hi to btata hun tujhe. Dhyn rkhna.

Neeraj Kumar Burugupelly : Person with pure innocence. Whenever I am pissed off your room is my place to refresh. I don't remember endless times, I troubled you. You strictly don't bring barriers between you and others. Thanks for bearing my so called backchodi. Remember it made us more closer. I wish we had spent much more time together. Anyways, It's always been a pleasure to be with you bro.! Keep Marching towards your goal. Wishing you the best future.! Until next time.!
