**Patel Sayan :** Dekhle, koi dost nahi tera. Sirf main hi hun aur main hi rahunga.

**Pushan Bal :** A guy who always sat on my right during lectures. My lawn tennis partner. I have so many things to say, but there is only one thing that I want you to hear: You will always be the friend I neither needed nor deserved. PS. You will forever be known as handsome Pushan ka dost!

**Aniket Ranade :** Oh bhai, tu har bar bhai hi rahega re, kabhi bhi call kar le kabhi bhi. hesitation nahi re bilkul mai uthayega. voh H4 ki raat tere room pe second year ki tabse ab tak dosti gehri hi hui re. Mumbai mai raha mai to apan to milte hi rahenge.

**Chinmay Kalra :** I got to know you well only during the later parts of my insti life, but we had our moments. I will always remember our 'incident' with MM 318 prof. I think we didn't even go to class for a couple of days after that 😂. And also, you were a great partner for lawn tennis even though we couldn't play against each other that often. Thanks a lot bhai for all those memories!!

**Allen Bose :** Sidhu bhai! To all the FIFA tournaments we played, the Barca matches we saw, the chickens that we ate and the times to roasting bhau. To all the football arguments that we made and the trips we went. My only partner in the wing who I can call on for any activity. If it wasn't for you, I don't think our wing would have done anything together after we shifted to 18. I am really really grateful for that (so don't worry about pestering me for treats) . During those hectic placement semesters, I still remember you coming to my room and checking up on me. It meant a lot. PS: I will be in Bombay itself and we are gonna go for a loads of trips more. Because the wing aint gareeb anymore
