Veerupaksh Singla : Yo Buddha!! First year me lagta tha bohot acha shareef insaan hai. Fir jaise jaise saath me samay bitaya, chamka ki log kyu tereko chedte rehte 😂. Sudhar ja Buddhe 😊😊. Indore se namkeen aur mithayi ke liye shukriya 🙏. Pata nahi India's cleanest city me India's dirtiest person kaha se aa gaya 🤔. Tere saath discussion karne me alag hi maza aata hai. Aur tere room pe panchayat baithane me jo maza hai, wo aur kaha 😂😂. Tere room me to mast graffiti banaye hi hai sabne milke, you bring out the art in everyone 😊😊. Akele rehke karna ek saal aur EXPLORE, best of luck

Aditya Patki : Yaar tere chillness ke baare me pehle bhi suna tha, but sach me jaan paaya sirf intern ke time pe hi. Apne trips and random Bangalore expeditions in search of something - anything new led to some amazing memories. It was awesome ki koi toh tha jo kabhi bhi kahi ghoomne jaane ko naa nahi bolta tha. Aur woh experimental play toh hamesha yaad rahega :P. But itne sab ke baad bhi tera dedication towards your stuff bohot mast tha, tere jaisa continuous slog karna sach me sikhna chahiye. Best of luck bro!!

Anupradiksha Rajan : Tu kafi helpful hai yaar, mujhe abhi bhi yaad hai tu Bangalore me mere saath itna Chalke aaya tha. Tune kabhi bhi disappoint nahi Kiya mujhe, although baki co-interns ne Kiya. Mujhe lunch me bulane ke liye kafi thanks yaar. Mene suna tha ki tu kabhi kisi Ko mana nahi karta....ye Mene placement me experience Kiya jab tu sabki help kar Raha tha. Tu kafi humble aur dedicated hai, aur saath me lukkha bhi (kafi achha combination hai). Hamesha aise hi logon ki help karte Rehna <3 . All the best, aage bhi machana!!!!

Malhar Jadhav : Buddhe tu nhi rehta to meri insti life kaafi sukkhi nikalti. Teri chhadi , "ek tarfa" , har sensible plan ko nhi bolna , andshand plans ko haan karna,double meaning poems ,political discussions, vo special ganna kabhi nahi bhulunga.Shivang & I are really proud to turn u from an innocent person to 😂.But this transformation backfired on us very badly😂.Thanks a lot buddhe for clearing my faltu doubts and getting me through my btech.Aisa hi mast magan & down to earth bandha reh.Sorry for bailing on u jub deep tereko satata tha😂.Jaldi se apni taang hamesha ke liye theek karde , tereko FB main nutmeg karna baccha hai.DDP pura kar and I pray tereko tera research interest mil jae.Love you Buddhe

Deep Karkhanis : Tere baare main kya hi likhu. Tujhe 4 saal bahot pareshan kiya. Sabse jyaada maine hi kiya hoga. Actually infi cheezon ke liye sorry bolna chahiye but kya karu regret nai hai mind main. Kaise hogi..sexually harass kiya hai tune mujhe..Jo banda BTech se DD convert karta hai uske liye kya hi sympathy hogi kisiko. But infi memories hai saath main. Teri laathi, teri room main artwork (first and final yr lol), tera dabba, tera antique laptop (btw tere naye laptop ke wajah se hi bhai ka MS admit aaya, thnks), teri ambar ke rants, pankaj ke saath bromance, tera 3 baar goa trip cancel karna. Btw log faltu main tere pe ghussa nai hote. Kuch karne ke pehle doosron ke bare main socha kar. Love you bro!

Shreyas Likhar : sharir bina ruh ke bejaan hai jaise, tere bina insti-life suni hai waise....I remember, jab ham dusri baar mile the, tab mere Hii ka reply tune iss tarah diya tha - apan pehle bhi mile hai kya?..tab se hi pata chala tha ki kitna free aur open hai tu...fir to waqt guzarta gaya aur panne bharte gaye...first year wali teri laathi se last year ke baasuri tak tera lambi chizo ke prati pyaar badla hi nahi xD...infi help kari hai buddhe tune, placements wali bhaga-daudi ke liye thanks. Mech explore karne ke chakkar me kahi DDP mat bhul jaana. aisa hua to waise hum log ko maza hi aayega xD. Milte to rahenge hi bas aise hi rehna zindagi me, duniya ko zarurat hai tere jaise logo ki..lots of love <3<3<
